STATEMENT OF FAITH

Asbury University is a Christian liberal arts university which stands in the long succession of Christian orthodoxy. Although no official denominational emphasis exists at Asbury University and all may participate fully in the spiritual life of the campus, the institution maintains its commitment to an evangelical Wesleyan-Arminian perspective and requires all who affiliate with the university community to live within the guidelines of this commitment. Those basic beliefs to which Asbury University is dedicated are stated as follows:

We believe:

1. That the Scriptures of both the Old and New Testaments constitute the divinely inspired Word of God, that they are inerrant in the original writings, and that they are the final authority for truth and life.
2. That all truth is a unity since it originates in God, and that God imparts it to man through His revelation in Jesus Christ, in the Scriptures, and in nature.
3. That there is one God, eternally existing in three persons: Father, Son, and Holy Spirit.
4. That Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and is true God and true man.
5. That Jesus Christ died for our sins according to the Scriptures, that His atonement is for the whole human race, and that whosoever repents and believes through faith in Him is justified and regenerated and saved from the dominion of sin.
6. That man was created in the image of God, that man fell into sin through disobedience and “so death passed upon all men for that all have sinned” (Romans 5:12), that all human beings are born with a bent toward sinning, and in the case of those who reach moral responsibility, become sinners in need of conversion.
7. That entire sanctification is that act of divine grace, through the baptism with the Holy Spirit, by which the heart is cleansed from all sin and filled with the pure love of God. This is a definite, cleansing work of grace in the heart of a believer, subsequent to conversion, resulting from full consecration and faith in the cleansing merit of the blood of Jesus Christ.
8. That the Holy Spirit bears witness both to the new birth and to entire sanctification, enables the Christian to live a godly life, to grow in the graces of the Spirit, and to walk blamelessly in His holy commandments.
9. That the church is the body of Christ, and that all who are united by faith to Him are its members and love one another out of pure hearts.
10. That the crucified body of the Lord was resurrected, that He ascended into heaven, and that His return will be personal and is imminent.
11. That there will be a bodily resurrection, of the just to everlasting blessedness, and of the unjust to everlasting punishment.

The institution maintains its historic Christian commitment and resists the public practice or propagation of beliefs alien to its Wesleyan Christian orthodoxy. It welcomes students though who have not come to that faith but are respectful of the institution, its mission, and its commitment.
INSTITUTIONAL CONTEXT COMMITMENT

We hold to a set of core values that, when fully integrated, give Asbury University trustees, administrators, faculty, students, and alumni opportunities to make significant contributions to the mission of Christian higher education and the worldwide work of Christ.

I. University - Chartered as a nonprofit, charitable, tax exempt, 501(c)3 educational corporation, we have chosen post-secondary education, predominantly at the undergraduate level, for serving the purposes of Christ in each generation.

II. Liberal Arts - We believe that post-secondary education in the classic disciplines of Western thought including the Natural Sciences, Social Sciences, Humanities, Theology and the Arts is important in preparing men and women for a lifetime of learning, leadership, and service. In addition, we are dedicated to equipping individuals with the professional skills and experiences necessary to make a meaningful contribution to and have an effective witness in the world of work.

III. Private and Independent - We seek to be contributing participants in the overall work of higher education with particular emphasis on the private, Christian arenas regionally, nationally, and internationally. We choose not to rely upon governmental support or individual denominational influence and/or control in achieving our mission.

IV. Accredited - We voluntarily submit to peer and other evaluation processes in order to enhance academic excellence and obtain the necessary certifications in the relevant higher education and professional communities, ensuring maximum opportunities of professional service and Christian witness for the university, its faculty, students, and alumni.

V. Holistic and Residential - As a Christian community of learning and living, we emphasize the development of the whole person physically, mentally, socially, morally, and spiritually. We promote a principle centered approach to life and learning, encouraging the development of lifestyles that will last a lifetime. We believe that residential education is a central component in meeting the developmental needs of the traditional university age population.

VI. Christian - We desire to be a vital, contributing partner to the historic, Protestant, evangelical, Christian tradition placing emphasis on God’s plan for a reconciled relationship with humanity through His Son, Jesus Christ. The love of God for all races and cultures and His willingness to make salvation freely available to any and all who will repent of sin and receive Christ by faith, motivates us to embrace a Biblically centered, multi-cultural environment. Our Great Commandment passion of perfect love for God and humanity fuels a Great Commission commitment to serve and help change a needy world.

VII. Wesleyan, Arminian, and Holiness Heritage - Five Biblical concepts, promoted by John Wesley and his followers, guide our mission.

- The Nature of Truth: We believe that all Truth is God’s Truth, liberating us to pursue knowledge in any and every legitimate discipline of learning.

- The Authority of Scripture: In pursuing Truth, we are anchored to the authority of the Bible employing reason, experience, and tradition to develop a Christian world view that unites academic excellence and spiritual vitality.

- The Nature of Humanity: We believe that men and women are distinct beings created by God, endowed with a free will, and dependent upon His prevenient grace to exercise the freedom to choose and change responsibly.

- The Importance of Purity: We believe that the Christian’s deepest need is for a purity of heart and a freedom from the power of sin, which we describe as entire sanctification, in order to live pleasing to God. Sanctification is a definite cleansing experience by the Holy Spirit subsequent to conversion, and a life-long process of cleansing by the Holy Spirit, gradually conforming the believer into the image of Christ. It is a process encompassing both purity and maturity.

- The Call to Service: We believe that the primary motivation for seeking Truth is to live lives of meaningful, sacrificial service contributing to God’s redemptive purposes for creation and society.
