PROGRAM GUIDELINES:
Donations for the Church Match Program must not come from wages that would be received by the student on an hourly or salaried basis. Workers are prohibited from receiving compensatory gifts through the program as well.

Asbury College reserves the right to withhold or cancel the institutional portion of the matching gift if the student has not completed the appropriate paperwork.

Donations will only be accepted from churches and religious organizations and must be in the form of a check. Personal checks and gifts from other agencies will not qualify for matching funds.

According to IRS Publication 526, “You cannot deduct contributions to individuals who are needy or worthy. This includes contributions to a qualified organization if you indicate that your contribution is for a specific person. But you can deduct a contribution that you give to a qualified organization that in turn helps needy or worthy individuals if you do not indicate that your contribution is for a specific person.”

IRS GUIDELINES ARE SUBJECT TO INTERPRETATION. ANY QUESTIONS YOU HAVE REGARDING TAX LAWS PERTAINING TO THIS PROGRAM MUST BE DIRECTED TO YOUR CHURCH’S ACCOUNTANT.
If your church contributes funds toward your education, Asbury College will match that donation each academic year, up to $1,000.

This offer is open to every full-time traditional undergraduate student. In order to be eligible for this grant, we must receive your application and check for the entire yearly gift before the first day of class.

To apply for this grant, simply have a representative from your church or religious organization fill out the attached application and mail it along with a check to Asbury College. Please make sure your name and “Church Match Grant” are included on the check memo line. Additional applications are available online at www.asbury.edu/financialaid.

* Students attending for one semester will be eligible for half of this amount. Summer term not included.
