

Lilly Ministry Scholarships

"God has given us the ministry of reconciliation." ~2 Corinthians 5:18

Purpose

Although the Transformations Project proclaims that all legitimate careers, life involvements and relationships come under God's call, it seeks to identify students—both women and men—who are gifted for church ministry. The Lilly Ministry Scholarships program supports and encourages a handful of high-quality students as they explore church ministry as their potential call. The ultimate aim is to nurture the next generation of dedicated leaders of church congregations throughout America.
