Every Fall and Spring, a highlight for many students is moving into a campus residence with a little help from some new friends (current students).
ASBURY UNIVERSITY is a private, independent, Christian, liberal arts institution, providing academic excellence in a context of spiritual vitality. This nationally recognized, non-denominational university offers programs in more than 50 majors of study and several graduate programs to a student body of approximately 1,500 students. Founded in 1890, the University’s globally aware heritage has produced more than 22,000 living alumni who live and serve in all 50 of the United States and more than 80 nations.

The mission of Asbury University, as a Christian Liberal Arts school in the Wesleyan-Holiness tradition, is to equip men and women, through a commitment to academic excellence and spiritual vitality, for a lifetime of learning, leadership and service to the professions, society, the family and the Church, thereby preparing them to engage their cultures and advance the cause of Christ around the world.

VOLUME 38, NO. 3, PRESIDENT’S REPORT 2011 The Ambassador (USPS 356490) is published three times a year with an annual report by Asbury University, Wilmore, Ky. If you are interested in making a bequest to Asbury University use our full legal address: Asbury University, One Macklem Drive, Wilmore, KY 40390-1198. For specific information, call (800) 888-1818, ext. 2104. Comments, alumni news and letters to the editor are welcome to the address below. A People, Serving to Advance the Cause of Christ

Many times each year, I have the opportunity to travel on behalf of Asbury University. Each time I leave to visit a new place to share Asbury’s vision and connect with our alumni and friends who are serving so meaningfully, I am blessed and encouraged to see the many ways God is using this institution for His purposes. Likewise, each time I return I am struck by the beauty of this place — a beauty which changes from season to season, from the colorful bustle of early fall to winter’s quiet stillness to spring’s sweetly scented warmth, but endures through the years.

However, a more pointed reality emerges that Asbury University is not a place, it is a people. We are a people, after God’s own heart, ministering and serving around the world to advance the cause of Christ. The physical university is the place where we equip and prepare men and women to be a ready people to serve the waiting world.

The Annual Report issue of the *Ambassador* always helps to remind us to celebrate the Lord’s provision as He works through His people. David instructed the people of God to “sing praises to the Lord, enthroned in Zion; proclaim among the nations what He has done” (Psalm 9:11). Through your gifts of prayer, time, talent and treasure, you are helping Asbury University to be a ready people able to fulfill our calling to educate mind, body and spirit for the purpose of having a positive impact in the world.

As you look through the magazine, you’ll see each season of life at Asbury University represented with images from events and shared experiences. Particularly noteworthy this past year was the dedication of our new Andrew S. Miller Center for Communication Arts in March. The building itself is a significant accomplishment. It was completed on time and on budget, a testimony to the commitment of our generous supporters. However, the glory of even this state-of-the-art building pales in comparison with the eternal fruit that will surely result as students, educated and equipped for leadership and service, influence the world for the Kingdom with the preparation they’ve received here.

As Asbury continues to pursue a vision in which men and women are trained to be excellent at what is good, I know that we do so in the company of a community of believers who are faithful and committed to preparing a new generation of leaders to carry out God’s will. Because of your support, Asbury’s influence and reach expand each day, through traditional, graduate, degree-completion and online programs, to make a difference all over the world. On behalf of the Asbury University family, I thank you for your prayerful support.

May the Lord bless you and your family in this new year.

Dr. Sandra C. Gray,
President
Asbury Initiative recipient, Brian Troyer ’12 serving in Africa.
Mission

The mission of Asbury University, as a Christian Liberal Arts institution in the Wesleyan-Holiness tradition, is to equip men and women, through a commitment to academic excellence and spiritual vitality, for a lifetime of learning, leadership and service to the professions, society, the family and the Church, thereby preparing them to engage their cultures and advance the cause of Christ around the world.
Next to writing a check, perhaps the best known vehicle for philanthropy is the bequest. A bequest is a gift that is made through your will or trust and can establish your wishes today without relinquishing needed assets during your lifetime.

We can work with you to ensure your bequest gift to support Asbury University’s mission makes the impact you desire. For example, it can establish a scholarship fund, support a capital project or academic program, or endow a professorship.

To learn more about supporting Asbury University through a charitable bequest, please visit our Web site at asbury.giftlegacy.com or contact us at 800-888-1818, ext. 2104.
Celebrating our Donors

“The Lord has done great things for us, and we are filled with joy.” — Psalm 126:3

It is with grateful hearts that we thank the Lord for His all-sufficient provision. To our alumni, parents and friends, thank you for your financial contributions, prayers and service. You ensure an Asbury University education of academic excellence and spiritual vitality remains a reality for students across the world.

The Honor Roll of Donors that follows is a profile of members of our community who have given of their financial resources to Asbury University and our students. We’ve also included a list of donors specific to our new, state-of-the-art Andrew S. Miller Center for Communication Arts. All of these names appear as a heartfelt expression of gratitude and in recognition of their commitment to excellence in Christian liberal arts education in the Wesleyan-Holiness tradition.

To those whose names are listed, and to those who have given of themselves in prayer and service, Asbury University offers its deepest appreciation. Your investment in the lives of our students will never lose value.

Please join with me as we celebrate and give thanks.
