Interesting Facts about Asbury College

• We are ranked number one in Kentucky for preparing education students for the Praxis exam.
• We are the only American college to send students to help broadcast the Olympics for professional pay.
• We provide an all expenses paid international internship to approximately 14 students each summer, enabling them to serve in another country. Some have initiated micro-loans for new businesses; some have served in orphanages with children abandoned due to HIV-Aids; and some have helped re-build communities after major disasters, such as the tsunami in Indonesia.
• Asbury College is one of only two Christian Colleges to have an equine program. We have a new indoor arena and more than 300 acres on the Kentucky River palisades.
• We are 20 minutes from Lexington, the second largest city in Kentucky.
• More than 85% of our students live on campus, so you will get to know your classmates in the residence halls, in the cafeteria, on the intramural fields and through your class activities.
• We are interested in your spiritual life. We have chapel services three times a week as a student body, class prayer meetings, mission trips, spiritual retreats, discipleship groups, spiritual emphasis weeks and other opportunities for you to grow and understand God’s truth in a more real way.
• We have alumni in business, medicine, missions, education, media, public relations, law, research, art, ministry, counseling and financial math. All have in common their faith and desire to receive an education that was academically challenging and spiritually nurturing.
