BIBLE-THEOLOGY MAJOR, B.A.

Christian Studies & Philosophy Department; College of Arts, Humanities & Social Sciences

The Bible Theology Major offers an in-depth exploration of biblical content and theology. There are two tracks within the major to choose from: pre-seminary, designed to equip students for graduate level in theological study; and pre-ministry, designed to prepare students for ministry immediately following college. These majors facilitate understanding of the Bible in its historical, cultural context and the ability to apply biblical principles to ministry in everyday life. In addition to studying individual books of the Old and New Testaments, students explore the rich historical and theological legacy of the Church and its implications for today.

To graduate must complete all major requirements, foundational requirements, and additional electives needed for 124 hour minimum degree requirement.

OT 100, NT 100, and TH 250 are Foundations requirements for all students and do not apply below.
