Bibliography

The purpose of this bibliography is to help you locate information on graduate level materials in social work through the use of carefully selected reference sources available in the Kinlaw Library. Should you have any questions, please do not hesitate to ask a Reference Librarian for help.

INDEXES AND ABSTRACTS

INDEX  Social Sciences Index. 1974 to date.
       Online in WilsonWeb OmniFile 1984 to date.

The Index provides access to periodical articles through author and subject entries. It covers the latest concepts, trends, opinions, theories, and methods from both applied and theoretical aspects of the social sciences. In the online edition many citations lead directly to the full text of over 215 journals. In addition there is a separate listing of citations to book reviews.

ONLINE  Proquest Research Library: Social Science Module. 1971 to date.

The Research Library features a highly-respected, diversified mix of scholarly journals, trade publications, and magazines. This combination makes it one of the broadest and most inclusive databases. This subject-specific module provides access to a large number of full-text titles (over 400) in the social sciences, many not found in any other database.

ONLINE  Sociological Collection. 1965 to date.

This database provides coverage of more than 500 full text journals. It offers information in all areas of sociology, including social behavior, human tendencies, interaction, relationships, community development, culture and social structure.

ONLINE  PsycInfo. Online. 1887 to date.

Provides indexing and abstracts for over one million articles in 1,500 journals, and also includes abstracts for dissertations, books and book chapters ranging in date from 1887 to the present.

INDEX  Social Work Abstracts. 1969 to date.

Roughly 450 abstracts are arranged in subject categories, with author and subject indexes.

DICTIONARIES & ENCYCLOPEDIAS

This new edition does not copy or repeat much of the original. “No articles on overlapping topics from the previous edition would be reproduced in part or in whole. The new edition reflects the impact of the rise of critical theory in its postmodernist forms on the social sciences, especially in the arenas of cultural anthropology, qualitative sociology, and methodology. It also includes the most sophisticated theoretical reaction to those developments in the form of realist theory.”

**STATISTICAL RESOURCES**

The Statistical Abstract has been published since 1878 and is the standard summary of statistics on the social, political, and economic organization of the United States. It is designed to serve as a convenient source for statistical reference and a guide to other publications and sources. The majority of the data comes from the United States census material and other statistics gathering agencies. The Kinlaw Library keeps the latest edition in Ready Reference and the back volumes (to 1928) in the Reference collection and the Main collection.

*Statistical Handbook on Women in America*. 2nd ed. 1996.
