Disclosure:

Challenge Course programming uses a variety of activities including stretching, warm-ups, games, team-building initiatives and high ropes obstacles to elicit experiential learning. Some of these activities can be physically and/or emotionally demanding. Each of the activities will be presented upon a "Challenge by Choice" framework, which means that each participant chooses their own level of participation. It must be understood that although the program has been carefully designed for your group and will be operated by well-trained staff, the risk of injury, disability or death cannot be totally eliminated. These risks include but are not limited to: inclement weather; loss or damage to personal property; accidents resulting from climbing, swinging, jumping or other types of outdoor activities; the hazards of accidents in a relatively remote place; unforeseeable acts of nature and the emotional effects of being in perceived risk.

Release of Liability:

In consideration of the above disclosure, I freely agree to the above risks and assume those risks on my own behalf. I further agree to release, hold harmless, and indemnify Asbury College, its staff members, volunteers, directors, officers and other employee and/or agents from any claims, demands, or causes of action arising from injury, harm or even death as a result of my participation in Asbury College Challenge Course programming. I agree not to make any claim or file any lawsuit against Asbury College for injuries or damages related to my participation in The Asbury College Challenge Course program. I also agree to abide by the policies and procedures as set forth by the program.

Permission to Use Photographs or Video Recordings:

I give Asbury College the right to use any photographs or video recordings created while I (or my child) participates in Challenge Course activities for publicity and advertising purposes.
