

Virtual Reunion Scheduled for June 26-27

It's not too late to register for our first ever virtual Reunion, June 26-27. Yes, there will be a Hymn Sing! Join with us as we celebrate God's faithfulness in the midst of uncertain and difficult times. There will be opportunities to connect with friends and classmates throughout the weekend, and our banner-year alumni will have virtual class gatherings on Saturday. We look forward to the encouraging messages provided by Rev. Mark Nysewander '70 and our President, Dr. Kevin J. Brown. All are invited to participate, and we hope to see you (online) in a few weeks. Please register today!

President's Message to the Asbury Community

Like so many others in the United States, I have been processing the sad and senseless deaths of black Americans and the underlying reality of racism. Reading the details associated with recent events—specifically the deaths of George Floyd and Ahmaud Arbery—I go numb, unable to fully comprehend the loss, the hurt, the sense of injustice, and the sadness this must bring to our black and brown brothers and sisters, and even more to our Creator. And while these events may impact each of us differently, we know that we have members of our own community who are experiencing fear, deep grief, and pain.

Matching Grant for Student Scholarships

A foundation that has been giving to Asbury's student scholarship fund for the last 16 years wants to encourage alumni and friends to match their 2020 grant commitment of \$80,000 before June 30.

The pandemic and unrest in our country have affected us all. As we near the end of our fiscal year, Asbury needs help in meeting our higher than normal financial obligations. And based on responses we are receiving from students hoping to return to campus in the fall, the University will need to offer additional financial aid to enable many to continue their academic career at Asbury.

As you are able, please consider making a gift today to The Fund for Asbury University: Student Scholarships and help us reach the goal of doubling the foundation's grant.

Return to Campus Plan

After the COVID-19 pandemic impacted Asbury University's spring semester, a team of Asbury administration and advisors was formed to focus intently on preparing the University for students to return to campus for a full on-campus, residential experience in the Fall of 2020. We are excited to welcome all students back to campus in August!

Asbury Student Wins Prize for Outstanding Academics in Oxford Semester Abroad

Asbury University English major Kayla Beebout '20 spent the fall term studying in the Scholars' Semester in Oxford, an academic experience that bills itself as "not for the faint of heart" where students go one-on-one in tutorials with highly regarded Oxford University faculty.
