All-America Brass Band - Audition Instructions

1. Preparing Your Audition

Brass Players –The excerpts are the same for all treble and bass clef instruments. Prepare the excerpt as it is written whether you are playing a Bb or Eb instrument. There is no need to transpose

Percussionists –There are excerpts for snare drum, timpani, and xylophone/bells. If you wish, you may also include drum set examples in the following styles: Fast Rock, Slow Rock (half-time), Jazz/Swing, Latin.

2. Recording Your Audition

All auditions must be recorded on video. This may be done on your phone or any recording device you wish.

Each excerpt of the audition should be recorded in one take, without pausing or editing. Under no circumstances should you splice or in any way edit your audition within a part.

3. Submitting Your Audition

The deadline for all auditions will be January 1, 2023.

All videos should be uploaded to YouTube as an unlisted video (which will not be available to anyone without the link to the video).

When you add a title to your YouTube video, please include your name and instrument. [Click here](#) for a tutorial on how to upload videos to YouTube.

Auditions video links should be emailed to BrassBandInstitute@asbury.edu. And if you have any questions or issues, feel free to reach out using the same email address above.
