**INTRAMURAL ELIGIBILITY POLICIES FOR INDIVIDUALS/TEAMS**

1. All participants must complete and submit the Intramural Informed Consent Statement each academic year.
2. Varsity athletes are ineligible for intramural competition during the season their varsity team competes.
3. All team rosters are limited according to the sport's rules (10 for basketball- 12 for football, soccer, volleyball and Ultimate Frisbee- 15 for softball). Only that number of championship t-shirts will be awarded.
4. The Intramural Drop/Add Form must be submitted in order to add a player to a roster once the season is in progress or to change teams during the season. See the form for additional information.
5. A player may not play for more than one team in the same sport or change more than once from one team to another team. If a player changes teams, he/she may not participate with their new team for the next 2 games.
6. Rosters may include no more than two varsity or ex-varsity college (1 semester to 4 years) players **for that sport**. An ex-varsity player (including those who practiced with the team, was a varsity team member who quit, etc.) is considered varsity status until an entire academic year has elapsed. The exception to this is that softball rosters may have up to three varsity or ex-varsity players for their sport or related counterpart.
7. \*College Alumni and current Asbury Theological Seminary students must pay a fee (\$20/sport or \$60/semester) before they are eligible to participate. Only one may participate per five players according to roster limits. A-League basketball can only have one alumnus or alumnae per team. Please make checks payable to Asbury College Intramurals.
8. Cancellations must be called in or emailed by the coach/manager *at least 24 hours prior to game time to [intramurals@asbury.edu](mailto:intramurals@asbury.edu) or x2472*. If a cancellation is not made in this manner and your team fails to have enough to play a game, a forfeit will be charged to your team. Any team that accumulates two forfeits (or a combination of three cancellations and/or forfeits) will a) have their games withdrawn from the league standings, b) be ineligible for post-season play AND c) may have their team withdrawn from remaining league play.
9. A team shall forfeit any contests in which an ineligible player participated. The offending individual and team will be subject to disciplinary action from the Intramural Council.
10. A team may be rescheduled once due to a school function that occupies half of the players on the roster. To request a game to be rescheduled under this provision, the team must submit a list of names and a signature of the faculty/staff member who is responsible for that school function.
