

# WELCOME BACK TO ASBURY!

*"For where two or three gather in My name,  
there am I with them."*

*Matthew 18:20*

Welcome back to campus! We are incredibly grateful to be able to have you back for an in-person Reunion. It is so good to GATHER together. Our lives have taken many different paths since our years as students at Asbury. Some have been very linear, while others have been all over the map, literally and figuratively. Each of us have experienced great joy and deep heartache along the way, but God has been unchanging in His faithful and steadfast pursuit of us. It is our desire that you will be reminded of God's goodness and His faithfulness as you greet old friends, make new ones and soak up the joy of being surrounded by a community of believers during our weekend together. Wherever you are on your journey, we are thankful you are here with us. We pray that in our time together you will be refreshed, renewed and reconnected to each other, but more so to the One who is our Creator, Savior and Mighty God. As we sing (oh, what a privilege it is to sing in Hughes), laugh, eat and share together, may your heart be filled to overflowing. We are filled with gratitude for this opportunity to GATHER together!

He is FAITHFUL.

Asbury University is privileged to honor a select few alumni who exemplify academic excellence and spiritual vitality. While many could receive this recognition, our 2021 Award Recipients are celebrated below and will be recognized at the University Update, Saturday morning.

## A AWARD RECIPIENTS

### **Drs. Gilbert '60 and Janice Shaw '61 Crouse**

Gil, former senior economist with Health and Human Services, and Janice, former senior fellow at the Beverly LaHaye Institute, have been in the advocacy business since early in their careers. Both have been awarded and recognized, nationally and internationally, for their leadership and service. In the 1970's, Gil was instrumental in establishing and starting the business department at Asbury with then colleague Don Winslow. After that time, Gil spent 25-plus years with HHS helping to administer programs that dealt with health, welfare and health information technology. He conducted and presented research on the impact of opioids and substance abuse on the child welfare system, which caused an increase in the number of children at risk and in foster care. His advocacy for this vulnerable population provided a call to action on a nation-wide level. Janice, former Asbury Board of Trustees member, has been named "Woman of the Year" three times, the last time by the World Congress of Families in 2013, for her work on national and international issues regarding sexual trafficking, abuse of women, human rights and religious freedom. Twice she has served the President as an official delegate to the United Nations (2002 and 2003). As an author, professor, academic dean, speaker and speechwriter for former President George H.W. Bush, Janice has spent a lifetime advocating for others.

We are grateful for the lifetime of service these two have provided to our nation and the worldwide community.

### **Dr. Jeannine Brabon '71**

There are and will be thousands of people in Heaven because of Jeannine's work on behalf of our Lord and Savior. A One Missions Society (OMS) missionary, Jeannine continues to put Jesus first in all she does. After graduation, she was a missionary in Spain for 16 years and then returned to Colombia where she grew up. While in Colombia, she began an exciting but dangerous prison ministry in Medellin's maximum-security prison. In 1992, she began the Bellavista Prison Bible Institute, graduating prisoners who now minister to other inmates across the nation. Due to her prison ministry, she has been dubbed the "Angel of Bellavista." She taught biblical Hebrew and has been involved in evangelism, discipleship and training church leaders. She continues to speak and train, sharing in our own Chapel services multiple times. In 2001, Jeannine received an honorary doctor of Christian ministries degree from Asbury University. In 2009, she received the World Methodist Council Peace Award. Her work is not finished, as she continues to faithfully serve the Lord, sharing the good news of the Gospel with all she comes into contact. This fearlessness and faithfulness to God has been a hallmark of her life from a very early age.

Jeannine's prayers have literally changed and impacted the world, beginning with our own revival in 1970.

### **Dr. Janine (Jeannie) Corbitt '76 Jones**

Growing up on the mission field, with a father in charge of medical missions and a mother who practiced medicine into her late 80s, Jeannie knew she had big shoes to fill. As a campus physician at the University of Kentucky, Jeannie has cared for students for more than 30 years. Before that, she worked at a mission hospital in Hualian, Taiwan with her husband, Raleigh (also a physician), and in urgent care medicine. The care she provides includes more than diagnosing a physical ailment. Jeannie cares for the whole person—mind, body and soul as she learned from her family and her experience at Asbury. Her ministry is one of service that includes generosity, a listening ear, a willingness to speak truth in hard situations and a deep love for the students who cross her path. She believes the Lord has placed her where she is for a purpose. This care and concern follow her into all of her circles of influence. Jeannie has served on the Alumni Board and as the Board of Trustees alumni representative. She has been on countless focus groups and think tanks for the University, such as the Ignited Campaign, Presidential Search Committee and served as the Reunion Class Gift Chair. More than that, Jeannie graciously cares for our alumni during our Reunion weekends if there is a medical need. We are thankful for her generosity, intentionality, and hospitality as she serves.

## DISTINGUISHED YOUNG ALUMNI AWARD

### **Beth Showalter '06 Toenies**

Beth Toenies is the Chief Operations Officer for 1-800-BOARDUP, an organization that assists with victims of disasters. Beth joined the company in early 2014 and is responsible for all facets of strategy and systems processes. She previously served as President, managing the overall direction of the company.

Prior to joining the company, she was president of ICE-TECH Advanced Lens Technologies. Beth was the youngest president of the company, as well as the world's only female president in that industry. A few of her many accomplishments include placing in the top 50 "Most Influential People in the Optical World" in 2013 and placing in the top 500 Business Executives in the United States in 2014. She is also Chairwoman of the Board of Len Ministries, a non-profit whose mission is to equip local and international churches to train their people to win their communities through evangelism. While all of this is impressive, it is her deep love for and commitment to her three year old son, who requires 24-hr care, that stands out. She has used her talents, God-given gifts, her experiences, her contacts and her tenacity to become an advocate and caregiver for her son and for others who face this challenge. She and her husband, a Navy aviator, have committed themselves to provide the best care for their family, welcoming Adrian this year. They have committed to share resources, stories, struggles and to help others. Leading with service, Beth continues to lean into advancing the kingdom of God around the world.

## VOLUNTEER OF THE YEAR

### **Ted Batson '86**

As a partner of CapinCrouse LLP, Ted R. Batson Jr. provides expert tax advisory services to non-profit, faith-based organizations. As a vital member of Asbury's Planned Giving Council, he offers that advice and expertise to individuals considering Asbury in their estate plans, providing alumni and friends of the university guidance in legacy giving, and confidence in their commitment to Asbury's future. While serving on the Awards Committee, Ted developed a structured and organized reporting system for award management. He continues to support AU students by speaking in business classes, mentoring those interested in his professional fields, and providing internship and employment opportunities. His passion to assist others to be the best stewards of the gifts, talents, energy, and resources that the Lord has entrusted to them aligns with Asbury's vision of inspiring Kingdom purpose, life-long learning, and servant leadership.

## ENHANCING THE STUDENT EXPERIENCE: 2021 REUNION GIFT PROJECT

Each year, classes celebrating a banner reunion join to fund a project of significant importance to our alma mater. The 2021 Reunion Gift Project will focus on enhancing the student experience both on campus and as they travel the world.

The primary focus will be the creation of an outdoor dining area adjacent to the west wing of the Johnson Cafeteria. This will be an exciting addition to the campus dining experience with a grill and food prep area included.

A second focus will assist students with financial need to go on cross-cultural and mission-oriented trips. Since 2010, every traditional undergraduate student is required to have a cross-cultural experience in order to graduate.

Find out more and  
give online at  
[asbury.edu/reuniongift](http://asbury.edu/reuniongift)

Rendering as of March 2021. Final plans by architect may change.

## DIRECTIONS TO OFF-CAMPUS EVENTS

### Asbury Theological Seminary Student Center (Cafeteria)

#### **Walking:**

From the Semi circle, walk straight across the street, where you see the statue of Charles Wesley. then walk down the staircase behind him between Estes Chapel and the Library. Following that sidewalk/pavement, keep walking straight and you will see the Seminary's Student Center on your right. Walk in the glass doors and the cafeteria will be on your right.

#### **Driving:**

Driving out of the semicircle, take a right onto the main road (N. Lexington Ave) and turn left at the light onto E. Main Street. Barely having passed the church (it will be on your left) turn left before you pass Solomon's Porch into a parking area; keep going to the end of the parking area staying to your left.

Once you are parked, go to the Student Center and the cafeteria will be on your right once you enter the glass doors.

As a reference point to find the Student Center: once you have parked and step onto the sidewalk on the edge of the seminary campus, look for the water fountain, it is a center piece in the center of the buildings. When you are facing the fountain, with the parking lot behind you, the Student Center will be the first building on your right.
