STUDY ABROAD & OFF-CAMPUS PROGRAM APPLICATION PROCESS

**STEP 1:** Complete the Intent to Study Abroad & Off-Campus Program Application Form Online

The Global Engagement Office will contact you after receiving your “Intent to Study Abroad” application and make an appointment for your initial advisement. To begin, visit [www.asbury.edu/geo](http://www.asbury.edu/geo).

**STEP 2:** Complete the Application Packet

Procure all the necessary forms and signatures to complete the Application Packet:

1. Review and sign the Study Abroad & Off-Campus Application (pg. 3)
2. Obtain the following forms from the Registrar’s Office: Academic Audit, Foundational Courses Sheet, and related Major(s)/Minor(s) Sheets.
3. Complete the Student Audit form (pg. 4) with your faculty advisor(s).
4. Please meet with each office listed under Acknowledgments and Approvals (pg. 5-6)
5. If this is a non-AU program, please make sure to apply to the host agency for admissions.

All forms can be downloaded from our website at [www.asbury.edu/geo](http://www.asbury.edu/geo).

Please submit completed Application Packets to the Global Engagement Office.

**STEP 3:** Acknowledgement of Final Approval

Final approval will be acknowledged by the Global Engagement Office and the host agency or host faculty member of acceptance into their program. Please submit your acceptance confirmation from the host agency to the Global Engagement Office (asburystudyabroad@asbury.edu).

**STEP 4:** Submit Applicable Application Fee(s) Before Their Deadlines

**Submit the AU External Program Fee OR Nonrefundable Housing Deposit**

All outside programs have an overhead and processing fee. Fall and spring are $500; summer is $200. AU’s China or Paris programs have it figured into the budget, so students are not additionally charged. Please note that host agencies may have their own application and/or deposit fees.

This deposit is required only for the AU Study Abroad Programs. The amount will be credited back to the student’s account and used towards their Asbury University tuition upon the start of the Study Abroad program. The amount will be deducted from the total tuition fee at invoicing. If the student drops out of the program after the deposit payment deadline, the student forfeits the deposit as it will have already been dispersed to secure housing abroad.

**STEP 5:** Register for Classes

Please make sure you go ahead and register for classes as if you will be attending classes on campus during the semester you are hoping to Study Abroad. This is to ensure that you are enrolled at Asbury for that semester. Once you have been approved and accepted to Study Abroad, the Registrar’s Office will update your status.

**STEP 6:** Complete All Necessary Travel Forms and Obtain an International Student Identification Card (ISIC)

All students traveling abroad with Asbury University faculty and/or staff members must fill out Global Engagement Office’s Travel Forms. Forms should be submitted to the Global Engagement Office. All students traveling abroad must obtain an International Student Identification Card, which provides travel insurance when abroad.
1. The approval procedure must be completed in order for the student to be enrolled in an Asbury University Off-Campus Program. A student who does not complete this procedure will not be enrolled as a student for the period of the off-campus study.

2. The approvals indicating “in good standing” must be maintained up to and during participation in the program. Any probation, including chapel probation, will keep a student from participating in an off-campus program.

3. A student must have a current cumulative GPA minimum of 2.75 and have completed at least two semesters of college coursework at Asbury. Transfer students must have at least one of the semesters completed at Asbury.

4. A student may not participate in the same program more than once and may not participate in more than two semester programs.

5. The student bears the responsibility to secure appropriate documentation (e.g., transcripts) from the host agency both before and after the off-campus experience.

6. Please note that there will be an additional “AU External Program Fee” charged to the student’s account. The student is responsible for the $200 or $500 processing fee in addition to any tuition, travel, housing, or other expenses. The fee amount is dependent on the term – fall, spring or summer.

7. Those participating in an Asbury University Study Abroad program may also need to submit a nonrefundable housing deposit. This deposit will be credited towards their tuition cost.

8. Registration will take place only upon final approval by the Academic Dean and confirmation from the host agency of acceptance into their program.

9. These procedures and policies are in addition to those required by the host agency and are considered to be of final authority in determining participation.

Please refer to Asbury University’s Bulletin for more policy details.
