To the students and staff of the Teacher Education Division:

Greetings from Bolivia! My name is Steve Swope and I am the high school principal and interim director of the Santa Cruz Christian Learning Center (SCCLC) in Santa Cruz, Bolivia. Our ACSI-accredited school of about 250 students in grades pre-K through 12th grade serves approximately 125 families from the missions community, the expatriate community, and the Bolivian community. We provide quality Christ-centered, college-preparatory education here in the growing city of Santa Cruz. We have had more than 12 nationalities, multiple languages, and as many as 30 mission organizations represented in our student body in recent years.

I would like to extend an opportunity to students who are in teacher education at your school. Each year we look for teachers and staff members to help fill vital roles on our staff. The 2008-2009 school year is no different. We are looking for quality, committed Christians to fill roles in...

We are open to having students complete part of their practicum or student teaching experience at SCCLC. We currently have several Asbury grads on our staff and some of our graduates are currently at Asbury!

If any of you are looking for a challenge and a reward for being involved in lives of MKs and international students we invite you to apply at SCCLC. We invite you to check our website at www.scclc.org or email us at info@scclc.org. You are also invited to call us on our stateside phone at 765-293-4850.

God bless you in your endeavors and as you seek His direction.

In His peace,
