Personal Safety & Security

Asbury University is a relatively safe and secure campus community environment, in which to attend classes and work. However, crimes do occur, and it is necessary to provide the following policies, recommendations and information regarding personal safety and the security of possessions on campus.

Campus Safety & Security Officers

Asbury University safety & security officers are on duty 24 hours a day/ 365 days a year. The goal for these officers is to provide excellent customer service while facilitating a safe environment for everyone on campus.

The Director of Safety & Security is on duty during the week, normally from 8 A.M. to 5 P.M. The Director or the on-duty officer may be contacted through the campus dispatch (859) 858-3511 ext. Campus safety and security officers are in contact with the University switchboard/ campus dispatch at all times, and should an urgent request arise, Wilmore City Police, or the appropriate emergency service would be contacted for assistance.

The Director of Safety & Security maintains the campus crime log on the University website and has on-going communication with law enforcement authorities regarding crime that may impact campus.
