FREQUENTLY ASKED QUESTIONS

SEARCH Scholarship Competition is an invitation-only event for our distinguished academic students who qualify to compete for our top merit scholarships. In addition to competing for scholarships, students will have the opportunity to develop a deeper understanding of the academic, spiritual and social life at Asbury while connecting with future classmates and professors.

Who is invited to attend?
In order to be invited to compete, students must have a minimum recalculated, cumulative GPA of 4.0 or be Kentucky Governor's Scholars, Rogers Scholars, or National Merit Semifinalists.

How will I interview for the competition?
Interviews will be conducted in person at Asbury University. Registration information will be e-mailed to the students at the same time they receive an invitation in the mail. To learn more about expectations and requirements for the interviews, please visit search.asbury.edu/scholarship.

What scholarships will be awarded as a result of the competition?
Students will have the opportunity to receive one of four John Wesley Hughes Scholarships (equal to 100% of tuition) or one of twenty Henry Clay Morrison Scholarships (equal to 75% of tuition). The Hughes and Morrison scholarships will replace the Governor's or Presidential scholarships previously awarded.

Why are there two event dates?
The two SEARCH events are identical in structure. We host two so that you can pick the one that best fits your schedule.
