The purpose of this bibliography is to help you locate information on health, physical education, recreation, and athletics through the use of carefully selected reference sources available in the Kinlaw Library. If you have any questions, please ask a Reference Librarian for help.

INDEXES

INDEX  
Physical Education Index. 1984 to date.

The Physical Education Index is a subject index to domestic and foreign periodicals which are published in English. Comprehensive coverage is given to Dance, Health, Physical Education, Physical Therapy, Recreation, Sports, and Sports medicine. A separate section for Book Reviews is included in the back of each index.

INDEX  
Online in WilsonWeb OmniFile 1984 to date.

The print version of the Index consists of subject entries to periodical articles arranged in one alphabet. The articles indexed on the electronic version can be searched by typing in subject headings or keywords. Subject fields indexed include food and nutrition, medicine and health, and physiology.

ONLINE  
Sport Discus Full-Text. 1800 - date.

Provided by the Sport Information Resource Centre, SPORTDiscus offers comprehensive, bibliographic coverage of sport, fitness and related disciplines. Indexes over 750 journal titles. Featuring more than 415 full text titles, this is the world's most comprehensive source of full text for sports & sports medicine journals. Of those, more than 180 are not available with full text from any other EBSCO database.
