

Student Stories From The Outpouring And Beyond

On January 31, Professor Barbara Hamilton organized a group of students to "make much of Jesus" as these students reflected on their growth since the Outpouring. They answered questions like: 'Where they are experiencing more freedom in Christ?' and 'What more they are asking God for based on what they've seen Him do?'

It was a beautiful depiction of this verse in Romans 1:12 "that you and I may be mutually encouraged by each other's faith." **Upcoming Opportunities**
