Hey friends, I know that we’re already a few weeks into the semester, but I still want to welcome you all back and wish you a great and fun upcoming semester. As my time here at Asbury wanes, I can’t help but reminisce about the past, all the friendships I’ve made, professors I’ve had, classes I’ve taken, and just all of the fun I’ve at this school. With this chapter of my life finishing and the next (as a professional educator, now that sounds weird) beginning, I can really see how the Lord has blessed and challenged me each and everyday. Some days were the best ever, but others will make you lose sleep and gain those premature gray hairs (LPA, I’m just kidding; it’s not that bad), but all of them were and are worth it, and if I may borrow a line from one of my favorite songs “Oh no, you never let go/ Through the calm and through the storm/ Oh no, you never let go.” That, my friends, is a promise that I have held tight to these past four years, and as many of us begin the great adventure of student teaching, I’m sure many of us will continue the remember that and keep it in our hearts. I wish all of you, my fellow educators, a happy and successful semester. God Bless us all.

Christ’s Humble servant,
Eric Janik
2007-2008 Cabinet Elections

The time has come to begin thinking about next year’s cabinet. Many in our current cabinet will be graduating, so there will be many positions to fill. At our February meeting, nominations will be taken for anyone interested in running for office. At the March meeting we will vote on the new cabinet! Begin thinking about how you can serve through TEF next year. All officers are required to attend the monthly cabinet meetings at which topics and speakers are chosen for the TEF meetings. Each position also has a very short list of responsibilities as explained below. Feel free to contact the current officer for more information.
