

2018-2019

## **EQUINE STUDIES MAJOR, B.A.**

Science & Health Department; School of Science, Health & Mathematics

Equine is a major branch of the Science & Health Department with a primary focus on experiential learning combined with a solid equine science curriculum. The graduate of Equine Studies is prepared for numerous career possibilities, including Equine Administration and Management, Graduate School, and Equine Ministry

*To graduate must complete all major requirements, foundational requirements, and additional electives needed for 124 hour minimum degree requirement.*

### **MAJOR REQUIREMENTS (45)** **(30 Core + 15 Concentration)**

<input type="checkbox"/>	1	EQM / PE	130	Horseback Riding I
<input type="checkbox"/>	1	EQM / PE	131	Horseback Riding II
<input type="checkbox"/>	3	EQM	100	Equine Studies
<input type="checkbox"/>	3	EQM	200	Horsemanship Ministry
<input type="checkbox"/>	3	EQM	201	Equine Conformation
<input type="checkbox"/>	3	EQM	202	Stable Management
<input type="checkbox"/>	3	EQM	206	Equine Health/First Aid
<input type="checkbox"/>	3	EQM	251	Horse Training
<input type="checkbox"/>	6	EQM	435	Equine Field Experience
<input type="checkbox"/>	1	EQM	475	Equine Senior Seminar
<input type="checkbox"/>	3	HED	231	Injury Care & Safety

### **EQSE - EQUITATION & TRAINING (15)**

[Use this Concentration and dual major with PSY for equine facilitated wellness]

<input type="checkbox"/>	3	EQM	208	Intro to Therapeutic Riding
<input type="checkbox"/>	3	EQM	245	Riding Instructor Certification
<input type="checkbox"/>	1	EQM	311	Therapeutic Riding Instruct
<input type="checkbox"/>	3	PSY	322	Equine Facilitated Mental Health

Choose 5 additional hours from EQM or any courses listed in other concentrations.

<input type="checkbox"/>	3	___	___	_____
<input type="checkbox"/>	2	___	___	_____

### **REQUIRED CONCENTRATION (choose one):**

#### **EQSS - EQUINE SCIENCE (15)**

Choose 15 hours from:

<input type="checkbox"/>	3	EQM	205	Forage Mgmt & Feeding
<input type="checkbox"/>	3	EQM	261	Equine Anatomy/Physiology
<input type="checkbox"/>	3	EQM	306	Equine Diseases
<input type="checkbox"/>	3	EQM	406	Equine Lameness
<input type="checkbox"/>	3	EQM	420	Equine Reproduction
<input type="checkbox"/>	3	EQM	451	Equine Exercise Phys & Cond

#### **EQSM - EQUINE MANAGEMENT (15)**

<input type="checkbox"/>	3	BU	211	Principles of Management
<input type="checkbox"/>	3	EQM	310	Farm & Ranch Management
<input type="checkbox"/>	3	EQM	320	Equine Administration
<input type="checkbox"/>	3	EQM	340	Equine Law

Choose 3 additional hours from EQM or any courses listed in other concentrations.

<input type="checkbox"/>	3	___	___	_____
--------------------------	---	-----	-----	-------

### **PLUS FOUNDATIONAL REQUIREMENTS (46)**

#### **Plus electives needed for the 124 hour degree requirement (33)**

\*COMPLETE A DUAL MAJOR WITH PSYCHOLOGY FOR EQUINE FACILITATED WELLNESS
