Why send students to Asbury University?
Why should I send students to Asbury University?

We are glad you asked! Here are just a few reasons:

• Our dual-enrollment program, the Asbury Academy, is offered to seniors in high school. The on-campus experience includes one free class per semester. The online program includes up to four credits at $125 per credit per semester.
• Top programs include Media Communications, Equine Studies, Education, Psychology and Business Management.
• Asbury is the only university to place media students in paid broadcast positions in the past 10 Olympic Games. More than 30 students will help broadcast the 2014 Winter Olympic Games in Russia.
• Last year, more than 50 percent of the average undergraduate’s tuition was covered by scholarships and grants.
• Students from Kentucky are eligible for a state tuition grant ($2,900 per year).
• Asbury offers scholarships for academics, athletics, music, theatre, worship arts and children of alumni. We also offer scholarships for those in full-time Christian Ministry.
• Asbury is a Christian institution where faith is integrated into every component of academics and campus life.
• Students are required to complete a cross-cultural experience. Students can choose from international or domestic service opportunities.
• Best of all, we can serve you! If you are in need of completing your masters or if you are interested in the Principal Licensure program, we would be honored to work with you.
