ASBURY UNIVERSITY PROFILE

THE STATEMENT OF MISSION

Asbury University, a Christian Liberal Arts University in the Wesleyan-Holiness tradition, equips students, through academic excellence and spiritual vitality, for lifelong learning, leadership and service to the professions, society, the family and the Church, preparing them to engage their cultures and advance the cause of Christ around the world.

THE STATEMENT OF PURPOSE

Asbury University is an independent liberal arts University, providing undergraduate and graduate programs guided by the classical tradition of orthodox Christian thought. Central to this endeavor is a clear affirmation of the scriptures of the Old and New Testaments as God's infallible and authoritative word, and particularly its teaching that the world was created by God and that persons are created in the image of God. On this foundation, we seek to provide an excellent integrated educational experience that appreciates truth in all areas of life and develops whole persons for achievement and service. Whether preparing students for further advanced degree study or for professional employment, the educational programs of the University reflect a liberal arts character.

The University believes in the humanizing value of broad exposure to the Western cultural heritage, the "great tradition" as both a classical body of knowledge and a dynamic conversation on the great ideas and values that have shaped this civilization. In robust interaction with Christian faith and practice, this educational approach develops students' natural God-given potentials as rational, moral, spiritual, social, and physical beings. The University seeks to expand students' horizons outward to understand the history and value of other peoples and cultures and prepares them for involvement in a complex and changing global reality.

University life is shaped by the Wesleyan understanding of sin, grace, and the possibility of full salvation for Christ-like living. Asbury University embraces the equality, dignity, and worth of all persons and endeavors to be a campus community that reflects both the unity and diversity of the body of Christ. Asbury University fosters in students a commitment to Jesus Christ as personal Savior and to holiness of heart and life. The University sends them forth to transformatively engage the cultures in which they are called to live out their allegiance to the Kingdom of God and to participate in the cause of world redemption.

THE STATEMENT OF FAITH

Asbury University is a Christian liberal arts University which stands in the long succession of Christian orthodoxy. Although no official denominational emphasis exists at Asbury University and all may participate fully in the spiritual life of the campus, the institution maintains its commitment to an evangelical Wesleyan-Arminian perspective and requires all who affiliate with the University community to live within the guidelines of this commitment. Those basic beliefs to which Asbury University is dedicated are stated as follows:

We believe:

1. That the Scriptures of both the Old and New Testaments constitute the divinely inspired Word of God, that they are inerrant in the original writings, and that they are the final authority for truth and life.
2. That all truth is a unity since it originates in God, and that God imparts it to man through His revelation in Jesus Christ, in the Scriptures, and in nature.
3. That there is one God, eternally existing in three persons: Father, Son, and Holy Spirit.
4. That Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and is true God and true man.
5. That Jesus Christ died for our sins according to the Scriptures, that His atonement is for the whole human race, and that whosoever repents and believes through faith in Him is justified and regenerated and saved from the dominion of sin.

6. That man was created in the image of God, that man fell into sin through disobedience and "so death passed upon all men for that all have sinned" (Romans 5:12), that all human beings are born with a bent toward sinning, and in the case of those who reach moral responsibility, become sinners in need of conversion.
7. That entire sanctification is that act of divine grace, through the baptism with the Holy Spirit, by which the heart is cleansed from all sin and filled with the pure love of God. This is a definite cleansing work of grace in the heart of a believer subsequent to conversion, resulting from full consecration and faith in the cleansing merit of the blood of Jesus Christ.
8. That the Holy Spirit bears witness both to the new birth and to entire sanctification enables the Christian to live a godly life, to grow in the graces of the Spirit, and to walk blamelessly in His holy commandments.
9. That the church is the body of Christ, and that all who are united by faith to Him are its members and love one another out of pure hearts.
10. That the crucified body of the Lord was resurrected, that He ascended into heaven, and that His return will be personal and is imminent.
11. That there will be a bodily resurrection, of the just to everlasting blessedness, and of the unjust to everlasting punishment.

The institution maintains its historic Christian commitment and resists the public practice or propagation of beliefs alien to its Wesleyan Christian orthodoxy. It welcomes students though who have not come to that faith but are respectful of the institution, its mission, and its commitment.

In keeping with our rich Wesleyan-Holiness foundation and commitment, Asbury University believes firmly in the inherent equality of all persons before God, irrespective of race, gender, age, or socioeconomic reality. This equality includes salvation, full membership, participation, and leadership in Church and society (including pulpit ministry), reception & exercise of spiritual gifts, and pursuit of vocational call. Therefore, Asbury University is committed to encouraging all persons to explore, discover, and express their vocational call in obedience to God and for His glory.

THE WESLEYAN THEOLOGICAL HERITAGE

Five Biblical concepts, promoted by John Wesley and his followers, guide our mission.

1. The Nature of the Truth: We believe that all Truth is God's Truth, liberating us to pursue knowledge in any and every legitimate discipline of learning.
2. The Authority of Scripture: In pursuing Truth, we are anchored to the authority of the Bible employing reason, experience, and tradition to develop a Christian world view that unites academic excellence and spiritual vitality.
3. The Nature of Humanity: We believe that men and women are distinct beings created by God, endowed with a free will, and dependent upon God's undeserved mercy to exercise the freedom to choose and change responsibly.
4. The Importance of Purity: We believe that the Christian's deepest need is for a purity of heart and a freedom from the power of sin, which we describe as entire sanctification, in order to live pleasing to God. Sanctification is a definite cleansing experience by the Holy Spirit subsequent to conversion, and a life-long process of cleansing by the Holy Spirit gradually conforming the believer into the image of Christ. It is a process encompassing both purity and maturity.
5. The Call to Service: We believe that the primary motivation for seeking Truth is to live lives of meaningful, sacrificial service contributing to God's redemptive purposes for creation and society.

THE ASBURY HERITAGE

Asbury University was founded in 1890 as the fulfillment of a pledge the Reverend John Wesley Hughes, a Methodist evangelist, made as a student at Vanderbilt University a decade earlier. He chose Wilmore as the school's location because it was situated within his evangelistic preaching circuit and because the townspeople had shown a willingness to support the financing of the initial physical plant.

Originally named Kentucky Holiness College, the school was renamed Asbury College to honor the founder of American Methodism, Bishop Francis Asbury. He was directly responsible for the organization of Bethel Academy in the 1790's. The first of its kind west of the Allegheny Mountains, Bethel Academy was a pioneering Methodist school, located on the banks of the Kentucky River, approximately four miles south of the present Asbury University campus.

On March 5, 2010, Asbury College was renamed to Asbury University, to reflect the institution's growth and further planned expansion in its master's level programs and international markets.

Asbury opened its doors for instruction in September 1890, stating in its Bulletin that, "While we give prominence to the religious, we give equal prominence to thorough mental training; thus giving liberal culture of mind and soul." Since 1893 the University has graduated more than 16,500 men and women, among whom are University presidents, denominational leaders, business executives, medical doctors, lawyers, school administrators, and professors. A host of pastors, missionaries, evangelists, and other full-time Christian workers are also among the alumni, who have placed the Asbury imprint around the world.

Asbury University is an independent institution, held in trust by a self-perpetuating board of trustees. It is evangelical in its religious commitment, bound by its by-laws to those doctrinal standards established by John Wesley and his immediate successors. The University is not supported by any denomination nor does it receive government funds. Admission is open to any qualified student meeting its standards for matriculation.

Since its inception Asbury University has been led by sixteen presidents. Their names and dates of service are listed below.

OFFICIAL COMMUNICATION - ASBURY UNIVERSITY EMAIL ACCOUNT

The student's Asbury email is the official means of communication between students, and office representatives and faculty at Asbury University. An Asbury email account will be created for all students; the required log in identifies communications as being from the student. Students are responsible for reviewing and responding to emails in a timely manner. Students should pay close attention to email from the representatives of the offices of Registrar, Financial Aid, or Student Accounts; these are often time sensitive.

ACADEMIC CALENDAR AND CREDIT HOURS

Asbury University operates under a semester calendar. All course credit hours are in semester hours.

Definition Of Credit Hour

Asbury University has established the credit hour to be represented by minutes of guided faculty instruction and minutes of student work across all forms of instructional delivery resulting in equivalent learning opportunity.

Asbury University's definition of the credit hour observes the principles set forth in the federal definition and is the unit used in assigning course credits. Work represented in intended learning outcomes and verified by evidence of student achievement is equivalent to:

1. One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester hour of credit, or the equivalent amount of work over a different amount of time; or
2. At least an equivalent amount of work as required in point (1) of this definition for other academic activities as established by the institution, including laboratory work, internships, practicums, studio work, and other academic work leading to the award of credit hours.

PROGRAM LEVELS

[Program levels are: Traditional Undergraduate (with Asbury Academy for high school students), Adult Professional Studies, and Graduate]

- A. In order to become an Asbury University student in any program with access to class registration students must have applied, completed all admissions requirements, and been confirmed as "accepted and final" by the appropriate admissions office for that program. Students must submit all official transcripts and documents to be fully admitted.
- B. Selection of a program level determines admissions requirements, program costs, financial aid availability, and academic calendar, as well as availability of specific courses, majors, programs, and degrees.
- C. When moving from one of the four program levels to another, students must apply to and meet all the requirements for acceptance into the new program level.
- D. Students are considered "Active" in only one program level at a time. When applying to move to another program, the start and end dates of any registered classes in the current program and the future program may not overlap.

Go to the Asbury university website for admissions information for the different programs.

ACADEMIC SUPPORT SERVICES

Academic Advising

The role of the academic advisor is to aid students in the choice of courses as well as to provide general guidance. The academic advisor should normally be the person of first recourse for a student who

needs help in any area of adjustment to University life. Prior to each semester's registration, students should discuss a proposed schedule with a faculty advisor in the major to review the semester's class choices. The purpose of this personal attention is to help students make successful academic progress toward graduation.

- All undergraduate students are assigned a faculty member as an academic advisor based upon the student's major field of study.
- Traditional undergraduate students who are undecided in their major will be advised by the Coordinator of New Student Advising.
- The APS Advising Center provides a contact point for adult learners in the APS program online. All APS undergraduates, and especially those who are undecided majors, should contact the APS Advising Center as an additional resource. Email: advisingcenter@asbury.edu
- The Office of the Registrar is available to all university students for general help and advising on academics related issues.
- The Center for Academic Excellence provides additional academic support, tutoring, and academic accessibility resources. asbury.edu/academics/cae

Center for Academic Excellence

The Center for Academic Excellence (CAE), located on the lower level of Kinlaw Library, exists to support students across all academic disciplines. Traditional undergraduate degree students are offered free academic support through the Center for Academic Excellence (CAE) - writing support and tutoring services, and Academic Accessibility Resources. Fee-based tutoring is available for Academy students. Students can request tutoring and other academic support services at any time during a semester through the CAE website, asbury.edu/academics/cae or by emailing tutoring@asbury.edu.

Tutors in the Center for Academic Excellence serve their fellow students through a dynamic tutoring process. Tutors, who have mastered content-specific information about academic subjects, general academic skills, and writing, communicate this information to students at each student's level of academic preparedness, competence, and confidence. Tutors work with students to encourage immediate and lifelong goals: the ability to think and write on a college level and to impact the world for Christ. One-on-one or small-group meetings allow for Christian fellowship, encouragement, and accountability. Go to asbury.edu/academics/cae, email tutoring@asbury.edu, or call ext. 2196 for additional information.

Academic Accessibility Resources

Academic Accessibility Resources (AAR) provides reasonable academic accommodations for students with disabilities in accordance with the ADA Amendments Act of 2008 (ADAAA). AAR offers academic accommodations on a case-by-case basis depending on student self-report, past history of need, and current need of academic accommodations. Even though the AAR reserves the right to request supporting documentation for requested services, we encourage students to meet with our AAR Director as soon as possible because accommodations are not retroactive. Students who receive academic accommodations complete the same course requirements as all students, and accommodations will not interfere with the fundamental requirements or objectives of the course. Academic accommodations are meant to provide equal access to students.

Students who would like more information about receiving academic accommodations can contact the AAR Director at academicaccessibility@asbury.edu or (859) 858-5283. Disability information will remain confidential unless permission is given by the student or where disclosure is required by law. Documentation is housed in the Academic Accessibility Resources office. Documentation will be kept five years past graduation and three years past transfer or withdrawal.

ACADEMIC INTEGRITY

Academic integrity, the embodiment of the moral and spiritual principles to which we adhere, is the essential basis of the Asbury University academic community. Integrity, as partially defined by the Student or Program Handbook on Community Life Expectations, is “both knowing the right thing to do and doing it regardless of the circumstances.” This definition may be applied to all of the scholastic interactions of the academic community. Every member of the community shares responsibility for maintaining mutual trust, respect, and integrity. Violations of such trust and specific acts of academic dishonesty will be subject to disciplinary action.

Definitions of Academic Dishonesty

Academic dishonesty can be defined as any type of cheating relative to a formal academic requirement. Academic dishonesty is typically thought of first as plagiarism. Plagiarism, whether intentionally or unintentionally, occurs when credit is taken for what someone else worked hard to discover and record if there is no clarification from where or from whom information is taken. Plagiarism is the use of another’s ideas, words, thoughts, or organization without appropriate credit and documentation when used for a project, paper, presentation, or exam.

More examples of academic dishonesty include, but are not limited to: unauthorized collaborations, fabrications of data, unauthorized access to sources on an exam, excessive revision by someone other than the student, re-use of previous work without permission, and other situations described by faculty for specific purposes.

Appeals Process

Students desiring to appeal a determination of academic dishonesty will follow the ‘Academic Appeals Procedure’ found in the Probation, Suspension, and Appeals section of the Asbury University Bulletin.

Determination of Academic Dishonesty and Consequences:

Faculty will address suspected occurrences of academic dishonesty as follows:

1. The faculty member will meet with the student individually to discuss the incident. At the faculty member’s discretion, the department chair will either be notified of the meeting or be asked to be present for it. The student will be informed of the department chair’s involvement.
2. At the faculty member’s discretion the student will receive a lowered grade, an ‘F’ or 0% on the assignment in question.
3. The faculty member will report the incident in writing to the Registrar who will maintain a record of academic integrity violations.
 - a. If the incident is the student’s second offense of academic dishonesty as verified by the Registrar, the student will meet with the Dean of the college or school where the most recent incident occurred. At the Dean’s discretion, the student may be given an ‘F’ in the course.
 - b. If the incident is the student’s third offense, the student will be suspended from Asbury University.

MISSION

The mission of Asbury University, as a Christian Liberal Arts University in the Wesleyan-Holiness tradition, is to equip students, through academic excellence and spiritual vitality, for lifetime learning, leadership and service to the professions, society, the family and the Church, preparing them to engage their cultures and advance the cause of Christ around the world. Value Proposition: Academic Excellence and Spiritual Vitality.

FOUNDATIONS: LIBERAL ARTS LEARNING AT ASBURY

Asbury University's Foundations Liberal Arts Learning program organizes around five (5) key conceptual areas. Each of the five areas clearly identifies a Student Learning Outcome (SLO) crucial to the liberal arts vision and overall academic mission of the University. While each conceptual category is distinct, and supports a clearly defined learning outcome, none of categories is to be considered as isolated from the other, nor static. They are of a piece, all interconnected, inseparable, and dynamic. They invite reflection on the whole person, not on some disaggregated set of aptitudes or skills. Thus Christian faith and culture sheds light on and informs human thought and creative expression. Yet neither the religious nor the creative life unfolds in a vacuum. A person in search of knowledge, meaning, and wisdom must necessarily engage society and answer the call to public and global responsibility, while also recognizing that informed citizenship requires critical thinking, analysis, and problem solving. Social responsibility, in turn, entails a deep awareness that human persons are very obviously situated in human circumstances and communities, which must be sustained by productive learning, living, and well-being. Thus, the following conceptual framework for Foundations of Liberal Arts Learning at Asbury University is designed to highlight these intersections, to open new pathways of thought, to promote an interdisciplinary approach to liberal arts study, and, ultimately, to keep alive the enduring questions of human life and meaning:

1. Integrating Christian Faith and Culture

At Asbury University, Foundations of Liberal Arts takes shape within the context of Christian revelation. Asbury's Christian (Wesleyan) theological tradition invites students to apprehend God's revelation through scripture, reason, tradition, and experience. These common inquiries challenge students to explore the rich relationship between Christian belief and practice, between Christian theological foundations and traditions. As a crucial part of this theological education, students will use critical approaches and interpretive skills necessary to establish life-long Biblical literacy. [Courses: OT 100, NT 100, TH 250]

SLO 1: Students will demonstrate Biblical literacy and theological understanding as they inform human life.

2. Discovering Human Thought and Creative Expression

Works of literature, art, music, and philosophy raise enduring questions about humankind. This area of study will help students ask and address fundamental questions relating to humankind and the varieties of human experiences. Essential to this area of inquiry is a sustained program of reading deeply in and writing about influential thinkers—artists, poets, philosophers, and historians—who have posed questions and expressed ideas about such perennial human concerns as art and beauty, truth and goodness, history and culture, and morality and ethics. [Course areas: Composition, literature, speech, fine arts history/appreciation, philosophy]

SLO 2: Students will use aesthetic, historic, linguistic, and philosophical forms and expressions to interpret the human condition.

3. Engaging Society and Global Responsibility

For millennia humans have organized themselves in families, communities and states – for protection, to meet needs, expand material wealth and promote social wellbeing. This category attempts to understand the human experience with regard to social and political organization and the responsibility of individuals and groups to sustain and alter the social order. [Course areas: history, social science, foreign language/Cross-Cultural engagement]

SLO 3: Students will demonstrate how key concepts from the social and behavioral sciences help to identify and address real-world problems of human persons, communities, and nations, including the origin of such problems.

4. Achieving Quantitative and Critical Literacy

The modern age presents humans not just with mass society, but also with an outpouring of data about every element of that society, as well as tools that enable individuals and groups to analyze and interpret these data. Increasingly, success in the professions and in personal life will depend upon a person's ability to utilize these tools to facilitate critical thinking and problem solving. This area of inquiry will challenge students to comprehend and evaluate mathematical and statistical information, perform problem-solving operations on qualitative and quantitative data, and describe the challenges of using technology and managing information. [Course areas: math, technology]

SLO 4: The student will demonstrate critical thinking and problem solving through the interpretation and analysis of data.

5. Searching the Natural World and the Environment

Scientific discoveries in the recent era have led to an explosion of knowledge of the natural world. Though such knowledge has enabled humans to conquer diseases and to construct infrastructures that promote human well-being, the scientific era has also raised moral, ethical, religious, and environmental questions regarding human practices, habitations, circumstances, and environments. Scientific discovery and practicing the scientific method are crucial for a life of productive learning and living. Students, then, will explore foundational principles and concepts in natural science and use them in critically thinking about such related areas as personal wellness, environmental stewardship, culture formation, and moral and ethical decision making. [Course areas: natural science, health]

SLO 5: Students will use the scientific method to engage in an exploration of the natural world, including a close examination of practices that promote environmental stewardship and personal well-being.

SATISFYING THE REQUIREMENTS FOR FOUNDATIONS

1. Courses in Foundations' areas are required for all undergraduate degrees.

6. Traditional undergraduates may choose to complete an optional emphasis using an undergraduate minor for the associate of arts degree. All requirements for the minor must be complete to graduate with the emphasis. 50% of the hours/courses in any elected emphasis must be completed at Asbury.
7. Complete comprehensive examinations and assessment tests as required by individual departments and programs or the University administration.
8. Students must graduate under the requirements (Foundations, major, and minor) of the Bulletin in effect at the time of first enrollment. Note exceptions:
 - a. Students may elect to graduate under new requirements placed in effect while enrolled.
 - b. Students changing to or adding newly approved majors or minors will be expected to move all requirements (Foundations, major, and minor) to the newer bulletin.
 - c. Students who withdraw or become inactive must reenroll within two years of the last term attended to continue on the same year bulletin degree requirements. Students who reenroll after the two years become subject to all bulletin degree requirements in place at the time of reenrollment.
 - d. NOTE: Returning students may not reenroll in a degree program, major or minor that has been discontinued. Returning students in such programs must declare a current active program at the time of readmission.
9. Students must file a "Graduation Application" form in the Registrar's Office for the correct academic/commencement year of their expected graduation date by the posted deadline (generally, Oct. 15 for December graduation, and Feb. 15 for May or August graduation). Application information may be found online: www.asbury.edu/offices/registrar/graduation. If the expected graduation date must be moved to a new academic/commencement year, a new graduation application is required to be submitted by the next posted deadline.
10. Students who previously earned their associate's degree from Asbury University must reapply and be readmitted for the B.A. or B.S. degree.

Students with waivers of any Foundations or other requirements must still complete the total 60.0 credits required for graduation with an associate's degree.

Students with waivers of any Foundations or other requirements must still complete the total 124.0 credits required for graduation with a bachelor's degree.

Education majors meeting the above requirements earn the bachelor's degree, but additional requirements may be required to complete teacher certification. See details at the School of Education.

ACADEMIC RESIDENCY REQUIREMENT FOR A DEGREE

Academic Residency is the minimum number of semester hours/classes that must be completed as a student at Asbury University to be eligible to earn an Asbury University degree.

Students are expected to complete the final semesters of their degree as a student at Asbury University.

To Earn the Associate's Degree

1. Students must complete a minimum of 30 semester hours (not transfer or institutional credit) as a student at Asbury University.
2. Students must complete the final two consecutive full-time semesters (or a minimum equivalent to 24 credit hours) at Asbury University. Part time students will require more semesters at Asbury to meet this equivalent.

3. All students must complete a minimum of 12 of the final 21 credits at Asbury. If the maximum transfer limit (30 credits) has not been reached, pre-approved transfer approval may be granted to bring in no more than 9 credits from all other sources to finish degree requirements. See Academic Policies: "Transfer Credit Requirements & Limitations".
4. If finishing a minor for an emphasis, 50% of required credits/courses must be completed at Asbury.

To Earn the Bachelor's Degree

1. Students must complete a minimum of 49 semester hours (not transfer or institutional credit) as an Asbury University student.
2. Students must complete the final three consecutive full-time semesters (or a minimum equivalent to 36 credit hours) at Asbury University. Part time students will require more semesters at Asbury to meet this equivalent.
3. It is expected that students will be registered at Asbury while at senior status (having 90 or more earned credits). [Exceptions: students completing a Pre-Nursing major or Engineering Math major must meet the residency requirement in the three semesters prior to transferring off campus.]
4. All students must complete a minimum of 12 of the final 21 credits at Asbury. If the maximum transfer limit (75 credits) has not been reached, pre-approved transfer approval may be granted to bring in no more than 9 credits from all other sources to finish degree requirements. See Academic Policies: "Transfer Credit Requirements & Limitations". Exceptions: students completing a Pre-Nursing major or Engineering Math major may only transfer required major courses from nursing or engineering program.
5. 50% of all required credits/courses of all student's major(s) and minor(s) must be completed at Asbury University.

UNDERGRADUATE ACADEMIC POLICIES

Asbury University undergraduates in all programs are subject to all academic policies unless the policy is specifically labeled as unique to one particular program.

MAJORS AND MINORS

1. All students receiving a bachelor's degree must complete one major.
2. Students are not required to have a minor.
3. The major of the associate's degree is liberal arts, and a minor is optional where available.
4. Majors and minors must be officially declared to be listed on the student's record and official transcript. To declare, change, drop or add a major or a minor, students must contact the Registrar's Office or email: registrar@asbury.edu
5. Majors and minors may not be added after a student has graduated.
6. Undecided students are expected to have declared a major for the bachelor's degree by the beginning of the junior year (60 credits earned).
7. Associate degree should be declared before junior status (60 credits earned).
8. Bachelor degree students may choose to complete a second major. Each major requires 24 unique, additional credits not part of the student's other major. Freshmen are expected to complete their first semester before adding a second major or changing their original major.
9. Bachelor degree students may choose to complete up to two (2) minors. Each minor requires 12 unique, additional credits not part of the student's majors or other minors.
10. Fifty percent of the course requirements for each undergraduate major or minor must be completed as a student at Asbury University.

The requirements for graduation with any chosen major or minor are listed in this Bulletin and on the major/minor sheets which are available online: asbury.edu/offices/registrar. NOTE: *The University reserves the right to change degree requirements, major and minor requirements, and course offerings,*

as well as to cancel any course not selected by a sufficient number of students (low enrollment) at the time offered. **Fulfillment of all degree requirements is the student's responsibility.**

Majors or Minors declared on Transcript and in Commencement

All majors and minors must be officially declared in the Registrar's Office to be listed on the transcript. For any major to be listed on the student's record at the time of the commencement all must be officially declared in the Registrar's Office by February 1 of the student's commencement year for May or August graduation. For December graduation with commencement the following year all must be declared by October 15. After the deadline and/or after commencement, extra majors and minors may be dropped in order to graduate in a timely manner, but no new majors or minors may be added to cause an extension of the student's academic time and change the graduation date.

CLASSIFICATION OF STUDENTS

A. Undergraduates completing degrees (associate degrees, bachelor degrees)

- FRESHMAN: 0 – 29 credits earned.
- SOPHOMORE: 30 – 59 credits earned.
- JUNIOR: 60 – 89 credits earned.
- SENIOR: 90 or more credits earned.

B. All students taking classes which are not being applied towards a degree at Asbury University are considered Non-Degree seeking for reporting purposes, and include:

Non-degree students wishing to continue for more than two semesters, or beyond 12 semester hours, must receive regular approval from the Registrar to continue.

First-Time, Full-Time Freshmen designation

Undergraduate students who enroll full-time at Asbury University, and who have not attempted 12 credits or a full-time semester of academic credit at another college or university since graduation from high school, are designated as first-time, full-time freshmen for reporting and financial aid. This is true regardless of years since high school graduation, college credits earned during high school, or any military or non-college training since high school graduation. 'First-time, full-time freshmen' are required to provide verification of high school graduation (high school transcript, diploma, or GED). Students who are designated as first-time freshmen may simultaneously hold a higher actual grade level classification (sophomore, etc.) based on credits awarded from dual enrollment or advanced placement credit.

STUDENT FULL-TIME ENROLLMENT STATUS AND ACADEMIC LOAD

- 12 or more hours per semester is considered full-time for all undergraduates.
- 9 - 11 hours per semester is considered three-quarter time.
- 6 - 8 hours per semester is considered half-time.
- Under 6 hours per semester is considered less than half-time.
- The normal, expected academic load for degree-seeking Traditional Undergraduates is 15-17 semester hours for a fall or spring semester.
- The normal expected academic load for degree-seeking APS Undergraduates is 12-13 semester hours for a fall or spring semester.

UNDERGRADUATE TRANSFER & OTHER CREDIT SOURCES

Asbury University accepts transfer of college courses from regionally-accredited universities and college level examination credit from programs such as AP, IB, AICE, and CLEP. Asbury University also accepts a limited amount of credit (on a case-by-case evaluation basis) from some non-regionally accredited schools or other non-college sources such as military training or credit for prior learning.

GENERAL POLICIES FOR TRANSFER CREDIT

1. Asbury University transfers credit only from official documentation. Asbury University does not award credit based on any transfer, advanced or institutional credit listed as awarded on other college or university transcripts. Credit cannot be transferred from a high school transcript.
2. For college transcripts and test scores to be official for awarding transfer or advance credit they must be sent directly from the institution or testing program to Asbury University. Credit cannot be accepted from faxed, copied, emailed or hand delivered transcripts. Student-delivered transcripts or scores may be used for advising; however, they are NOT acceptable as final, official transcripts or scores for the transfer of credit.
3. Transcripts showing courses still in process are not considered final official transcripts.
4. Transfer Limits under the Residency Requirement:
 - a. For the associate's degree, 30 semester credits is the maximum total transfer from all sources combined (regionally-accredited institutions, college examination programs, and institutional credit; this 30 hours may include up to 24 credits of non-accredited/non-academic work from CPL or military credit). Student must complete at least 30 semester hours of course work at AU.
 - b. For the bachelor's degree, 75 semester credits is the maximum total transfer from all sources combined (regionally-accredited institutions, college examination programs, and institutional credit; this 75 hours may include up to 24 credits of non-accredited/non-academic work from CPL or military credit). Student must complete at least 49 semester hours of course work at AU.
 - c. For finishing degree requirements, undergraduates may transfer no more than 9 credits from any other sources after they stop attending Asbury; 12 credits of a student's final 21 required credits must be completed as a student at Asbury University.
 - d. Fifty percent of courses/credits requirements for each undergraduate major or minor must be completed as a student at Asbury University.
5. **Sources of Credit**
 - a. **College and University Transfer Credit** - Asbury University accepts official transfer from all colleges accredited by the six regional U.S. accrediting bodies. Transcripts from schools not accredited by the six regional U.S. accrediting bodies may have only limited acceptance for transfer. All non-regionally accredited institutions will be individually reviewed to evaluate rigor, content, and faculty credentials.
 - b. **Credit awarded from college examination programs (See: AP, CLEP, IB, AICE)** can only be transferred from original documentation. Asbury University does not grant credit based on advanced placement or institutional credit listed on high school transcripts or on other college or university transcripts. Credit is granted only for exams that have been determined to be equivalent to courses listed in the Asbury University course catalog. Credit from these examinations is considered equivalent to regionally-accredited college courses.
 - c. **Asbury institutional credit** sources include credit awarded for varsity sports, and placement test purchase credit in foreign languages, or horseback riding. These non-classroom credits are included when calculating transfer limits from all outside sources.
 - d. **Credit awarded from non-accredited/non-academic sources** is limited to a combined total of 24 semester credits in electives only within the maximum transfer limits for a degree. All such credit is reviewed on a case-by-case basis. These include military training, credit for prior learning (CPL), and some non-regionally accredited schools which do not meet requirements for course-

to-course transfer. All non-regionally accredited institutions will be individually reviewed to evaluate rigor, content, and faculty credentials.

COLLEGE AND UNIVERSITY TRANSFER CREDIT POLICIES

1. College courses must have posted grades of 'C' or above on the official transcript to transfer to undergraduate programs. [Grades of 'C-', 'D+', 'D', 'D-', 'E' or 'F' do not transfer.] Courses which are graded as pass-fail (grade of 'P') are not accepted for transfer without official validation that the minimum passing grade for the "P" is equivalent to 'C' or above. (Exception: Physical Activity courses can be transferred with a passing grade of 'P').
2. Grades (GPA) from college transfer courses are not transferred and are not used when determining a student's cumulative grade point average for academic progress at Asbury University.
3. Credits earned at a college or university using a quarter hour calendar when transferred will be converted to semester hour credits by a factor of 2/3 (x 0.667).
4. Courses taken more than three years prior to enrollment which involve current technology or equipment, or which must satisfy current regulating agency or state requirements may be out of date and are subject to not transfer. These courses will be reviewed case-by-case.
5. After matriculation to Asbury University, bachelor level students may not transfer more than 6 semester hours of independent study course work from another institution.

Transfer of Dual Enrollment College Credit Completed Before High School Graduation

College credit completed prior to high school graduation may be considered for transfer. The student with dual enrollment credit is still considered a first-time freshman when enrolling in first college classes after the high school graduation date.

1. Dual enrollment credit cannot be transferred from the high school transcript but must be documented on the official college transcript sent directly from the college or university.
2. The student is responsible to request their final official transcript from the college to be sent directly to the Asbury University Admissions Office. Student-delivered transcripts are not accepted as official.
3. Credits earned through Asbury University Asbury Academy while in high school are automatically counted towards later enrollment in an Asbury undergraduate degree program.
4. Credits taken more than two years prior to high school graduation may not be transferred unless the student demonstrates continued educational progress at college level.
5. All general transfer policies and limitations apply to transfer of college credit taken while in high school.

Transfer with a KCTCS Associate of Arts or Associate of Science Degree

Any student accepted into Asbury University who presents an Associate of Arts (A.A.) or Associate of Science (A.S.) degree awarded by one of the Kentucky Community and Technical College System schools [*This agreement does not apply to a KCTCS associate of applied science (A.A.S.) degree.*] will be deemed to have satisfied the Asbury University Foundations requirements with the exception of the Bible/Theology courses, NT 100, OT 100, and TH 250 (9 credits), and the Foreign Language, 201 level, for the degrees that require it. After all eligible courses are transferred, student is allowed to waive remaining Foundations requirements. Any Foundations course which is also required for a major or minor cannot be waived. **Students with waivers of any Foundations requirements must still meet the minimum credits required for graduation in the degree.** Asbury University does not guarantee transfer of all credit hours earned in the KCTCS degree but evaluates specific courses by regular transfer restrictions. Asbury will not transfer credits for courses which have grades below 'C', or are remedial, or are usually not accepted in transfer. 50% of Asbury major or minor requirements must be completed as a student at Asbury University.

Pre-Approved College Transfer Credit for Current Undergraduates

- Students currently enrolled in an undergraduate program desiring to earn additional credits at another institution to apply toward a degree at Asbury University must receive pre-approval from the Registrar at Asbury prior to enrolling elsewhere.
- The University is not obliged to transfer courses for which prior approval has not been secured.
- To request pre-approval the student must provide the Registrar's Office with the name and city/state of the school, as well as specific course prefix, number and title for the other school's courses to have these reviewed for transfer.

Pre-Approved Transfer Course Policies

1. Students should complete pre-approved transfer courses prior to their final 12 credits or final full time semester after which no more than 9 credits can be approved for transfer. [See Academic Residency Requirements].
2. The maximum pre-approved transfer credits that can be taken elsewhere during a fall or spring semester is usually one class, 3-4 credits, for traditional undergraduates; two classes, 6 credits, for APS undergraduates. Traditional undergraduates may take up to 9 credits during summer term.
3. Courses must be taken through a regionally-accredited institution.
4. Pre-approved transfer courses must meet all college transfer policies to transfer to Asbury.
5. Foundations courses and needed elective credits are the best candidates for pre-approved transfer credit. Departmental approval may be required to take major/minor courses elsewhere.
6. Students are advised not to take an overload of courses (Asbury + other school) over 19 credit hours for traditional undergraduates for a fall or spring semester, and not over 21 credits for APS undergraduates.
7. Pre-approved courses registered at another institution do not count toward the student's full-time status for financial aid purposes at Asbury.
8. The student must be eligible to register and continue at Asbury for a letter of good standing to be issued. A minimum Asbury GPA of 2.00 is expected.
9. The student must not have reached the transfer credit limit for their program and degree (prior to or during enrollment at Asbury) from all combined sources (regionally-accredited institutions, College Examination Programs, CPL credit, military credit, non- regionally accredited schools, and institutional credit).
10. The student is responsible to request a final transcript be sent from the other school immediately upon completion of the course/s. An official transcript must be mailed directly to the Asbury University Registrar's Office. Student delivered transcripts are not accepted as official.
11. Seniors cannot graduate until official transcripts for pre-approved transfer courses have been received and processed to meet degree requirements.

CREDIT FROM COLLEGE EXAMINATION PROGRAMS

Incoming undergraduate students may be granted academic credit for specific Asbury University courses on the basis of tests administered by the following College Examination Programs: College Board Advanced Placement Program (**AP**), College Level Examination Program (**CLEP**), International Baccalaureate (**IB**), and the Cambridge Advanced International Certificate of Education (**AICE**). Credit from AP, CLEP, IB, and AICE is included with regionally-accredited college transfer as part of the maximum 75 hours limit for credit allowed from all outside sources.

1. As part of the admission process, student should arrange to have original documents for AP, CLEP, IB, and/or AICE scores and grade reports sent directly to Asbury University.
2. Asbury University grants credit for AP, CLEP, IB, and AICE only on the basis of original documentation from the examination program. Asbury University does not grant examination credit for institutional credit listed on another college or university, or on high school transcripts.
3. Student score reports directly from the student are not considered official.

4. Asbury University grants equivalent credit in AP, CLEP, IB, and AICE only for current courses listed in the Asbury University course catalog. No elective credit will be awarded.

(AICE) Cambridge Advanced International Certificate of Education: Asbury University recognizes the Cambridge AICE program and may grant credit on a course-by-course basis to students with appropriate scores of A-E on these examinations. Credit is awarded for A and AS levels. Students with AICE foreign language must also take the Asbury University language placement exam to determine final credit awarded.

INSTITUTIONAL PLACEMENT CREDIT

Foreign Language Credit -Traditional Undergraduates Only

A degree seeking traditional undergraduate who takes the institutionally administered language placement exam and places out of specific Foundations language courses may “purchase” the credit value of those courses at Asbury University.

This credit purchase option is only available for languages offered at Asbury University: French, Spanish, Chinese, Latin, Greek, and Hebrew. Courses which may be “purchased” are: 101, 102, 201 and the fourth semester course (202 or 291) as listed for the language. (Total of 3.0 to 12.0 credits)

Requirements and procedures:

1. Take the proficiency examination given by the Department of Ancient & Modern Languages and receive a score qualifying for advanced placement.
2. Take a higher level course in the same language at Asbury University as indicated by placement test.
3. Earn at least a ‘C-’ in that first Asbury University language course. If this is not achieved, the student may follow the repeat course policy.
4. Contact the Ancient & Modern Languages Department Office for the official application form to purchase language credits. Submit completed application for language credit to the Registrar’s Office.
5. A processing fee of \$20.00 per credit received for any eligible language courses will be posted to the student’s account when the application is processed by the Registrar’s Office.

Horseback Riding Credit - Traditional Undergraduates Only

Degree-seeking Equine Studies majors or minors may place out of horseback riding and can “purchase” academic credit for EQ 130, Horseback Riding I, and/or EQ 131, Horseback Riding II, (Total 2.0 credits) by meeting the following requirements:

1. Take the necessary departmental proficiency examination and receive a score qualifying for institutional placement.
2. Complete EQ 251 (Horse Training) with a grade of ‘C-’ or above.
3. Receive final approval and documentation form from the chair of the Science & Health Department.
4. Submit the form for Horseback Riding Credit Purchase to the Registrar's Office.
5. A \$20.00 per credit processing fee will be posted to the student's account when the application is processed by the Registrar's Office.
6. These credits apply only to the Equine Studies major/minor. Purchased horseback riding credit DOES NOT satisfy Foundations physical education (PE) activity requirement.

CREDIT FROM NON-ACCREDITED OR NON-ACADEMIC SOURCES

Credit awarded from non-accredited/non-academic sources is limited to a combined total of 24 semester credits in electives only within the maximum transfer limits for a degree. All such credit is reviewed on a case-by-case basis. These include military training, credit for prior learning (CPL), and some non-regionally accredited schools which do not meet requirements for course-to-course transfer. All non-regionally accredited institutions will be individually reviewed to evaluate rigor, content, and faculty credentials.

Credit From Military Training For Undergraduates

Undergraduate level students may receive elective credits from military training through the American Council on Education (ACE) transcript. Student must request an official copy of their (ACE) military transcript be sent directly to Asbury University. Military credit is included in the non-academic sources 24 credit transfer limit. In the traditional undergraduate program documented basic training completion can satisfy required PED 100 and PE 111.

Credit For Prior Learning (CPL) - Adult Professional Studies Undergraduates Only

Students entering the APS degree completion program may earn credit towards graduation through Credit for Prior Learning (CPL). Asbury University will consider submitted CPL documentation, but is not obligated to accept credit for prior learning. Credit for Prior Learning (CPL) is included in the non-academic sources 24 credit transfer limit. CPL may be based on a variety of different sources including, but not limited to, military training (separate from the ACE military transcript evaluation), workshops, seminars, self-study, non-credit classes, training programs, courses taken through non-accredited institutions, and work experience completed prior to attending Asbury University.

1. APS students wishing to apply for CPL credit will be expected to meet with an academic advisor during their first semester of attendance to review the [CPL](#) procedures and expectations before beginning an application for CPL credit.
2. The student will coordinate the Credit for Prior Learning process with the Adult Professional Studies Program Director.
3. The University evaluates appropriate units for the student's actual learning (not just the experience) from the submitted sources. Asbury University will reference the criteria recommended by the American Council on Education (ACE) and the Council for Adult and Experiential Learning (CAEL) when evaluating student submissions for credit.
4. All documentation must be submitted, and the review completed before the student's final year at Asbury, preferably before the student reaches senior status (90.0 credits earned).
5. The assembled documentation is reviewed by the Dean of Adult & Online Learning. The Dean may require further review by additional faculty members or area experts based on the type of prior learning requested.

6. If CPL credit is approved the Dean shall submit a CPL credit form with recommendation letter to the Registrar for processing.
7. The University assesses a Portfolio Evaluation Fee based on requested credits at the following rates:
 - 1-9 credits \$30.00 per credit
 - 10-19 credits \$300.00 flat fee
 - 20-24 credits \$600.00 flat feeStudents are assessed the appropriate CPL fee based upon the amount of requested credit, regardless of whether credit is granted.

CLASS REGISTRATION PROCEDURES

It is the student's responsibility to verify the accuracy of their class schedule on the student portal (portal.asbury.edu) prior to the Drop/Add deadline for the term, and to make any necessary schedule adjustments before this deadline.

- All attendees of a course (student or auditor) are to be officially registered and on the class roster.
- Students will be expected to attend the classes on their schedule as of the close of Drop/Add (and only those classes) and will be billed and graded accordingly.
- Students will NOT receive a grade or credit for courses in which they are not properly registered.
- Courses may not be registered or added to the schedule after the fact.

NOTE: Asbury University reserves the right to change course offerings, and to cancel any course not elected by a sufficient number of students at the time offered.

REGISTRATION CHANGES DURING THE OFFICIAL DROP/ADD PERIOD

1. The Drop/Add period is specific to each program. The official Drop/Add periods and the dates of the Last Day to Drop or Add a class for each program are listed in the academic calendars (Traditional Undergrad, APS, and Graduate) found at the front of this Bulletin.
2. Classes must be registered before end of the official Drop/Add period published for the program.
3. Classes starting on a date after the official drop/add period closes may only be withdrawn or exchanged.
4. A student can unregister a class during the official Drop/Add period via online registration on the student portal and will have the course cancelled and will not be charged for that particular course.
5. *If the student wishes to completely withdraw from all courses at the institution any time after the first day of classes, please see 'Withdrawal from the University' to completely withdraw.*
6. No class can be unregistered after the Drop/Add deadline. After the Official Drop/Add period the class can be withdrawn with a grade of 'W' up to the deadline for withdrawing a class. Withdrawing from a class must be officially completed through the Registrar's Office. See Academic Policies 'Withdrawal from A Class after the Drop/Add period' below for official process.
7. Students in the APS program which has classes scheduled to start after the drop/add period ends may be allowed to exchange later classes (for the same credit amount), or add a later class, **BEFORE THE CLASS START DATE**, at the discretion of the Registrar.
8. Students in the APS program who wish to drop/withdraw from a modular course that meets early in the term but retain a modular course that meets later in the term, even dropping during the drop/add period, must contact financial aid to ensure continuation of aid.
9. **NOTE:** Changing enrollment status from full-time to three-quarter time, half-time, or less when unregistering or withdrawing a course will impact financial aid eligibility. It is the student's responsibility to contact financial aid to see if any change in registration will affect aid.

Registered Credit Hours Restrictions

- All undergraduate Students with a GPA below 2.75 and all first semester students may not register for more than 17 hours in a fall or spring semester.
- Traditional undergraduates are not permitted to take more than 19 hours in a fall or spring semester.

- Traditional undergraduate students are not permitted to take more than one (1) PE activity course in any one semester. - Traditional undergraduate summer registration is limited to 9 hours. If online classes are included see "Online Registration Limits" for traditional undergraduates below.
- APS undergraduate students are not permitted to take more than 21 hours in their longer fall or spring semester.

Online Course Registration Limits - For Traditional Undergraduates Only [TUG]

WITHDRAWING FROM A CLASS AFTER THE DROP/ADD PERIOD

The Drop/Add periods / last dates to drop a class are listed in the program calendars.

1. A student must contact the Registrar's Office to withdraw from any class.

- a. Email registrar@asbury.edu
 - b. The instructor cannot withdraw the student. Notifying the instructor or advisor does not constitute an official withdrawal from a class.
 - c. A student who stops attending a class without giving official withdrawal notice to the Registrar's Office will remain registered and receive a grade of 'F' at the end of the course.
 - d. The official date of withdrawing the class is determined by the student's date of notification to the Registrar's Office.
2. Students must withdraw before the Last day to withdraw without an 'F' set for their program and class session. The official **Last Date to Withdraw from the class sessions** for each program is listed in the academic calendars (Traditional Undergrad, APS, or Graduate) found at the front of this Bulletin. For classes with start and end dates that do not follow the official class sessions or modules listed in the calendar, the last date to withdraw without a grade of F is before the two-thirds point of the class. After the last date to withdraw or after two-thirds of the class sessions have passed, the student must receive the earned grade for the class.
 3. Once a class ends or a grade is recorded the class may not be withdrawn.
 4. **Any full-time student or any international student wishing to withdraw a class that leaves them completing less than full-time hours must be cleared by the Registrar prior to withdrawal. Students completing below full-time hours may have their financial aid reduced, and should, therefore, check with financial aid before making the decision to withdraw the course.**
 5. A grade of 'W' is recorded on the transcript for any withdrawn course. The course will not factor into the calculation of the GPA but will factor into satisfactory progress for financial aid.
 6. Students receive no refund of tuition and fees for an individual course which is withdrawn after the official Drop/Add date unless completely withdrawing from all courses at the institution.
 7. Students may not unregister/cancel enrollment in a class after the Drop/Add period for the class has passed. The class and hours remain on the schedule as part of their original registered hours for billing and financial aid.
 - a. Classes that have started can only be withdrawn after the drop/add period has ended.
 - b. Modular classes which have not yet started, but which will start after the official drop/add period, can be withdrawn, but may be exchanged for another class that has not yet started.

8. Students in programs with modular classes who wish to withdraw from the beginning or middle modular courses but continue with a class later in a semester should contact financial aid to insure continuation of aid in classes that follow the withdrawn class.

WITHDRAWAL FROM THE UNIVERSITY

1. A student may completely withdraw from the University any time before the end of their final class period of the semester.
2. **To completely withdraw from the University a student must complete the appropriate form with the Office of the Registrar.**
3. The official date of withdrawal is determined by the student's date of notification to the Registrar's Office.
4. A student who officially withdraws from the University after the end of the Drop/Add period is assigned the grade of 'W' in all scheduled courses in the current term which are in process or are still scheduled to start. The student will keep any final grades that were posted for classes that finished prior to the withdrawal date.
5. Courses registered for the next or future terms will be unregistered. Withdrawing may affect future financial aid.
6. Tuition reduction in charges percentages for a student who withdraws from the University are described in the FEES AND EXPENSES > STUDENT ACCOUNTS section of the Bulletin. See also FINANCIAL AID REFUNDS.
7. Students who withdraw from the University are no longer Asbury University students and therefore a letter of good standing cannot be issued to another institution.
8. All students who withdraw from the University in a fall or spring semester **must re-apply and be readmitted to register for any subsequent semester - even the next immediate semester.**
9. Students who withdraw or become inactive must reenroll within two years of the last term attended to continue on the same year bulletin degree requirements. Students who reenroll after the two years become subject to all bulletin degree requirements in place at the time of reenrollment. NOTE: Returning students may not reenroll in a degree program, major or minor that has been discontinued. Returning students in such programs must declare a current active program at the time of readmission. See "*Associate Degree Requirements*" and "*Bachelor Degree Requirements*".

ADMINISTRATIVE WITHDRAWAL

A student can be involuntarily withdrawn for academic reasons, including failure to act like a student, financial or administrative reasons, and for violation of regulations (disciplinary reasons).

NON-RETURNING STUDENTS

Students who know they do not plan to return for the next regular semester (Fall or Spring) are asked to inform the Office of the Registrar of this fact. The Registrar's Office will inform the other campus offices of the student's decision not to return.

OTHER REGISTRATION PROCEDURES

REGISTERING TO REPEAT A COURSE

Registering to repeat a course requires assistance from the Registrar's Office. [See 'Repeat Course Policy under Grades section.]

REGISTERING FOR CONTRACT COURSES

Contract courses are defined as all non-classroom instruction for which credit is given including, but not limited to: Independent Studies, Directed Studies, Practicum, and Internships. Any course where the course description indicates 'Contract Course' will follow these procedures:

GENERAL CONTRACT COURSE PROCEDURES

1. All contract courses are subject to the same policies as regular classroom courses with reference to Drop/Add dates, term dates, course start and end dates, tuition charges, and grading deadlines. Once set, contract course dates may not be altered.
2. All contract courses require an appropriately approved contract created between student and instructor. The Non-classroom Course Contract form is available in the Registrar's Office.
3. The Contract form requires the signatures of the student, the instructor of record, the advisor(s), the department chair, and the dean of the appropriate college/school prior to submission to the Registrar's Office. It is the student's responsibility to secure these signatures.
4. To register for a contract course, the student must submit a fully approved contract form to the Registrar's Office by the Drop/Add deadline for the term.

Independent Study and Directed Study/Course

1. **Independent Study** is individualized study on a topic of interest beyond the content of regular course offerings. Requires a minimum of 1 – 3 meetings with instructor during the semester. [Registered with course numbers ___ 391/491]
2. There are two forms of **Directed Instruction**:
 - a. **Directed Study** - a faculty-directed study on a topic of interest beyond the content of regular course offerings. Requires a minimum of 50 minutes per week with instructor during the semester. [Registered with course numbers ___ 392/492]
 - b. **Directed Course** - a faculty-directed individualized offering of a regular course that is not available in a semester using the course's regular syllabus. Requires a minimum of 50 minutes per week with instructor during the semester. [Registered with the Asbury University Catalog course number, and '*drs' in course title.] The following factors will govern the approval decisions which will be made by the Department Chair and Dean: validity of need (i.e. required for graduation), inability to substitute an appropriate available course, availability of a teacher, and the student's ability and willingness to meet the demands of directed study.

Independent/Directed Study Requirements and Limitations:

- All students seeking to take independent/directed study must have a minimum 60 earned credit hours and a cumulative 2.75 grade point average.
- A student may not take more than 3 semester hours of independent/directed study outside the major or minor in any one semester.
- All 300 level independent/directed studies presume at least 12 semester hours of classroom instruction completed in the same prefix as a pre-requisite.
- All 400 level independent/directed studies presume at least 18 semester hours of classroom instruction completed in the same prefix as a pre-requisite.
- No more than 9 hours in independent/directed studies may be used for electives to satisfy the 124 degree total, and no more than 6 hours of these may be in any one prefix.
- Each department may set additional pre-requisites, may limit the number of credit hours that can meet requirements, and may set additional requirements for use of independent or directed study in their department.

Internships/Field Experiences/Practicums

Internships and many practicums are set up on an individual basis, and therefore, require a Non-classroom Course Contract form to register for credit. These courses involve time spent in practical experiences and are required in several major or minor programs. [Internships typically use course number ___ 435]

- Internship/field experiences/practicum courses are subject to the same policies as regular classroom courses with reference to Drop/Add dates, tuition charges, and grading deadlines.
- Students should work with their advisor and department chair to establish an internship's requirements in work hours, the work location, and required documentation for grading.

- Students are required to register for an internship/practicum during the academic term within which the internship activity will end and the grades will be expected.

REQUESTING TO AUDIT A COURSE

A full-time degree-seeking student may request to audit one class free of the audit charge within their regular full-time semester but will be responsible for applicable course fees. The cost to audit a course for less than full-time degree students and non-degree students is \$40 per credit hour, plus any applicable course fees.

1. Prior to auditing any course a person must have applied and been admitted through one of the Program Admission Offices.
2. Requests to audit a class must be made to the Registrar's Office before the end of the program's Drop/Add period. Students cannot request to change a class registration from credit to audit (or from audit to credit) after the Drop/Add period ends.
3. Auditors may not be approved for all courses. The Registrar's Office will seek instructor approval to add an auditor after regular enrollment is completed. Priority seating is given to for-credit students.
4. No more than one course may be audited by degree-seeking students per semester. Non-degree students may audit more than one class.
5. AUDIT LIMITATIONS:
 - a. Only lecture type, on-campus courses may be audited.
 - b. Online courses may not be audited.
 - c. "Activity" courses may not be audited. Activity courses are classes which require use of equipment, horses or materials, or which require actual full participation such as, but not limited to, laboratories, computer programming, adventure or physical education, internships, and studio art.
6. Neither class discussion nor taking of examinations is expected or permitted for auditors except by special arrangement with the instructor.
7. If an auditor submits daily assignments, the instructor is not obligated to read or correct them.
8. No credit hours or quality points shall be awarded for courses audited. Courses completed as audit may not be converted to credit at a later time.
9. All audited classes receive the satisfactory audit grade of "AU". If an auditor fails to attend enough class sessions to receive the "AU" grade, the class will be removed from the student's schedule.

MAKING COURSE EXCHANGES

Students in the programs that have modular classes which start later in the term may use the option to exchange future courses which have not yet begun.

1. The exchange must occur prior to the start date of both courses involved.
2. Both courses involved in the exchange must be worth the same number of credits.
3. Students must contact the Registrar's Office to make this adjustment to their official registration.
4. Students may only attend courses for which they are officially registered and on the class roster.

REGISTERING FOR GRADUATE LEVEL COURSES AS AN UNDERGRADUATE

Qualified undergraduate seniors who demonstrate outstanding scholastic ability may be permitted by the graduate program to enroll for a graduate course (500-level) simultaneously with undergraduate courses. Specific graduate programs may have stricter regulations. The following stipulations apply:

1. Student must be classified as a senior (90.0 credit hours) when taking a 500-level course.
2. Student must have a 3.00 cumulative GPA.
3. Student must have satisfied all prerequisites for the graduate course. [Completion of pre-requisites for enrollment in graduate courses will be monitored by the Graduate School admissions advisor.]
4. No more than one graduate course may be taken at a time.
5. Student may take up to 9 credits at the 500-level during the undergraduate senior year prior to completing the bachelor's degree. Note: Specific graduate programs may have stricter limitations on number of pre-graduation credits allowed.

6. A 500-level graduate course may not count in the major in both the bachelor's degree and in the master's degree. A 500-level course that is to be reserved for the master's program may not be used for undergraduate elective credit to reach the 124.0 credit requirement.
7. The 500-level course must earn a grade of 'B' or better in the undergraduate registration to be eligible to transfer to the graduate program.
8. A graduate level course recorded on the academic transcript in one program (undergraduate) may be transferred and used only in one additional program (graduate), provided the course meets all other transfer conditions and degree requirements.
9. The GPA of graduate courses taken at the undergraduate level does not transfer to or add to the graduate program GPA.

REGISTERING FOR AFFILIATE COURSES & OTHER OFF CAMPUS PROGRAMS

For Traditional Undergraduates Only

An affiliate course is a class offered at another school with which Asbury University has a cooperative agreement. Asbury students gain visiting-student admission to the cooperative institution to register for designated classes, and the classes are also registered at Asbury University for purposes of financial aid and tuition. Affiliate courses are predetermined to meet Asbury University program requirements.

1. Students must first be approved by Asbury University before registering for an affiliate course. Students should consult with their advisor for information on the procedure. Approval is granted by the academic department or office over the program.
2. Process for registration varies by program. The student may be required to complete an application at the cooperative school for admission as a visiting student.

Current programs with cooperative classes:

EMA courses for Engineering Mathematics major – See Mathematics Department

AMS or AFS courses – See ROTC

- For the course to be added to the Asbury registration, and included in the credits and tuition for the semester, verification of enrollment in the cooperative class at the other school must be provided to the Registrar's Office either by the student or the overseeing department. Students may be asked to provide a copy of their class schedule and tuition bill from the cooperative school showing the classes for which they have registered.
- In most cases, student will pay the tuition to Asbury at the usual rate for the credits enrolled. Through the cooperation agreement, Asbury University arranges to transfer payment of tuition for the class at the other institution. If tuition at the cooperative institution is higher than Asbury tuition, student will be charged that amount. Student is responsible to pay any required course fees at the cooperative institution associated with the course.
- Unless otherwise arranged as part of the cooperative program, the student is required to request an official transcript from the cooperative institution to be sent directly to Asbury University Registrar for the course grade to be entered on the record at Asbury. Any applicable fees associated with transcript requests are the responsibility of the student. If transcripts are not requested and received by 60 days after the close of the term, all cooperative course grades left 'in-process' may revert to withdrawn, 'W'.

OFF-CAMPUS PROGRAM REGISTRATION AND STUDY ABROAD COURSES - Traditional Undergraduates Only

Asbury University offers traditional undergraduate students the opportunity to participate in a variety of off-campus, semester long programs both within the United States and abroad. Students register for credit at Asbury, but study off campus through specific programs. See the Global Engagement Office > Off Campus Study in the bulletin under Intercultural Affairs for procedures and requirements to register for off campus study programs: www.asbury.edu/offices/global-engagement-office/study-abroad-off-campus-program

PASS/FAIL GRADING OPTION - Traditional Undergraduate Class Registration Only

Eligible Students

- Students who are enrolled as non-degree seeking and will not transfer the course to a degree-seeking program may request to take a graded class for a pass/fail grade.
- Not open to Asbury Academy.
- Students who are degree seeking with senior standing (90+ hours or more) in a traditional undergraduate program with a cumulative grade point average of at least 3.25 may take up to 4 credit hours per semester of general elective credit on a pass/fail basis. These courses for pass/fail option may not be in the department of the student's major or minor and may not be used to meet any Foundations, major, or minor requirement.

Registration and Grading

1. The decision to take a course pass/fail must be made by the end of the Drop/Add period and may not be subsequently changed.
2. Pass/Fail Grading Option registration must be requested through the Registrar's Office.
3. The pass/fail student will be identified to the faculty member. The student must meet the same requirements as other students enrolled in the course. This is not an audit.
4. A grade of 'C' or higher is required to pass with a grade of 'P'. Failing to receive a grade of 'C' or higher will result in earning the lower grade of 'C-', 'D', or 'F'.
5. A grade of 'P' does not affect the GPA. A grade of 'C-', 'D' or 'F' does affect the GPA.

SENIOR CITIZEN TUITION WAIVER - Traditional Undergraduate Class Registration Only

- Students enrolled in the traditional undergraduate program who are at least 62 years of age and who are U.S. citizens may receive a waiver of tuition for a maximum of 4.0 credits of on campus courses per academic semester (including summer). This does not apply to APS or Graduate registrations.
- The following stipulations apply: (1) The waiver includes only tuition and does not apply to course fees or other fees; (2) To audit a class: all rules and Audit Limitations listed above apply, but the \$40 per credit hour audit cost is waived; (3) To take a class for credit: all pre-requisites and requirements must be met; (4) Housing must be secured off campus.
- Senior citizens auditing classes are not required to submit final official transcripts for admission as an auditor. Those taking courses for credit are required to submit all final official transcripts as part of the admission process.
- Senior Citizens follow all regular registration procedures and deadlines.

CLASS ATTENDANCE

In order to assure maximum benefit from class instruction, it is important for students to attend class and complete readings and assignments. Instructors will explain to students at the beginning of each course their attendance expectations and grading policies with respect to absences from class sessions. Students are personally responsible for class attendance, including punctuality, participation, collegiality, etc. Instructors will report excessive absences to the Registrar's Office to allow the university time to determine if the school can render any assistance that can aid in the student's academic success.

OFFICIAL EXCUSED ABSENCES

- Excused absences may be granted in the case of: (a) hospitalization or serious illness (as determined by a physician), (b) Asbury University approved group event or travel, (c) death or serious illness of family member, or (d) other unusual circumstance.
- A student may request an excused absence within 3 weeks of the absence and prior to the last class date in order for the Registrar to issue an excused absence (with permission to make up work) to be presented to the instructor. Documentation may be required.

- Decisions regarding absences resulting from such circumstances as travel difficulties, bad weather, issues with technology, conflicting schedules, oversleeping, minor sickness, doctor or dentist appointments, job interviews/responsibilities, discretionary trips (such as weddings), and family responsibilities will be left to the discretion of the instructor.
- Students may not be penalized for any absence approved by the Registrar's Office, but it is the responsibility of the student to notify the professor(s) of the absence in a timely manner, to arrange make-up work, and submit missed assignments and/or exams.

CHAPEL REQUIREMENTS

For Traditional Undergraduates Only

In the Traditional Undergraduate program, Asbury University operates on a policy of required chapel attendance for all degree seeking students (associate and bachelor). Attendance records are kept from the first chapel with punctual and regular attendance expected. Students are expected to keep track of their own chapel attendance and to be familiar with the attendance policy.

CHAPEL ATTENDANCE POLICY

1. Chapel meets Monday, Wednesday, and Friday at 10:00 a.m. in Hughes Auditorium. Students are counted present only when sitting in their assigned seats by 10 AM for the duration of chapel. If a student is present, but incorrectly marked absent, an appeal may be submitted for consideration within 7 days following receipt of absence notification. The appeal is submitted to the Chapel Attendance Coordinator in Student Development in Fletcher Early.
2. Permission to sit out of an assigned seat – for any reason – is reserved for students in good standing and will only be granted at the discretion of authorized Chapel Attendance staff. Permission must be secured from the Chapel Attendance Coordinator in Fletcher Early, PRIOR to that chapel. Students should not approach chapel checkers or the Chaplain at the beginning of chapel for permission to sit elsewhere. A special area is designated for students with family guests or other visitors.
3. **Eight unexcused chapel absences per semester** are permitted for full-time students. (Full-time status is based on student's registered hours at the end of Drop/Add. Any later course withdrawal or change in registered hours may not change the chapel attendance requirement for the remainder of the semester.) Students are advised to **save their allowable unexcused absences** for such unexpected or unforeseen situations as travel difficulties, bad weather, conflicting schedules, oversleeping, minor sickness, doctor or dentist appointments, job interviews & graduate school interviews, discretionary obligations (such as weddings), and family responsibilities. (These are all examples of unexcused absences, while item #4 describes cases which may be excused.)
4. In the case of: (a) hospitalization or serious illness (as determined by a physician), (b) institutionally approved group event or travel, (c) death or serious illness of family member, (d) university-related obligation, or (e) other unusual circumstances, a student may petition Chapel Attendance to have such absences excused. This petition to Chapel Attendance should be placed within 7 days of returning to class.
5. Disruptive or disrespectful behavior such as tardiness, studying in chapel, sleeping, excessive use of an electronic device, ear buds, etc. – will merit a mark against your attendance – from 1/3 to a full absence. This includes breaking the standards for appropriate dress in chapel – no baseball caps, hoods, shorts, pajamas, or other inappropriate dress.

SPECIAL CONSIDERATIONS

1. Part-time students will have a reduced requirement based on their number of academic hours. (This will be based on the registered academic hours at the close of Drop/Add. Any later course withdrawal or change in registered hours may not change the chapel attendance requirement for the remainder of the semester.)

2. Students who are parents of young children living at home may be granted a reduction of their chapel attendance requirement, which could change a full-time student from 8 unexcused absences to 15 absences. Forms for this purpose are available at www.asbury.edu/chapel and must be submitted prior to the start of the semester to ChapelAttendance@asbury.edu.
3. Students with unusual circumstances (e.g., student teaching, internships, work, etc.) may submit a Request for Special Consideration. Forms for this purpose are available at www.asbury.edu/chapel and must be submitted prior to the start of the semester to ChapelAttendance@asbury.edu. Approval for exemption for internships and student teaching will be contingent upon a letter/email from a faculty supervising your internship.

CHAPEL GRADUATION REQUIREMENTS

1. All students who are required to attend chapel will be registered for CH 021 for zero credit hours. Students will receive a 'P' (passing grade) by meeting the chapel attendance requirements satisfactorily or an 'N' (not passing grade) if they do not attend the appropriate number of chapels and/or fail to comply with Chapel policy. This will appear on a student's transcript as a part of their permanent record.
2. Any student who earns an 'N' will (at a minimum) be placed on **Chapel Probation** for the following semester, which will exclude the student from participating in sports, student leadership, etc., as well as possibly affecting eligibility for certain scholarships. Any student who earns a grade of 'N' for two semesters may be suspended from the University for one semester.
3. A student who flagrantly violates the chapel attendance policy with more than 14 unexcused absences may be suspended from the University for one semester without a period of probation. ("Flagrantly" is defined here not only in terms of total unexcused absences, but also in failure to address the problem.)
4. A student who is placed on Chapel Suspension may appeal to be allowed to register and return. See APPEALS section below under Probation, Suspension and Appeals for procedure for suspension appeals.
5. **In order to graduate**, seniors must have a passing grade in their final semester with a chapel requirement (i.e. cannot have a grade of 'N' as their final grade in chapel). Any seniors who do not meet this requirement will be notified by the Registrar that they are ineligible to graduate. Additional remediation (such as papers or reviews) may be assigned to the student by the Campus Chaplain in order to meet the chapel attendance requirement prior to graduating. The Registrar must receive a passing chapel grade from the Chaplain in order for the student to graduate.

GRADES

EXAMINATIONS – FINALS

All assignments are to be due by and all examinations must be given by the posted last date of the class. Posted class end dates may not be extended. No final examination or academic activity can be scheduled after the class end date.

On campus traditional undergraduate classes will have a final examination day and time scheduled during the last week of the posted class dates. No examinations (including final exams) or tests should be given the week prior to the final examination week. Students must take final examinations within the official final examination period as designated. To apply for a change of examination time within the final examination week, students should contact their instructors and the chair of the department over the course in question.

Online undergraduate classes (TUG and APS) typically schedule the final examination in the last few days of the class, prior to the course end date.

GRADE SCALE

The grades which are assigned to student performance in a particular course are listed below with their respective quality point values. Scholastic standing is defined as the ratio of total quality points to the total semester hour credits attempted, excluding transfer hours and non-graded credit hours (credit in a credit/no-credit course). For each hour of graded credit, quality points are assigned as follows:

Grade	Description	Quality Points
A	Excellent	4.00
A-		3.70
B+		3.30
B	Good	3.00
B-		2.70
C+		2.30
C	Average	2.00
C-		1.70
D	Passing	1.00
F	Failure	0.00
FN	*Unearned F	0.00

**[‘FN’ – The grade of ‘FN’ is awarded to a student who ceased attendance/participation and consequently failed to complete the course objectives. The FN grade is an internal grade and appears as F on transcripts.]*

‘F’ – The grade of ‘F’ is awarded for a student who completed the class but failed in accordance with syllabus standards, whether due to academic performance or irregular attendance/participation.]

The following grades are not counted in the calculation of the grade point average.

I	Incomplete
W	Withdrew
P	Passing credit/no credit course
N	Not passing credit/no credit course
AU	Course set to an Audit (0.00 credit)

GRADING TIMEFRAME

Grades are issued no later than one week after the last day of a class. All assignments are to be due by and all examinations must be given by the posted last date of the class. Posted class end dates may not be extended. No final examination or academic activity can be scheduled after the class end date.

Any perceived grade discrepancies should be reported to the course instructor. Grade changes must be reported by the instructor to the Registrar’s Office in writing within 30 days of the posting of the grade.

CHANGE OF A GRADE

Final course grades may be changed only in the case of miscalculation of points. Re-evaluation of a student’s work or late submission of work by a student is not normal grounds for changing a final course grade. Within 30 days of posting a final grade an instructor may change a final course grade by filing the appropriate form with the Registrar. This change must be submitted by the instructor and approved by the responsible department chair. After 30 days of posting a final grade an instructor desiring to change the grade must seek approval of the responsible dean over their department and file such a request with the Academic Dean. Decisions of the Academic Dean will be considered final. After the 30 day change of grade period, and after graduation has been posted, all grades are final and permanent.

INCOMPLETE GRADE

1. A temporary grade of incomplete (‘I’) may be granted by the Dean of the appropriate college/school where the course resides. An incomplete may be granted, at the instructor’s recommendation, due to extenuating circumstances that interrupt the semester, such as medical crisis or equipment breakdown. Quality of work or failure to meet deadlines is not a criterion for an incomplete and will not be granted on such basis. A student seeking an incomplete in more than one course may only be

- granted by the Academic Dean. The end date of a course may not be extended outside of an approved incomplete.
2. Students anticipating the need for an incomplete should communicate with their instructor prior to the end date of the course. The instructor will determine if an incomplete is warranted and if so, will contact the appropriate Dean of the college/school prior to the completion of the course to obtain approval. Once approved by the appropriate Dean, the faculty member submits the incomplete request to the Registrar.
 3. An incomplete cannot be initiated after the course's end date. Once an incomplete is granted the student is informed of the incomplete. It is then the student's responsibility to contact the instructor and make satisfactory arrangements to complete the outstanding work. A student who receives an 'I' grade must complete the work within 60 days of the course's end date. Once an incomplete is granted, a student may not request to withdraw from the incomplete. A final grade of 'F' will be recorded for students who do not complete the outstanding work by the deadline.

REPEAT COURSE GRADING POLICY

1. Registering to repeat a course requires assistance from the Registrar's Office.
2. Students in all undergraduate programs may repeat twice any course in which a grade of 'C-', 'D' or 'F' was received at Asbury University.
3. The course must be repeated at Asbury University with a course deemed equivalent by the Registrar's Office.
4. The higher earned grade in any repeated course will count in the computation of the cumulative grade point average.
5. Credit hours in repeated courses will count only once academically. Financial Aid will count the both course attempts in total attempted credits for financial aid calculations.
6. Repeated courses will be indicated as such on the permanent record.
7. A Graduate level course taken as an undergraduate student counts for grade and GPA only on the undergraduate transcript. Therefore courses taken in the Graduate program, including repeats of graduate courses taken as an undergraduate, will not affect the undergraduate GPA.
8. Repeat of a course taken at Asbury University prior to computer records (Fall 1991) will not affect the cumulative Grade Point Average. Credit for the repeated course will count only once academically. Student may need to take more than the required 124 credits.

HONORS AND COMMENCEMENT ELIGIBILITY

UNDERGRADUATE TERM HONORS IN SCHOLARSHIP

Dean's List: "Dean's List" is noted on the semester grade record and the transcript of all students who have passed a minimum of 12 graded (not pass/fail) semester hours with a grade point average of 3.50 or higher. A student with fewer than 12 hours of graded work is ineligible for this notation.

UNDERGRADUATE GRADUATION HONORS

Students completing a Bachelor's degree graduate with:

- Cum Laude (honors) with cumulative GPA of 3.5 to 3.79;
- Magna Cum laude (high honors) with cumulative GPA of 3.8 to 3.96;
- Summa Cum Laude (highest honors) with cumulative GPA of 3.97.

To be eligible for graduation honors a student must have earned a minimum 62 semester hours of graded (not pass/fail) course work at Asbury University. Transfer credit and credit/no credit hours are not counted in calculating GPA. Students who have completed less than 62 graded hours at Asbury, but who meet the GPA standing for honors listed above, will graduate with "honorable mention".

The final actual honors earned upon degree completion will be posted on the graduate's transcript.

However, when the May commencement list is formed in February, spring classes are still in progress. Calculation of honors for commencement participants is based on the posted cumulative GPA totals on a student's academic record as of the last completed course at the posted graduation application deadline (February 15). Courses in-progress do not factor into the cumulative GPA and are therefore not included in the honors calculation for the commencement ceremony. However, in-progress course hours (current spring semester) are counted when determining the total graded hours at Asbury toward the minimum 62 hours required for the commencement ceremony honors.

COMMENCEMENT PROCEDURE AND ELIGIBILITY

Graduation Application

All students who are in the final year of completing a degree must complete the graduation application by the stated deadline. Graduation Application information may be found online:

www.asbury.edu/offices/registrar/graduation

For each degree, all candidates must be listed in an annual commencement program to be officially recognized for the conferring of the degree.

Application Deadlines

- To graduate in December and be listed in commencement the following May (required - regardless of commencement attendance), the graduation application deadline is October 15.
- To graduate in May or August and be listed in May Commencement of the same year (required - regardless of commencement attendance), the graduation application deadline is February 15.
- In the Traditional Undergraduate program - to be listed in commencement in spring prior to attending in fall as a student teacher to graduate the following December (required - regardless of commencement attendance), the graduation application deadline is February 15 prior to the fall. Only approved traditional undergraduate student teachers may walk in commencement prior to finishing in a fall semester (see eligibility requirements for this option below in the next section).
- If the expected graduation date must be moved to a new academic/commencement year, a new graduation application is required to be submitted by the next posted deadline.

Final decisions regarding commencement eligibility for the annual May Commencement are made each year on February 15 based on remaining graduation requirements, commencement eligibility criteria listed below, and the information provided by the student on the graduation application.

Eligibility Criteria for Degree Candidates to Graduate & be listed in Commencement

[Please refer to the Undergraduate Degree Requirements sections for the graduation requirements.]

To be listed in the annual May Commencement a student must meet the following criteria:

1. Have a cumulative GPA of at least 2.00.
2. Students must file a "Graduation Application" form in the Registrar's Office for the correct academic/commencement year of their expected graduation date by the posted deadline listed above. Application information may be found online: www.asbury.edu/offices/registrar/graduation.
3. If the expected graduation date must be moved to a new academic/commencement year, a new graduation application is required to be submitted by the next posted deadline.
4. Will have completed, or have approved course plans to complete, all requirements for a degree by one of the following:
 - A. Have already completed ALL degree requirements and graduated end of the previous December.
 - B. Are enrolled in the current spring semester for ALL remaining requirements which will be completed by the May commencement.
 - C. Will have no more than 9 required semester hours remaining to complete after the May Commencement date by one of the following.
 - 1) The 9 hours may be registered at Asbury University to be completed in the regular summer term after the May Commencement. (Traditional Undergraduates)
 - 2) The 9 hours may be registered at Asbury University to be completed in the remainder of the current spring semester after the May Commencement. (APS)

- 3) The 9 hours may be courses approved by the Registrar to be completed during the summer at another institution after the May Commencement.
 - 4) A combination of any of these methods may not exceed 9 semester hours to be completed after the May Commencement.
 - 5) If any of these remaining 9 semester hours are not available in the summer requiring the student to return in the fall, the student's commencement eligibility will be delayed until the next May.
 - 6) NOTE: To include any credit source towards lowering the remaining requirements to the 9 maximum for commencement eligibility, all documentation, final transcripts, and test scores must be received by the Registrar's Office before February 15 of the commencement year to be counted in commencement eligibility.
- D. Traditional Undergraduate Education major early commencement option when scheduled to student teach in the following fall semester and
- 1) Registered for all other requirements to be completed by the May Commencement date with only the student teaching requirement remaining to complete after the May commencement.
 - 2) Have no more than 7 semester hours to be completed after the May Commencement date. Student must be able to register for these remaining hours at Asbury University as part of the regular summer term. NOTE: Taking courses at other institutions after the May Commencement, but before fall student teaching, may prevent the early commencement option.

Ordering Commencement Ceremony Regalia

Ordering commencement regalia is part of the graduation application process. Undergraduate commencement cap & gown are ordered at no extra charge, for the purchase is covered by student activity fees.

REQUESTING AN OFFICIAL TRANSCRIPT

1. Transcripts of a student's academic record are issued by the Office of the Registrar.
2. Currently enrolled students may request a paper copy of their official transcripts free of charge through the Office of the Registrar.
3. Students no longer enrolled at Asbury University may request official transcripts online through the National Student Clearinghouse, www.getmytranscript.com. (a fee is required). Go to www.asbury.edu/offices/registrar/transcripts for more transcript request information.
4. A request for a transcript must bear the actual signature of the individual whose permanent record is involved. If the name is only typed or printed, the request will not be honored. Telephone requests will not be accepted. This policy is in compliance with the Family Educational Rights and Privacy Act of 1974 (Buckley Amendment).
5. Unofficial transcripts may be accessed by currently enrolled students (free of charge) on the student portal.

NOTE: Diplomas and official transcripts will be released only after all financial obligations to the university are paid.

ACADEMIC STANDARDS, PROBATION & SUSPENSION

ACADEMIC RESTRICTIONS FOR PARTICIPATION IN UNIVERSITY ACTIVITIES

A student in Academic Probation or Chapel Probation or returning first semester after Suspension may not:

- a) Participate in inter-collegiate competition (athletic or other)
- b) Participate in public programs (on or off campus) given by any Asbury University department, organization, or class (unless such participation is a clear academic course requirement)

Also, in order to hold a student body office, a student must have a minimum cumulative grade point average of 2.50. For a class office, the GPA requirement is 2.25.

ACADEMIC STANDARDS FOR ALL UNDERGRADUATES [TUG, ACAD, APS]

The Registrar's Office has the responsibility to monitor academic progress for all students enrolled in the University. The **Undergraduate Academic Progress Scale** is as follows:

Hours Attempted	Cumulative GPA
1 – 24	1.70
25 – 37	1.80
38 – 59	1.90
60 or more	2.00

[NOTE: Financial Aid eligibility will include withdrawn hours. See, 'Academic Progress and Financial Aid'.]

1. An undergraduate academic progress scale outlines the expected grade point average for a student to remain in good academic standing based on the total number of credits attempted. Students who fail to meet the scale are subject to academic probation and/or academic suspension. (Traditional residential undergraduate students are also expected to be in accord with the chapel attendance requirement or be subject to chapel probation or suspension.)
2. Some specific major programs within the University require a higher minimum grade point average to be admitted or to remain enrolled in those programs. Each academic department having a higher GPA requirement is responsible to monitor the progress of students enrolled in the program and to notify students of any problems related to the requirement, including the possibility that the student may be dropped from the program.
3. At the end of each semester (including summer), the academic progress of all students is reviewed. Incomplete grades will be taken into consideration, but calculations for probation begin as soon as final grades are entered during the semester. Decisions are not made until the official end of the semester. *[Note: The Ministry Management-Nonprofit Management program has a specific, yearly timing for probation review which is outlined in the Special APS Programs section of this Bulletin.]*
4. A student who does not meet the minimal standards of the academic progress scale at the end of the review semester will be placed on academic probation for the next semester and may be required to attend an academic support class (UNV205/305). The student is expected to remedy the probation in their subsequent semester.
5. Undergraduate students in Non-Degree-Seeking programs (High School Academy, Auditor, the Non-Degree Seeking major) with less than 9 attempted hours in a semester are exempt from probation policy (withdrawn hours are not counted)
6. The academic progress toward the completion of a degree requires the meeting of minimal standards both in semester hours completed (withdrawn hours are not counted), in term grade point average, and in cumulative grade point average.
7. A student who earns a grade point average of 1.0 (D average) or below in a single semester at Asbury University is subject to academic probation and may be subject to suspension at the end of that semester without a period of academic probation.

8. During the fall or spring semester any student who does not pass at least 67% of hours attempted in a semester (withdrawn hours excluded from calculation) will be placed on academic probation without respect to cumulative grade point average. A student in this category who does not pass 67% of semester hours attempted during the probationary semester may be subject to academic suspension. This policy does not apply to summer term registration. **[NOTE: Financial Aid eligibility does take into account withdrawn hours. See, 'Academic Progress and Financial Aid'.]**
9. The student is expected to remedy the probation in their subsequent semester. The probationary academic standing may be cleared only with grade points earned at Asbury University. Transfer credits are not used in calculating GPA.
10. Any students who does not meet the standards of the academic progress scale at the end of the probationary semester will be subject to academic suspension for a period of one semester (not counting summer).
11. The academically suspended student is ineligible for re-admission to Asbury University until one semester has elapsed (not including summer). A student who has been dismissed for academic reasons may apply for readmission for any semester following the suspended semester.
12. A student who has been readmitted following a period of academic suspension, will remain eligible for continuing as long as his/her GPA for each semester is 2.30 or better while carrying a minimum of 12 semester hours, even though his/her cumulative standing may be below the academic progress scale. Students re-admitted in this category may not enroll for more than 14 semester hours until they achieve satisfactory standing and may be required to attend an academic support class (UNV205/305). If permission to enroll is granted, the student's status will be become "academic probation".

[NOTE: Financial Aid requirements vary from Academic requirements. Students may be cleared academically to register, but not be eligible for financial aid.]

COLLEGE OF ARTS, HUMANITIES & SOCIAL SCIENCES

Dr. Stephen Clements, Dean

Dr. Daniel Strait, Associate Dean

The departments within the College of Arts, Humanities & Social Sciences span numerous traditional academic disciplines that celebrate human intellectual explorations and cultural expressions. From the visual and performing arts, to modern and pre-modern languages, to literary studies, theological and philosophical studies, historical inquiry, and to systematic analysis of human societies, our faculty seek to understand how human persons and communities have understood themselves and sought to flourish over time. Indeed, Faculty in the College of Arts, Humanities & Social Sciences believe that a rigorous exploration of the enduring questions about human life and culture, informed by a Wesleyan understanding of human nature and grace, provides the strongest foundation possible for successful experiences in the professions, society, the family, and the church. All of our courses from psychology to English to intercultural studies are taught within a structure that promotes the integration of faith and learning.

ANCIENT & MODERN LANGUAGES DEPARTMENT

Randy R. Richardson, Chair

All humans possess the gift of language, and true comprehension of this fundamental aspect of ourselves is not easily achieved by the monolingual. Greatly enhanced understanding of ourselves - our thought processes, our linguistic abilities, our culture - and of those who are unlike us comes through the study of another language. We are richer, more capable persons if we develop the ability to understand and communicate with those in another linguistic and cultural setting. We are better prepared to understand the world and to respond to life's changing opportunities if we break free from some of the limitations that ethnocentricity and monolingualism tend to impose on any people. The Scriptures, classical texts, and modern works of literature and thought are better understood in the original language and with knowledge of the cultures that produced them. Living cultures and individuals are better understood and closer relations are established if the language barrier is down.

Modern transportation and communication technologies are bringing the world to us and taking us to the world. International business, scholarship, travel, government work, missionary activity, Christian and other organizations, all bring us into contact with speakers of other languages. Today's instant communication bring to us the documents of the world - past and present - and offer us the possibility of real-time contact with individuals we would never have encountered in the past.

In light of these facts, Asbury University maintains its commitment to foreign language study as a vital part of a liberal arts education. The Ancient & Modern Language Department offers six languages which may be used to fulfill the core foreign language requirement: Chinese, French, Greek, Hebrew, Latin and Spanish. We offer majors in Ancient Languages, French, and Spanish. There are teaching majors in French, Latin, and Spanish, and students may minor in Biblical Languages, Classical Languages, French, Greek, Latin, and Spanish. These programs offer opportunities for students to acquire practical language skills, scholarly tools, and understanding of the literatures, cultures, and linguistic distinctives of the languages studied.

ART & DESIGN DEPARTMENT

Keith A. Barker, M.F.A., Chair

The department offers a wide variety of courses to enrich the student's understanding and appreciation of art and design. Our mission is to help students create, advocate and appreciate art by valuing creativity and intellectual thinking. Majors in Art & Design and Art Education (P-12) are offered for students who want to consider a career in any number of visual art and art-related fields, through the study and practice of Art. Beyond that, a major in Pre-Art Therapy prepares students seeking a certification in Art Therapy through an accredited graduate program elsewhere.

Asbury University offers areas of concentration in Art History, Ceramics, Drawing, Graphic Design, Painting, Photography & Digital Imaging, and Sculpture.

Minors are offered in Art & Design, Art History, Graphic Design, and Photography & Digital Imaging.

Students who are considering Art & Design, Art Education or Pre-Art Therapy as a major should include in their freshman year schedule (or as early as possible) Creativity Core courses beginning with ART 110, 111, 112, 123. In subsequent semesters the following should be taken in sequence: ART 231, 254, 292, and 396. Remaining choices for their Concept Core courses should be taken in either the sophomore or junior years if possible, depending on their progress and considered in light of their choice of concentration area. Art minor students should also follow the number sequence.

During the spring of sophomore year, all Art & Design students take ART292 Working in the Visual Arts in which, among other things, they are paired with a Senior to help mount an exhibition. During this course, students must also create a career plan, and submit a portfolio for review by the art faculty for evaluation of progress, and guidance. ART396 Contemporary Art Seminar is typically taken spring semester of the Junior year and involves experiencing art first-hand in a major city's (i.e. New York, Chicago, D.C.) galleries and museums. Spring review is repeated in the junior year to plan the location and dates for the capstone Senior Art Thesis to take place in the subsequent year. Upper-level students hone their vision through ART450 Advanced Art Practice, choosing and refining their area of concentration. The Senior Seminar ART475 must be taken in the Fall of the Senior Year. All Art & Design majors must exhibit art work or formally present scholarly research findings (in the case of Art History concentration students) during the senior year through ART477, Senior Art Thesis.

CHRISTIAN STUDIES & PHILOSOPHY DEPARTMENT

Dr. Christopher Bounds, Chair

Fulfilling the Great Commission requires active intellectual life, strong leadership, and the ability to engage the world's cultures in a time of ever-increasing diversity and change. With this calling in mind, our Department seeks to deepen students' understanding of the Christian faith and shape their worldview in ways that are rooted in Scripture, theology, and philosophy. Recognizing the deep connection between faith and practice, faculty use classroom and experiential learning contexts to prepare students for effective ministry in a wide range of callings. As part of a full-orbed liberal arts education, the majors supported by the Department are thus designed to prepare students for service in the church, the academy, society, and throughout the world.

BIBLE AND THEOLOGY PROGRAM

The Bible and Theology Program offers an in-depth exploration of biblical content and theology. The major prepares men and women for vocational ministry and theological scholarship.

- A. The **Pre-seminary concentration** equips students for seminary and graduate level education. Men and women in this program have opportunity to develop the writing and research skills necessary to succeed in graduate school and ultimately to serve in pastoral and other leadership roles in church and society.
- B. The **Pre-ministry concentration** seeks to prepare men and women for ministry immediately following college. These students take courses, among others, in preaching, pastoral theology, biblical interpretation, and Christian Ministries in order to be as equipped as possible to enter some types of ministry without further seminary education.

Each of these tracks emphasizes biblical content and background, theological understanding, and exegetical skills. Both facilitate interpreting the Bible in its historical, cultural context and the ability to apply biblical principles to ministry in everyday life. In addition to studying individual books of the Old and New Testaments, students explore the rich historical and theological legacy of the Church and its implications for today.

As part of our goals for our students, the department provides opportunities for study abroad and cross-cultural experiences. In recent years our faculty members have sponsored study-tours to Greece, Turkey, and Israel. Some of our students have spent a semester in Israel earning course credit in biblical history and archaeology.

CHRISTIAN MINISTRIES PROGRAM

The Christian Ministries Program offers opportunity to increase understanding and thoughtful participation in the work of the church, with particular focus on the educational, discipleship, and missional components of that work. Majors demonstrate special concern for exploring ways to meet spiritual needs, from a Biblical perspective, as they exist individually and socially in various cultures.

A core of courses anchors students in Biblical/theological studies, including basic understandings of the Church and its mission in the world, in foundational practices of Bible study and other spiritual disciplines, and in experiences leading to effective ministry. Each program requires students to participate in a ministry internship. Students may major in Christian Ministries, Missions, or Youth Ministry; minors are also available in each of these areas. The department's Resource Center makes a wide variety of materials available for student study, as well as for applied ministry.

The **Christian Ministries Major** prepares students for leadership in the disciple-making and teaching ministry of the church and parachurch. Preparation is supported through study of human developmental patterns and ministry approaches throughout the life cycle. A concern for organizational leadership and curricular resources contributing to spiritual formation is reflected in course offerings. Experiential learning occurs throughout the program.

The **Intercultural Studies Major** (formerly Missions) prepares students for cross-cultural ministry in an international setting or among ethnic groups in the United States. This program seeks to equip students with knowledge and understanding of the issues of intercultural interaction in general and cross-cultural communication of the Christian gospel in particular. Using a multidisciplinary approach, students learn to analyze intercultural problems, work within the arena of cultural diversity, and form the conceptual framework and practical skills needed for effective cross-cultural communication and ministry. Students complete a core of classes, then select one of three areas of concentration to complete the major:

Cross-cultural Ministry prepares students to work within church and para-church settings; **Social Justice** equips students to engage in ministry among the poor, the oppressed, and the abused; **Business as Mission** provides a new mission tool for reaching the unreached world through an integration of spiritual and social concerns with the purpose of addressing needs of the least resourced peoples of the world.

The **Pastoral Ministries Major** prepares students to serve as a pastor or staff minister in a variety of local church and parachurch settings. This program combines classical foundational studies in Biblical interpretation, Church history, and theology with practical ministry courses in leadership, pastoral formation, preaching, worship, Christian education, evangelism, counseling and contextualization. This degree is designed to meet the educational requirements for ordination in some denominations and provides a solid practical foundation for those planning to immediately go into church ministry or for those preparing for seminary.

The **Youth Ministry Major** prepares students for leadership roles in ministry with adolescents in church and parachurch. Rooted in theological reflection and the study and understanding of the unique developmental journey of youth, this major equips students for evaluating various models of ministry with adolescents and developing their own consistent approach. A focus on teaching and mentoring youth is supported by study and practice in evangelism, discipleship, counseling, recreation, and assessment of cultural systems and influences that affect youth, with a goal of guiding youth to Christian maturity and participation in the Church's ministry.

PHILOSOPHY PROGRAM

The purpose of the Philosophy Program is to acquaint the student with the field of philosophy, including its relevance to the formation of a Christian worldview. In this process, philosophy becomes an important element in preparation for both meaningful vocation and general intellectual life.

The curriculum in philosophy acquaints the student with the history of philosophy, the world's great philosophers, basic schools of thought, key areas of philosophy, and the classic questions in the field. In addition to the information conveyed in the curriculum, philosophy at Asbury seeks to develop key cognitive skills in the student: clear thinking, analysis, logical argumentation, critique. Beyond the level of skill acquisition, the curriculum is also designed to nurture the higher intellectual functions of understanding and valuing, which have traditionally been associated with wisdom.

Philosophy serves as an attractive major or minor as well as an enriching elective for any other field of study. As an undergraduate major, philosophy serves as a basis for graduate work in philosophical, theological, or divinity programs. A student can also major in philosophy in order to do graduate work in other fields, provided that he or she has done the necessary preparation in that other field. Philosophy is a beneficial second major as well, since it equips the student with cognitive skills and expands his or her understanding. As a minor, philosophy fits well with any major, since it is flexible and provides additional insight into one's first major and into intellectual issues more broadly. Simply taking some philosophy courses as electives helps the student in pursuing intellectual interests outside his or her major field.

Some career options open to philosophy majors are law, medicine, business, politics, government service, journalism, and writing. Historically, only philosophy majors score 5% or more above the mean on these important exams: LSAT, GMAT, GRE Verbal, and GRE Quantitative. Philosophy majors as a group have a higher mean score on the GRE Verbal than students in any other major. Surveys of

medical schools indicate that philosophy is the preferred major for applicants who are otherwise qualified in chemistry and biology.

Philosophy is essential to being a truly educated person -- that is, to being a person who understands our cultural heritage, sees life holistically, discerns and critiques the assumptions of competing world views, and acts upon principle. This kind of education lays a ground work for success in any career because it enhances one's ability to deal with a wide variety of ideas and perspectives represented among different people, to solve complex problems, and to articulate a vision.

ENGLISH DEPARTMENT

Dr. Charles Gobin, Chair

The Department of English has a central role in Asbury University's objective of the integration of faith and learning. Fundamental to the growth of any student is the ability to communicate effectively in oral and written forms.

Additionally, instructors endeavor to encourage student appreciation for literature as an aesthetic discipline affirming humanity's quest for increased knowledge of itself and its world. Literature is a witness to the full gamut of human needs, joys, longings, and conflicts and thus serves as a witness to the spiritual dimension within mankind. Concurrently, the Department seeks to assist students in developing a Christian worldview through an integration of historical and Biblical perspectives that, in turn, foster a more cogent articulation of a Christian value system to the modern world.

C. S. LEWIS UNDERGRADUATE STUDY PROGRAM

The C. S. Lewis Study Undergraduate Study Center at Asbury University offers three courses devoted to the thought and writings of Lewis as well as other lectures and events open to the entire student body. The classes are PHL 251 Philosophy of C. S. Lewis, ENG 423 C. S. Lewis and the Oxford Circle, and ENG 391 Independent Study (which may focus on additional writings of Lewis). The program offers C. S. Lewis Scholarships on a competitive basis to incoming freshmen. (Dr. Devin Brown, Director)

MUSIC DEPARTMENT

Dr. Mark Schell, Chair

1. The Bachelor of Science in Education, Integrated Music P-12 prepares students for positions as teachers of vocal, general, and/or instrumental music in the public and private schools.
2. Within the Bachelor of Arts in Music, five emphases are offered: Church Music Leadership, Composition/Arranging, Performance, Music History, and Pre-Music Therapy. Students may choose one of these, may minor in some subject outside music, or may use general electives to complete the degree requirements without an area of emphasis.

The faculty of the Music Department is committed to helping students gain a high level of performance proficiency, a firm theoretical and historical foundation, a solid preparation for a music career and a fusion of Christian faith and practice with the students' musical pursuits.

Students accepted into the Music Department as a major or minor fulfill requirements listed both here and in the "Music Department Student Handbook", which functions as a comprehensive addendum to this Bulletin.

ENTRANCE AND AUDITION PROCEDURES

All students who wish to major or minor in music must have the approval of the music faculty, based on an entering performance audition. A student who successfully passes the entrance audition will be admitted to the music program through the sophomore level, at which time a second audition will determine eligibility for upperclassman standing. A student may also enter the program with a probationary standing. A student is removed from musical probation on the recommendation of his/her Area Coordinator and the Chairman of the Music Department after receiving a minimum of a B average in the semester jury examination combined with a minimum of a B average in the semester grade given by the private lesson instructor. A student may remain in the music degree program on musical probation for no more than two semesters.

Audition Requirements

Auditions on campus are generally held during prospective student visit weekends. Applicants may also submit a video audition (DVD or online). Audition requests may be submitted online at this website: <http://www.asbury.edu/academics/departments/music/auditions-scholarships> . Students who desire consideration for Music Performance Scholarships (which are available to future music majors, music minors, and other musically gifted students as well) must complete a successful musical performance audition, and must complete the application for a Music Performance Scholarship found on this web page: <http://www.asbury.edu/academics/departments/music/auditions-scholarships> .

The audition process for each specific vocal/instrumental type is described below.

A. Instrumental Auditions

i. Wind and Stringed Instruments:

Students should be prepared to perform major and minor scales through four sharps and four flats, a chromatic scale covering the entire range of the instrument, and selected solos representing at least two styles of music (e.g.: Baroque, Classic, Romantic, Twentieth Century, or technical and lyrical styles). Students will also perform a simple sight-reading exercise.

ii. Percussion Instruments:

Percussion students should be prepared to perform major scales through three flats and three sharps on bells, marimba or xylophone. Students with snare and/or timpani experience should also be prepared to demonstrate rudiments and/or timpani tuning and basic technique. Percussionists will also play two solos or solo movements demonstrating contrasting musical styles.

B. Organ Auditions

Students who wish to be admitted to the study of organ may or may not have had previous training on the instrument. For those who have had private organ studies, two contrasting pieces of repertoire from the following collections are suggested: Eight Little Preludes and Fugues by J.S. Bach (Krebs); Ten Trios by Josef Rheinberger, and Eleven Chorale Preludes by Johannes Brahms. Those who have little or no organ study should demonstrate proficiency on the piano in at least two stylistic periods (e.g.: Baroque, Classic, Romantic, Twentieth Century) with levels of difficulty equal to the following: a two-part invention by J.S. Bach; any standard sonata by Mozart, Haydn, or Beethoven; a waltz by Chopin; a piano composition by a modern composer such as Bartok or Kabalevsky.

C. Piano Auditions

Students should be prepared to sight-read a short piece, play several major scales (hands together, four octaves), and perform two pieces representing literature from two stylistic periods. The literature should either equal or exceed the level of challenge of works listed here: 1) Baroque--J. S. Bach, Two-Part Invention, No. 13, in A Minor; 2) Classic--Beethoven, Sonata in C Minor, Op. 13, movement III; 3) Romantic--Brahms, Rhapsody in G Minor, Op. 79, No. 2; 4) Twentieth- Century--Debussy, Arabesque No. 1 in E Major. Other appropriate literature might be found in anthologies, such as the following: 1) Agay, Denes, ed. Early Advanced Classics to Moderns, Volume 47, New York: Consolidated Music Publishers, 1969; 2) Bigler, Carole; and Lloyd-Watts, Valery, ed. Recital Winners, Volume Two, Van Nuys, CA: Alfred, 1993; 3) Olson, Lynn Freeman, Applause, Book Two, Van Nuys, CA: Alfred, 1986.

D. Vocal Auditions

Prospective students performing a vocal audition sing two selections – one in English and a second item in a foreign language. For scholarship consideration, the two songs should present contrasting styles of classical-tradition art songs from the Baroque, Classic, Romantic, and/or Twentieth-Century periods of music history. An accompanist will be provided for on-campus vocal auditions, though a student may bring his or her own accompanist if desired. (Recorded accompaniments are not acceptable.) Following the prepared solos, vocalists should also be prepared for two short sight-singing demonstrations.

Students who wish to submit a video audition will be asked to provide contact information for an accompanist or other music mentor who would be willing to administer the sight-singing portion of the video audition after the solo songs have been recorded.

GENERAL MUSIC INFORMATION

Non-Music Majors: Students not majoring in music are encouraged to enroll in music courses and to participate in the choral and instrumental ensembles. They may also take private lessons and other music courses with the department.

Ensembles

Primary ensembles at Asbury are those that exist in support of the degree requirements for music majors and minors. The Asbury University Orchestra is the primary performing ensemble for students whose instrumental area of study is an orchestral stringed instrument. The Concert Band is the primary performing ensemble for students whose instrument is a wind or percussion instrument. The Chorale is the primary performing ensemble for students whose major instrument is voice. Primary Ensembles are not specified for majors and minors who study other instruments; however, those students must meet ensemble credit requirements. Such additional ensembles as Handbell Choir, Jazz Ensemble, Men's Glee Club, and Women's Choir also meet ensemble requirements for music majors, minors, and students who receive Music Performance Scholarships. Students must not only register for an ensemble but also meet that ensemble's membership requirements in order to participate. All ensembles, however, are open for participation by all students whether or not they are pursuing a major or minor in music.

Music majors, for whom a primary ensemble is required, must participate in that primary ensemble for the first 75% of the total ensemble semesters required for the degree. For example, majors who are required to receive 8 semesters of credit for an ensemble (MUS) must register for at least 6 semesters in Concert Band, Chorale or Orchestra, as defined above. Majors who are required to receive 7 semesters of credit for an ensemble (MUSE) must register for at least 6 semesters in Concert Band, Chorale or Orchestra, as defined above. Music minors, who are required to receive 4 semesters of credit for an ensemble, register for at least 3 semesters in Concert Band, Chorale or Orchestra, as defined above.

In some circumstances, a major or minor may be permitted to have an auxiliary ensemble count toward a primary ensemble requirement. All exceptions, however, must be recommended by the advisor to the Area Coordinator, and then presented to the music faculty for approval.

Depending upon such factors as student interest, faculty loads, budget, etc., the Music Department also offers a wide variety of other ensembles to enrich the musical life of the University and to offer additional performing experiences for students of all majors. The various instrumental chamber ensembles are offered for credit under the title of "Collegium Musicum" and may include such diverse offerings as Brass Ensemble, Flute Choir, Guitar Ensemble, Handbell Duets/Trios/Quartets, Percussion Ensemble, String Ensemble, Trumpet Choir, Woodwind Ensemble, etc.

Further information about Asbury University Music Ensembles may be found on our website: <http://www.asbury.edu/academics/departments/music/music-ensembles>.

RECITALS

Recital Requirement: All music majors must present a recital of high caliber in accordance with music department standards. These standards are found in the "Recital Requirements & Guidelines" document on the Music Department's website (www.asbury.edu/academics/departments/music/music-home/current-student-forms).

Recital Attendance: All music majors and minors are required to attend a minimum number of recitals. Students with majors in the Music degree program must pass eight semesters of recital attendance. Students in the Education, Integrated Music P-12 degree program must pass seven semesters, because the student teaching semester is exempt. Those in the Music Minor program must pass four semesters of recital attendance. Transfer music majors will be required to enroll in RCT 041 every semester.

Language Requirement: French and German are the languages of music; therefore these are the recommended languages for the Music majors. Music Education majors are exempt from the language requirement.

PIANO REQUIREMENTS FOR ALL MUSIC MAJORS

1. Non-keyboard music majors must enroll in Functional Piano (151, 152, & 251) concurrently with the freshman and sophomore music theory courses; this enrollment in Functional Piano must continue without interruption until all required courses have been passed.
2. Keyboard music majors are required to take: PNO 161, 162, 261, 262. (Church music keyboard majors take PNO 130 instead of PNO 261, 262).
3. No student will be permitted either to register for student teaching or to request a senior recital hearing until he/she passes all Functional Piano requirements.

PRIVATE LESSONS

Private music lessons are available on piano, organ, voice, handbells, all orchestral and band instruments, and guitar. A private lesson fee per credit is charged in addition to tuition credit. Students should register for private lessons using INS 999, ORG 999, PNO 999, or the appropriate VOC number.

Vocal Lessons

Vocal faculty in the Asbury University Music Department approach the training of the singing voice primarily through repertoire and methodology associated with classical vocal study. Though students may bring in items of vocal literature for consideration by their voice teacher, the standard content, repertoire and methodology for voice lessons is determined by the teacher within the guidelines described for the various vocal lesson tracks. In the first semester of vocal study, at the discretion of the teacher, students may be given an optional assignment in place of the performance requirement, allowing a longer period to develop vocal technique in preparation for singing before an audience. Students with Opera or Musical Theatre roles may, if approved by and channeled through the private instructor, make prior request for evaluations during these performances, enabling them to fulfill part or all of the performance requirements for the semester. All voice lesson courses may be repeated. Students without prior training first take VOC 100 or VOC 104 as a pre-requisite to voice lessons.

Juries and Public Performance Requirement: Music majors and minors participate in a jury exam for private instrument or vocal study at the end of each semester of required private lessons. The evaluation of the non-music major receiving private instruction can be an examination, a jury, or a studio or student recital performance. In addition, music majors and minors have an annual public performance requirement. Departmental recital performances in the last four weeks of the semester, or any public recital for which credit is taken, may substitute for either the entire jury examination or for part of the jury.

PSYCHOLOGY DEPARTMENT

Dr. Paul Nesselrode, Chair

PSYCHOLOGY

The Psychology Department presents mainstream scientific psychological information and theories and intentionally evaluates this content from a distinctly Christian perspective. As we model in our academic program, we prepare and expect students to integrate psychology and their faith both professionally and personally.

Within this integrative approach, the Psychology program has established the following goals.

1. The program will provide students with an overall knowledge of psychology, including, but not limited to, motivation, emotion, intelligence, health, social behavior, learning, physiological studies, sensation, perception, consciousness, development, memory, thinking, personality, psychological disorders, and psychotherapy.
2. The program will prepare students for professions in the following areas (not exhaustive) – residential care, social and human services, management, marketing, sales, human resources, health-care related positions, corrections, etc. – and for professions requiring graduate study in the following areas (not exhaustive) – clinical or counseling psychology, experimental psychology, pastoral and Christian ministries, child or school counseling, forensic psychology, expressive (art or music) therapies, student development, medicine, nursing, legal professions, teaching, etc.
3. In addition, reflecting the institutional purpose to develop the whole person, the program encourages all psychology majors to grow in their personal-social-spiritual development.
4. Finally, the program provides students with an awareness of ethical problems in the application and acquisition of psychological knowledge, both in the present as well as from a historical perspective, and prepares and expects them to act ethically.

In addition, students may enrich their psychology major by adding one or more optional emphases. Each of these emphases allows the students to tailor their psychology elective courses and nine of their general elective credit hours around their intrinsic and vocational interests. The emphases include:

- Equine Facilitated Mental Health Concentration – for students interested in the application of psychology to mental health and therapy models that incorporate the utilization of horses.
- Biological Psychology Concentration – for students interested in the interrelationship between biological and psychological processes.
- Clinical/Counseling Psychology Concentration – for students interested in psychology as applied in the assessment and treatment of psychological issues.
- Christian Counseling/Psychology Concentration – for students interested in Christian models of counseling and/or in working in Christian settings.
- Child Psychology Concentration – for students interested in psychology as applied in work with children and/or within the school system.
- Forensic Psychology Concentration – for students interested in psychology as applied in the justice and correctional systems.
- Social Psychology Concentration – for students interested in a more in-depth understanding of the interpersonal dynamics of behavior, culture, and mental life.
- Student Development Psychology Concentration – for students interested in the application of psychology to understanding and working with college/university students.

Admission Requirements

Full admission into the psychology program is dependent upon successful completion of PSY101, PSY275, and PSY276 with a minimum grade of 'C' in each class. Students earning less than a 'C' should retake any of these classes to achieve a grade of 'C' prior to enrolling in PSY 375 and PSY 376. (For low grades in PSY 101, and in lieu of retaking PSY 101, students may take the Asbury University General Knowledge of Psychology Test with the goal of achieving a grade of 60% to satisfy PSY 101.)

SOCIAL SCIENCE & HISTORY DEPARTMENT

Dr. Stephen Clements, Chair

The early twenty-first century world presents thoughtful observers with a staggering array of developments and challenges, from vast, well-functioning metropolitan centers that produce and channel billions of dollars' worth of goods and services into global markets to troubled nation-states whose leaders preside over civil strife among rival people groups and pre-modern economies. The Department of Social Science & History faculty at Asbury University seek to understand the sources of social, political, and economic conditions among nations, people groups, and communities by utilizing the modes of inquiry available through the disciplines of Political Science, Sociology, and History. By studying the world through the lenses of these disciplines, and within the context of a broad liberal arts education, a student can be well prepared to engage the culture at home or abroad through work in the professions, government, missions, business, or with nonprofit organizations.

The Department offers traditional undergraduate students majors and minors in all three of these academic fields. These disciplines and programs are detailed below.

HISTORY & SOCIAL STUDIES

History is the story of human community as it has developed through time. It is a narrative and interpretive study, based upon documentary evidence. History plays a central role in the liberal arts Foundations curriculum because of its value in illustrating the human condition through time, and because it integrates into a comprehensible whole the range of activities that have formed the human experience. In addition to its contribution to Foundations liberal arts program at Asbury, the SSH Department offers specialized courses. The History major has recently been revised, with a course distribution requirement across American History, European History, Non-Western History, and a methodology class. The Social Studies Teacher Education (SSTE) major is a collaboration between the SSH Department and Asbury's School of Education and draws from courses across the social sciences as well as those that prepare individuals for the high school classroom. The History major prepares students for a number of occupations and postgraduate studies, including secondary and college teaching, Law, Christian ministry, government and public service. In addition, History courses can be taken as electives by students in other majors. The department sponsors Phi Alpha Theta, an active national honor society for History and SSTE Majors.

POLITICAL SCIENCE

Through the systematic study of politics—the examination and analysis of various regime types, rival political philosophies, and the historical experiences of peoples and nations over time—students equip themselves for many possible roles in society, from law, to government, to work in corporate settings, to positions in non-governmental organizations or cross-national agencies. Asbury's baccalaureate program in political science includes a core of courses within the discipline, as well as emphases in international affairs or American politics. The faculty encourages all majors to engage in internships in government and politics at the local, state, or national levels, and will work to help place students. A minor in political science is also available and includes the core courses and one additional elective course.

Opportunities in State Government

Frankfort Semester Internship Program (Frankfort, KY, OFC 317)

This is a full semester internship opportunity in state government, available on an annual basis. An initiative of the Association of Independent Kentucky Colleges and Universities (AIKCU), the Frankfort Semester Internship program seeks to enhance students' academic, civic, and professional skills through internship experiences, public policy symposia, academic seminars and exposure to the ideas and perspectives of a variety of notable citizens. The interns work directly with state legislators, government officials, and government liaisons in the crafting and passing of legislation. The program is

intended for upper-division students, regardless of major. Students must be motivated learners, have a deep curiosity about current events and the policy-making process, and be committed to fulfilling the requirements of the internships and seminars. <http://www.aikcu.org/frankfortsemesterinternships/>
Contact Dr. Stephen Clements.

Legislative Research Commission Internship Program (Frankfort, KY, OFC 317)

This is a full semester internship opportunity with Kentucky's legislature, the General Assembly, available by competitive application during the spring semester of each even numbered year (e.g. 2014, 2016), when the Assembly operates its biannual 60-day legislative session. This internship is operated by the staff arm of the General Assembly, the Legislative Research Commission (LRC), and involves 20 undergraduate students from Kentucky's colleges and universities (Asbury has successfully placed one or two students in each of the past several cycles). Selected students are officially enrolled at AU, but spend the semester assigned to a legislative committee or subcommittee, participate in 6 credits worth of courses supervised by a senior LRC official, and accumulate an additional 6-9 credits of coursework that can apply to a students' major, minor, or electives. The LRC also pays each student a stipend for living expenses, which is generally used to reside in Frankfort during the legislative session. http://www.lrc.ky.gov/lrc/Intern-Brochure_2018.pdf Contact Dr. Stephen Clements.

Pre-Law Studies

The Pre-Law Handbook: The Official Guide to U.S. Law Schools states that most law schools do not recommend "pre-law" majors because they believe that "courses designated 'pre-law' tend to be a less effective means of preparing for law school". For this reason, Asbury University does not have such a major. *The Handbook* further states: "While no single curricular path is the ideal preparation for law school, a broadly based undergraduate program that includes training in analytical reasoning and writing will serve you well. Law schools want students who can think, read and write and who have some understanding of the forces that have shaped human experience". Asbury University has a number of majors that will accomplish the above objectives, and especially recommends the fields of study in the Social Science & History department. In particular, a major in Political Science, History, or Sociology, combined with law-oriented courses offered across the curriculum—History and Politics of the US Constitution, Business Law I and II, and Equine Law—will provide strong preparation for law school. Interested students should contact Dr. Stephen Clements, the current law-school advisor.

Washington, D.C. Opportunities

Asbury studies interested in spending time in the nation's capital city have multiple options. For several decades the University has sponsored PS 300 Washington Federal Seminar, a spring course available to students from any major that features a week-long visit to Washington, DC in latter January. The core of the trip is attendance of a 3½ day long Christian Student Leadership Conference, sponsored by the National Association of Evangelicals. But students also have time before and after the CSLC to tour sites in Washington, such as Smithsonian museums, the Library of Congress, the Mall monuments, and the National Cathedral. Beginning in 2020, the Joe Pitts Center for Public Policy will be sponsoring a two-week long intensive course in Washington, DC that will provide students with a longer period in DC, to interact with members of the policy community and alumni in the area, and also to visit historic sites within a 2-3 hour radius of the capitol city.

The Joe Pitts Center for Public Policy

Launched in Spring of 2018, the Joe Pitts Center for Public Policy provides opportunities for the Asbury community to host lectures and conferences on policy and political topics of interest to students and faculty. As the Center grows and expands, it will offer research and publishing options for students, as well as scholarships, targeted especially at students in the Social Science and History department. The Center will also provide access to the congressional archives of its founder, retired member of the US House of Representatives Joe Pitts, who will offer periodic lectures and will help coordinate events on campus.

SOCIOLOGY

The mission of Asbury's Sociology program is to equip students to effectively engage and work within various social, cultural, and global systems, organizations, and institutions that involve understanding the diversity of human social contexts and interactions. The program further prepares students for professional work and graduate study in a broad range of areas such as: sociology, social work, law, ministry and missions, criminal justice and juvenile delinquency, nonprofits, families, leadership, government, social research, and other related fields.

The Sociology program has recently been revised substantially, so that it better reflects developments in the discipline and will be more streamlined for students. In particular, the program will emphasize the pursuit of social justice, sustainability, and human flourishing. Coursework will illuminate the global and cultural significance of everyday realities like food, fashion, and family life. It will highlight both the nature of social inequalities and practical opportunities for positive change. The curriculum pairs theoretical frameworks with contemporary applications within a Wesleyan theological perspective.

SOCIAL WORK DEPARTMENT

Dr. Nick Placido, Psy.D., M.S.W., Chair

Sarah Bellew, M.S.W., Social Work Program Director

Social work is the professional activity of helping individuals, families, groups, organizations and communities to enhance or restore their capacity for social functioning and create societal conditions favorable to that goal. Social workers at the baccalaureate level are trained as generalist practitioners, this means the social worker has an eclectic theoretical base that utilizes a systems framework to assess a variety of points for possible intervention. If students are trained to understand that life is dynamically interwoven by historical, social, political, and economic forces, then students will be able to comprehensively assess conditions and be prepared to work in a variety of practice environments and levels of intervention, with specific awareness of vulnerable population groups. Areas of practice include, but are not limited to: work in child welfare/foster care/adoption, medical settings, addictions, mental health/counseling, school social work, community development organizations, non-profit management, homeless shelters, crisis intervention, developmental disabilities, grant writing, policy development, juvenile and adult incarceration, etc.

SOCIAL WORK

The mission of the Asbury University Undergraduate Social Work Program is to prepare graduates who are rooted in the liberal arts, the Christian and Wesleyan perspectives, social work values and ethics, and prepared for generalist social work practice as agents of change in a variety of settings. The Social Work Program is accredited by the Council on Social Work Education (CSWE).

NOTE: All undergraduate social work students are **required** to complete **BIOLOGY** (either BIO 100/101 or 201/203) as their choice of the various sciences listed under the Asbury University Core Requirements. In addition, it is **highly recommended** that students take a wide variety of courses in the areas of anthropology, economics, recent American history, political science, psychology, and sociology. The social work major generally requires a minimum of five semester to complete the sequence of courses. Continuance in the Social Work Program requires achieving a minimum grade of C- in all Social Work (SW) courses and maintaining a cumulative GPA of 2.5 or above.

In order to provide a quality, generalist social work education, the program's faculty has established the following goals for beginning generalist practitioners through the curriculum's knowledge, ethics, and practice with diverse populations.

1. Provide the knowledge, values, skills, and ethics to serve diverse client systems of all sizes and types, integrating knowledge about how individuals, families, groups, communities, and organizations grow and change, using a bio-psycho-social-spiritual perspective, and how these systems function together within the global context of their environment.
2. Develop generalist social work practitioners who are both knowledgeable and understanding of diverse client systems of all sizes including; minorities of color and ethnicity, socioeconomic status, women, mentally and/or physically disabled, LGBTQ populations, whether individuals, families, groups, or communities.
3. Based on the historical context of social welfare rooted in the Judeo-Christian heritage, prepare graduates to work with clients by infusing throughout the curriculum social work values and ethics, as stated in the NASW Code of Ethics, for professional generalist practice.
4. Prepare graduates who think critically about social work knowledge, integrate this knowledge and practice in an ethical manner, effectively communicate with clients, colleagues and supervisors using oral and written skills; and value the continuation of learning and avenues of both personal and professional development throughout their careers.
5. Develop practitioners who understand, integrate knowledge, and practice in evaluation of programs and client systems of all sizes.

6. Develop practitioners who will use their knowledge and practice base to work as advocates and agents of change at all levels of service within organizations and with diverse cultural groups, including policy analysis and social change strategies.
7. Develop generalist social work practitioners who are aware of the concerns of the poor and oppressed in American society and the world, as stated in the Bible; foster within the program an understanding of God's grace to all individuals; and teach students to demonstrate God's grace in the world by using generalist practice skills to protect the rights of the poor and oppressed.
8. Within a professional community of academic and professional excellence, prepare graduates for generalist social work practice through supportive and sustaining relationships with fellow students, faculty and field instructors, which leads to the development of a professional identity, and lifelong learning both personally and professionally.

HOWARD AND BEVERLY DAYTON SCHOOL OF BUSINESS

Dr. Michael Kane, Dean

DAYTON SCHOOL OF BUSINESS UNDERGRADUATE PROGRAMS

Accounting
Business Administration
Finance
Marketing
Sport Management

Most business schools desire to be the best *in* the world. Our goal is to be the best *for* the world. A simple change of the word “in” to “for” expresses our radical view that we have a greater purpose in mind. The Dayton School of Business provides an opportunity to study the principles of effective business management from the standpoint of the Christian worldview. The philosophy of Christian liberal arts education with its breadth of perspective and biblical view of truth is reflected in a distinctly Christian approach to the study of business management. The program makes the biblical principle of stewardship and Christian standards of ethics an integral part of the acquisition of technical knowledge and of the pursuit of excellence in professional skills.

We expect our students to graduate with a deep faith and excellent work skills that are integrated and holistic. Our curriculum is based on the over 3,000 verses in scripture that inform us about God’s view of wealth and how to handle our business and finances. To that end our courses are focused on a “triple bottom line” – profit, people, and purpose. Business has both the power to corrupt the rich or to bless the poor. It takes men and women of integrity who are completely surrendered to God’s purpose to bring out the best for the world.

Currently the Dayton School of Business (DSB) offers residential undergraduate students majors in Accounting, Business Administration, Finance, Marketing, and Sport Management, as well as minors in Business, Accounting, Entrepreneurship, Sport Management, and Economics. The DSB offers non-traditional, degree completion programs in Organizational Management, and a Master of Business Administration (M.B.A.) degree in the Graduate program.

M.B.A. 4+1 Option

The 4+1 M.B.A. degree from Asbury is designed to give students from all areas of study the opportunity to obtain advanced standing in the M.B.A. program. Undergraduate students accepted into Asbury’s 4+1 MBA program have the opportunity to take MBA courses during the senior year of their undergraduate program. Up to 9 credit hours can be included within Traditional Undergraduate tuition.

After completing their bachelor’s degree from Asbury, 4+1 students can earn their MBA in as little as one additional year.

For undergraduate program stipulations please see the “Undergraduate Students taking Graduate Level Courses Guidelines”.

ACCOUNTING

The Accounting major at the Dayton School of Business is focused on preparing students for careers in public, private and not-for-profit accounting, as well as for graduate studies and accounting certifications such as the CPA and CMA. We focus on teaching students the necessary technical and critical thinking skills and an understanding of the broadness of business with an ability to work well with people.

The field of accounting provides a vast number of job opportunities within all types of organizations from public accounting firms to businesses to churches and other service organizations. To most effectively prepare for the different areas of accounting and the opportunity to impact the kingdom through our work, our accounting major challenges accounting students to consider the technical skills that they are learning through a Biblical lens. Ultimately, we desire that accounting students are technically sound in their knowledge of accounting, able to collaborate effectively with others, and to experience Christ through their work at Asbury so they are best equipped for their future endeavors.

Asbury requires 124 semester hours for a bachelor's degree. Students interested in an accounting major should be aware that in many states, the Society of Certified Public Accountants requires 150 credit hours to sit for the CPA exam. Our recommendation is that the student complete the undergraduate accounting major from Asbury and obtain the additional hours needed to sit for the CPA exam in a graduate program such as the [Asbury 4+1 MBA](#).

BUSINESS ADMINISTRATION

Versatile, Impactful, and Practical. The breadth of opportunity in the marketplace for Business Administration majors allows students to pursue careers in a variety of for-profit and not-for-profit industries. The course of study in business administration pursued in the Christian environment of Asbury University offers students an education which will enhance and enrich both their personal and professional lives. Practical application of content allows students to go beyond simply attaining knowledge and moves them toward the ability to execute decisions and implement effective management strategies. Interactive and Comprehensive. Core Business Administration classes typically range in size from 12-25 students, welcoming collaborative discussions with professors and peers. Rooted in a liberal arts foundation, the Business Administration major builds a structure of understanding that spans small to multinational organizations, from logistics to people management, and examines the individual, team, and organizational levels.

The Business Administration major curriculum engages students in both domestic and international strategies, the management of human resource capital, how both small and large organizations can thrive, and how we as humans interact and manage other humans to be the best for the company, employees, and community.

ECONOMICS

The Dayton School of Business offers students a minor in Economics by completion of 21 credit hours (please see below for options regarding the required courses). An economics minor will help you to understand the factors that drive and shape our economy. The students who successfully complete the series of courses will have a solid understanding of how markets work, how to work with the economy in an ethical manner and what they need to do as Christian citizens in an economy where we capture all thoughts and making them obedient to Christ and his kingdom. A solid understanding of economics is essential in many career roles such as, businesses, churches, nonprofit organizations, financial institutions, and government organizations. Each of these organizations need decision makers who have a solid knowledge of how our economy works.

ENTREPRENEURSHIP

Students interested in pursuing entrepreneurship opportunities in a startup venture or nonprofit organization can minor in entrepreneurship. The minor requires the completion of 21 credit hours. Coursework includes finance and venture creation, entrepreneurship/market research, management of innovation, innovation and product management, and social entrepreneurship. Students also have the opportunity to pursue hands on experience through various business plan competitions and internships with startup companies.

FINANCE

The Dayton School of Business Finance major requires students to complete 36 hours of the business core, accompanied by 21 credit hours of Finance courses. Finance is a major designed to prepare students for an array of career opportunities. These professions include corporate finance, investor relations, venture capital, commercial and investment banking, financial analysis and planning, and

treasury management. The targeted focus of the Finance major is to prepare Asbury students to enter the corporate and investment banking sectors of business. Many students will also enter Asbury's 4+1 MBA program in their senior year of standing.

MARKETING

The Marketing major at the Dayton School of Business is focused on preparing students for careers in the critical marketing function in corporate, entrepreneurial and not-for profit enterprises and ministries. In addition to the courses common to all DSB majors, there are four courses that provide grounding in the fundamentals of marketing. Students choose an additional 3 elective courses, allowing them to customize the major to fit their particular area of interest. The DSB marketing major can help prepare students for a variety of career opportunities including jobs in Product Management, Brand Management, Sales, Advertising, and Marketing Research. Students desiring to be prepared for effective ministry – whether in business or in Christian organizations – will find this major's focus on effective persuasive communication to be helpful as they prepare to be used for the expansion of God's kingdom.

SPORT MANAGEMENT

The Sport Management program at the Dayton School of Business is designed to provide the opportunity to develop expertise in business management with an orientation toward the world of sport. People given the opportunity for responsibility in the management of sport programs and facilities must become familiar with the various aspects of sport activities in addition to becoming professional business leaders. The major addresses the emphasis on Christian service in the growing area of world sport business. Opportunities for employment would include a variety of sport organizations involving management in University and professional sport organizations, sport governing bodies, events and facility management, sales, sport marketing, sporting goods industry, sport media, parks and recreation departments, promotion, and fund raising.

SCHOOL OF COMMUNICATION ARTS

Dr. Jim Owens, Dean

Dr. Doug Walker, Associate Dean

Asbury University recognizes that communication competence is vital to success in every field and strongly encourages the development and understanding of a Christian philosophy of communication. The objective of the School of Communication Arts is to prepare students to communicate truthfully and effectively in this age of diversity. The ability to clearly present information to others is more than a desirable skill, it is also a responsibility. Communication Arts is a multi-dimensional school that houses a major in Media Communication; majors and minors in Communication, Journalism, Theatre & Cinema Performance, and Worship Arts; minors in Audio Production, Leadership, Public Relations, and Social Media; an APS program online major in Instructional Design; and graduate programs with Master of Arts degree in Digital Storytelling, and Master of Fine Arts degrees in Screenwriting and Film & Television Production.

Together, these programs help students learn to creatively and effectively communicate with others. The expectation is that students' communication abilities be guided by a deeper understanding of how one's faith in Jesus Christ can shape personal communication. Communication knowledge and skill can enhance student marketability in a variety of professions ranging from law, business, entertainment management, advertising, public relations, film production, electronic and print media, ministry, government/politics, high-technology industries, and international relations. Vocational opportunities in the 21st century demand that employees be able to use their technical expertise to communicate through varied and multiple media.

COMMUNICATION, WORSHIP & THEATRE ARTS

Dr. Jim Shores, Chair

1. The **Communication Major** helps you develop strong written, oral, and presentation skills to be used in any professional sector. Typical careers lie in business, marketing, public relations, human relations, politics, and the entertainment industry. Other career areas for Asbury alumni include nonprofit management, education, lobbying, research, and missionary work.

In the modern world where people increasingly have multiple jobs over a lifespan, Communication delivers flexibility for a broad range of vocations. Rooted in the ancient traditions of oratory and rhetoric

as well as modern social scientific research, Communication majors can concentrate their studies in **public relations, social media, leadership, or international communication**. In addition we offer **minors** in these areas as well.

2. The **THEATRE & CINEMA PERFORMANCE major and minor** provide students an opportunity to develop and refine acting, directing, and production skills. Students will develop a strong understanding of the history of the theatre and the cinema and their power to influence society and culture. This knowledge enables students to experiment with theatre communication techniques and approaches to audiences that stress excellence in performance and purity of purpose and message.

3. The **WORSHIP ARTS major and minor** equips students theologically, spiritually, and technically to play significant leadership roles in the worship arts in congregations. Building on a foundation of biblically- and theologically-informed study of the church and its worship, the program leads students in personal spiritual growth and in opportunity to develop abilities to lead in music, media ministry, drama, the visual arts, and intra-church relationships in today's church.

MEDIA, JOURNALISM & DIGITAL STORYTELLING

Dr. Jim Owens, Chair

The **MEDIA COMMUNICATION MAJOR** is designed to prepare students who think creatively and critically about their messages, their audiences and their communication tools. These men and women will develop competency in using a variety of media to communicate – including the Internet, audio and radio, television and the cinema – and they will seek to engage culture. Recognizing the media's collaborative nature, each student will also develop greater self-understanding, an appreciation of diversity, and the abilities to listen and to work in a team. The program has concentrations in television & video production, production design, performance, entertainment management, film production, multimedia, and audio production.

The **AUDIO PRODUCTION MINOR** enables non-Media Communication majors to learn the fundamentals of audio mixing and editing, along with advanced audio skills that are applicable in educational institutions, corporate environments, churches, theaters, and other entertainment-related businesses.

The **JOURNALISM MAJOR OR MINOR** grounds students in an understanding of the power of writing, research, photo-imaging, video, documentary and graphics to bring meaning in an ever-changing marketplace of ideas. Students with a journalism major or minor gain not only professional journalistic skills but an understanding of how Christian values can be applied to competent leadership over print, and online, and broadcast media. This convergent journalism program gives students experience with newspapers, magazines, online news, broadcast news and documentaries.

The **INSTRUCTIONAL DESIGN MAJOR** is available to both traditional on-campus students and online Adult and Professional Studies students. With an emphasis on theory and practice, the program exposes students to prominent Instructional Design philosophies and the applications of various models in authentic contexts. The program introduces students to the technologies and tools that support the design of instructional systems and solutions. Traditional undergraduate students will work closely with their advisor to schedule the online portions of their major requirements.

See the Adult Professional Studies Program section for majors available online in **Instructional Design** and **Instructional Design for Health Professions**.

SCHOOL OF EDUCATION UNDERGRADUATE PROGRAMS

- Elementary School Grades P-5
- Middle School Grades 5-9
- Secondary Education 8-12 (English, Biology, Chemistry, Social Studies, and Math)
- P-12 Education (French, Spanish, Latin, Art, Music, and Health/PE)
- LBD P-12 Dual Certification (must accompany certification for Elem Ed, Middle School, Secondary Ed, or P-12 Ed.)
- The School of Education also offers an online Elementary School Grades P-5 program (based on Kentucky licensure) through the Adult Professional Studies.

Asbury University has a variety of teaching majors leading to either the Bachelor of Science or the Bachelor of Arts degree. The mission of the School of Education is as follows:

Our mission as the School of Education is to facilitate the preparation of professional educators who embody world-class academic excellence, spiritual integrity, and servant leadership.

The goal of the School of Education is to provide a strong academic Clinical-Based Preparation Program and to prepare quality educators who are committed to professional excellence and who positively impact P-12 student learning. It is the intent of the School of Education to provide educators who can design instruction, assess student learning, analyze the work of learners, diagnose pupil progress, and prescribe for student success. To accomplish this, candidates in education will have specific and intentional clinical opportunities in each course and will have extended clinical school-embedded experiences integrated throughout the preparation process. The entire program is designed to facilitate education candidates entering a student-centered profession for the 21st century.

This commitment is embodied in the School of Education's model: "Facilitators of Student Success," which seeks to prepare educators in response to the Kentucky Teacher Performance Standards for Educator Preparation and Certification who will be proficient in:

- Standard 1. Learner development.
- Standard 2. Learning differences
- Standard 3. Learning environments.
- Standard 4. Content knowledge.
- Standard 5. Application of content.
- Standard 6. Assessment.
- Standard 7. Planning for instruction
- Standard 8. Instructional strategies.
- Standard 9. Professional learning and ethical practice.
- Standard 10. Leadership and collaboration.

An integral facet of the program is education in a Christian context with preparation for service in various educational settings. Addressing a broad range of contemporary educational issues, many courses offer opportunities for working with school-age young people. Cooperating officials of nearby school systems provide the School of Education staff and students access to practical educational experiences. The School of Education preparation programs are approved by the Kentucky Education Professional Standards Board and accredited by the Council for the Accreditation of Educator Preparation (CAEP).

TEACHER EDUCATION PROGRAM

The Teacher Education Program is administered through a Performance Assessment System built on a continuous improvement cycle which includes four progress check points or “Gates”:

- Gate 1—Admission to Teacher Education; admission to upper level courses at the end of the ED 201 clinical semester
- Gate 2—Review a candidate’s education program at the end of the ED 301 clinical semester
- Gate 3—Admission to Student Teaching at the end of the ED 401 clinical semester
- Gate 4—Program Exit; recommendation for certification

Candidates seeking a recommendation for a teaching certificate must be accepted into the Teacher Education Program (Gate 1) in order to complete required professional courses (300 or above). Receiving a “developing” rating at Gate 3 is required to pursue the professional semester and obtain a student teaching assignment. Fulfilling the requirements of Gate 4 (exit from program) results in a recommendation for certification. (Scoring rubrics for ratings, recommendations, interviews and dispositions are located in the current School of Education *Teacher Education Handbook*.) Student teaching, which is considered to be a full-semester of coursework, involves a two-day seminar (I-Steps) held on campus prior to candidates starting their minimum of 70-day student teaching experience and 7 on campus seminars throughout the student teaching semester. Candidates must obtain a minimum GPA of 2.75 on a 4.0 scale in the cumulative GPA (EPSB: or obtain a grade point average of 3.00 on a 4.0 scale on the last thirty (30) hours of credit completed) for admission into the Teacher Education Program. Upon admission to TEP, the following GPAs are monitored throughout the remainder of the program to assure a minimum GPA of 2.75 in cumulative and School of Education Major GPA.

Licensure Examinations:

All education majors are *required to take* the appropriate PRAXIS II Specialty Area Exam(s) and the respective Principles of Learning and Teaching (PLT).

Certification

- The Teacher Education Program at Asbury University is approved by the Kentucky Education Professional Standards Board and accredited by the Council for the Accreditation of Educator Preparation (CAEP). Requirements for each teaching area at Asbury University are in compliance with the minimum regulations set forth by the Kentucky Education Professional Standards Board and are subject to change. Each program curricular design responds to the specific CAEP standards.
- Applicants for a Kentucky teaching certificate must complete state approved program requirements and all graduation requirements which provide for meeting the initial academic certification standards. To be recommended for certification, a candidate must complete a successful interview with the Teacher Education Committee, and the portfolio review with a *Developing* rating, which includes a rating on candidate dispositions. For certification the candidate must also receive scores

that meet or exceed the Kentucky established minimums on the PRAXIS II Specialty Area Assessment(s) and Principles of Learning and Teaching.

- When the approved teacher education program and Kentucky certification testing requirements have been met and when an application for Kentucky certification has been completed, a full standard professional certificate may be requested from the Kentucky Education Professional Standards Board.

When certification is desired in another state, keep in mind that most state Departments of Education request a copy of the teaching certificate obtained from the state in which the teacher education program was completed. Graduates can contact a state's Department of Education to ask for an application for certification and can contact the Certification Specialist at Asbury University for assistance in interpreting individual state certification requirements.

Asbury graduates currently teach throughout the United States and in many foreign countries. Over 60% of the states, including Kentucky, belong to the Interstate Certification Compact.

Student Teaching Overseas - Asbury is affiliated with Interaction International/CCTECC (Christian College Teacher Education Coordinating Council). These organizations provide Asbury with an accredited framework to offer overseas student teaching. Dual placement is necessary, with candidates teaching stateside in a local school district with supervision by Education faculty during half of the professional semester and teaching overseas during the other half of the semester. Careful consideration needs to take place by anyone desiring to student teach overseas. There is an application and stateside training fee. **Candidates must apply at least one full calendar year in advance of student teaching placement.** Contact the Director of Clinical Experiences in the School of Education for details and application specifications.

MAJOR REQUIREMENTS

The Kentucky Education Professional Standards Board mandates four levels of certification requirements which include Elementary (P-5), Middle School (5-9), Secondary (8-12), and all grade levels (P-12) Education. Students must meet the requirements of one of the prescribed certification programs. Fifty percent of the major must be taken at Asbury University to receive a degree, and student teaching must be completed in a school district with which Asbury has a contractual agreement. **All program requirements are in response to Kentucky Education Professional Standards Board and are subject to change.**

MATHEMATICS DEPARTMENT

Dr. Cheryl Crowe Johnson, Chair

The Department of Mathematics at Asbury University has a strong commitment to a program of quality. The curriculum offers the student breadth in mathematics and its applications. Five majors and one minor are available.

1. The **COMPUTATIONAL MATHEMATICS MAJOR** prepares the student to enter a career in industry, government, or business immediately upon graduation or to enter graduate school in computational science, or related areas of applied mathematics such as statistics, management science, operations research, actuarial science or computational biology. This major couples a strong emphasis on applied mathematics with the computational and programming skills necessary to solve practical problems. These skills are in high demand in the private sector and in government employment. The Computational Mathematics major is designed to allow the student flexibility in choosing a minor area of study as an application of the computational and mathematical skills learned in Department courses. Suggested minors range from the sciences (physics, chemistry, computer science or biology) to business management to art/media communication.

2. The **MATHEMATICS MAJOR** prepares the student for graduate study in mathematics, mathematical physics, or a related area that relies heavily upon theoretical mathematics. Eventual employment opportunities for persons with this background include teaching and research at the college or university level or being a member of a research team in government or industry. The Department has a rich history of graduates who have been successful in graduate school and subsequent academic and research careers.

3. The program content of the **MATHEMATICS GRADES 8-12 MAJOR** follows the recommendations of the Association of Mathematics Teacher Educators, the National Council of Teachers of Mathematics, and the Mathematical Association of America and meets teacher certification requirements in most states. Teachers of mathematics in both public and private middle and high schools are very much in high demand.

4. In recent years, the need for additional analytical and technical skills in financial and risk analysis has grown significantly. The technical nature of modern financial and economic analysis requires a student with a strong mathematical and computational background in addition to strong skills in business and economics. The **ACTUARIAL MATHEMATICS MAJOR** is designed to provide the student with these skills. The marketplace is also demanding this new combination of skills. Alumni and friends of Asbury University have advised that the need for technically savvy analysts is large and growing. Professional opportunities for actuaries are always near the top of employment projections. The continued spread of free-market economies, furthermore, increases the potential for these graduates to have international impact in an environment that seeks those who have a worldview shaped by the classical liberal arts and complemented by cutting-edge financial analysis.

5. **ENGINEERING MATHEMATICS MAJOR** Asbury University offers a dual-degree program in Engineering in cooperation with the University of Kentucky which is located in nearby Lexington. Students in this program take courses at Asbury for three years and then transfer to the University of Kentucky for an additional two to three years to complete the requirements for one of nine engineering

degrees (biosystems, chemical, civil, computer, computer science, electrical, materials, mechanical, and mining). The student receives a Bachelor of Arts degree in Engineering Mathematics (a major offered only to students in this program) from Asbury University upon satisfactory completion of the first 27 credits of studies at University of Kentucky which can be achieved in two to three semesters at UK. Upon completing the remaining requirements in engineering, the student receives a Bachelor of Science degree in engineering from UK.

SCIENCE & HEALTH DEPARTMENT

Dr. Vinson Sutlive, Chair

Dr. Bruce Branan, Health Professions Advisor

The Department of Science & Health includes programs in biology, chemistry, exercise science, pre-physical/pre-occupational therapy, physics and pre-nursing. Many Asbury science students go on to graduate programs or medical school. Asbury also has a long tradition of preparing students for service in medical missions. Students receive personal attention in both introductory and upper division classes. The curriculum is challenging. The Department has well equipped labs for studies in anatomy, physiology, microbiology, analytical chemistry, biochemistry, organic chemistry and physical chemistry. All of our students conduct a senior research project, some at Asbury and others at research centers around the world.

ADVENTURE EDUCATION & LEADERSHIP - Adventure Education and Leadership (AEL) prepares students for jobs and careers in the experiential education and adventure programming fields. Areas of emphasis include Outdoor Behavioral Intervention, Outdoor Ministry, Environmental Studies, and Outdoor Recreation. Additionally, AEL is strategically designed to develop leadership capacity in students who wish to work in any profession. Uniquely, students are prepared for leadership roles IN and THROUGH Adventure based programming!

BIOLOGY - The degree in biology prepares students for entry level work in the life sciences, medical school, or graduate programs such as anatomy, physiology, genetics, microbiology, and plant sciences. Students can also receive credit for approved field experiences abroad.

CHEMISTRY - The most popular chemistry program at Asbury is Biochemistry. The biochemistry major includes basic and intermediate courses in chemistry and upper level work in the chemistry of DNA, proteins and other molecules important to cellular structure and function. The job market in biochemistry is steadily growing. The traditional chemistry major prepares students for entry level work or for graduate programs. Most graduate programs in chemistry provide full scholarships.

BIOLOGY OR CHEMISTRY EDUCATION - Asbury is well known for the quality of its education programs, and science teachers are in demand. The natural science department offers majors leading to grades 8-12 certification in either Biology or Chemistry. Students interested in middle school certification choose two concentration areas (minors), one of which can be Science.

COMPUTATIONAL SCIENCE - Computational science (CPS) is a multi-disciplinary field that includes elements of computer science, applied mathematics, and the traditional scientific disciplines of biology, chemistry and/or physics. CPS focuses on the integration of information and methods from each of these disciplines. Computational Science has joined theory and experimentation as critical tools for developing scientific knowledge and new technology.

The graduate of the **EQUINE STUDIES MAJOR** is prepared for numerous career possibilities, including Equine Administration and Management, Horse Training, Equine Ministry, and Graduate School. The Equine Studies major includes a core of various foundational equine classes with four concentration areas offered including: Equine Assisted Activities, Equine Science, Equine Management, and Equine Training. A dual track major may be pursued in Equine Facilitated Wellness by completing the Equine Studies major in combination with a Psychology major.

The **EQUINE SCIENCE MAJOR** prepares students to pursue veterinary school and graduate school in related fields of study. Students completing the Equine Science major will also be equipped to pursue careers in the equine nutrition and pharmaceutical fields. Additionally, the Equine Science major prepares students to pursue graduate education in the growing field of equine rehabilitation (physical therapy, chiropractic, etc.). This major combines a core program of the basic sciences with the application of many hands-on classes in the equine program to provide students the foundation they need to pursue a career in the sciences with a focus on applications to equine health.

EXERCISE SCIENCE – HUMAN PERFORMANCE concentration prepares the student for entry level positions in a growing number of career opportunities. This major provides for preparation in health, fitness and movement areas, thus providing academic and field experience internships in such areas as corporate, commercial, private and clinical based fitness/wellness, and athletic strength and conditioning in high schools, colleges and sports medicine clinics. This concentration provides the academic preparation for certification by the leading organizations in the field, such as the American College of Sports Medicine or The National Strength and Conditioning Association.

EXERCISE SCIENCE – KINESIOLOGY concentration provides students with a strong background in the science of physical activity. It is designed to prepare the student for graduate or professional school and ultimately employment in such professions as physical therapy, occupational therapy, cardiac rehabilitation, and other health areas. Employment settings might include public schools, rehabilitation clinics, and extended care facilities. This concentration also provides the academic preparation for certification by the leading organizations in the field, such as the American College of Sports Medicine or The National Strength and Conditioning Association.

The **HEALTH AND PHYSICAL EDUCATION MAJOR** prepares the students for positions as kindergarten through high school teachers in both health and physical education. Dual certification may be obtained. This area of study combines pedagogy courses from the Department of Education and content classes from the Science & Health Department.

See the Adult Professional Studies Program section for majors available online in **Health & Wellness Promotion** and **Public Health**.

HEALTH PROFESSIONS

Medical, dental, pharmacy, and veterinary schools do not require a science major, but a strong preparation in science is required. While medical schools do not have a prescribed list of science courses applicants must take, a sound understanding of the following areas is required: a) biological, biochemical, chemical, and physical foundations of living systems, b) psychological, social, and biological foundations of behavior, and c) critical analysis and reasoning skills. Asbury students interested in medicine are assigned to the Health Professions Advisor who assists them in planning their schedules and meeting other admissions requirements.

Pre-Nursing (PNR) Program*

Asbury University offers a major in Pre-Nursing which provides options to students interested in pursuing a career in nursing.

1. Students may complete an Asbury University degree by transferring to and completing credits at an approved school of nursing in their fourth year. Students take a prescribed course of study (PNR) and Foundations courses at Asbury University. The PNR major must transfer to an accredited 4-year school of nursing. Upon completing the first 30 hours of professional nursing courses the credits must be transferred back to Asbury University to complete the Bachelor of Arts degree in Pre-Nursing. Asbury has arrangements with UK-CON and with IWU-SON for accepting qualified Asbury students, but other Schools of Nursing may be used.

A. University of Kentucky – College of Nursing (UK-CON) – Students can complete two degrees by successfully completing this program, a Bachelor of Arts in Pre-Nursing from Asbury and a Bachelor of Science in Nursing from the University of Kentucky. Participating students take the prescribed course of study at Asbury, including Foundations courses, and then transfer to UK-CON. To complete the Asbury University degree in Pre-Nursing the first 30 credits of nursing courses from UK must be officially transferred to Asbury University upon completion. Entrance requirements for UK-CON must be met, and spaces are limited (see the Health Professions Advisor for more information).

B. Indiana Wesleyan University – School of Nursing (IWU-SON) - Students can complete two degrees by successfully completing this program, a Bachelor of Arts in Pre-Nursing from Asbury and a Bachelor of Science in Nursing from Indiana Wesleyan University. Participating students take the prescribed course of study at Asbury, including Foundations courses, and then transfer to IWU-SON. To complete the Asbury University degree in Pre-Nursing the first 30 credits of nursing courses from Indiana Wesleyan must be officially transferred to Asbury University upon completion. Entrance requirements for IWU-SON must be met, and spaces are limited (see the Health Professions Advisor for more information).

C. Other schools of nursing – Students may transfer to other approved nursing schools although there is no agreement on admission or programs at these other schools. The Asbury degree is completed by the official transfer of the first 30 credits of nursing courses. Degrees and requirements for the other nursing schools vary. The school must be approved for use in the Pre-Nursing degree program. (see the Health Professions Advisor about other schools).

2. Students may complete the pre-nursing requirements and seek admission to a nursing program without completing the Asbury three year pre-nursing curriculum, and Foundations requirement. This option will not lead to a degree from Asbury. No transfer of nursing courses would be needed.
3. Students with other Asbury majors may complete pre-nursing requirements without declaring the PNR major. Contact the Health Professions Advisor if you are interested in any nursing / medical related field.

Pre-Nursing (PNR) Program Restrictions

A. PNR Student completes the major requirements at Asbury. PNR majors transfer to an accredited 4-year school of nursing to complete the major and the AU degree by finishing 30.0 hours of nursing courses. These credits must be officially transferred back to Asbury University to receive an AU degree. Students must have 124.0 total hours to receive an AU degree. Entrance requirements at the school of nursing must be met.

B. PNR Student may not have a double major. If completing any other Asbury major the Pre-nursing major will not be listed. Student will complete and graduate from Asbury University in the other major only. However, any student who is preparing to apply for nursing or medical schools should contact the Health Professions Advisor about taking required pre-nursing or pre-medical courses outside their declared major.

C. The 75.0 hours maximum transfer rule applies and includes the 30.0 nursing hours which limits all other transfer hours and institutional credit to 45 hours.

D. Transfer course restrictions: 50% of the PNR major must be completed at Asbury University (minimum 33.0 major hours at Asbury) with the transferred nursing hours accounting for the other 50% of the major. If any of the other required major courses are taken at other schools the student will be required to take additional Asbury University course hours in BIO, PSY, CHE, or SOC to account for the 50% at Asbury.

E. All Pre-Nursing students are reviewed at the end of the sophomore year (60.0 cumulative hours). After 2 years, students should have no grade below a “C” in all BIO and CHE courses in order to continue in the program. Schools of nursing have stringent GPA requirements for admission (see the Health Professions Advisor for information).

F. Changing out of the PNR major – A student who decides not to pursue nursing needs to make this decision by the first semester of the junior year to allow time to complete the courses needed for another major. Discuss major changes with the Health Professions Advisor.

Early Acceptance Programs in Medicine, Dentistry, and Pharmacy

Asbury University has contractual agreements with certain schools of medicine, dentistry, and pharmacy whereby students can gain early acceptance to these medical programs by meeting specific requirements.

A. Lake Erie College of Osteopathic Medicine (LECOM) – The Early Acceptance Program (EAP) is designed to facilitate the admission of Asbury students into LECOM's Doctor of Osteopathic Medicine (D.O.) program. LECOM will interview eligible students prior to their enrollment at Asbury University or within the first two years of study at Asbury. Students interviewing successfully will be offered a provisional acceptance in LECOM's Doctor of Osteopathic Medicine program. Upon meeting the criteria for final acceptance they will matriculate at the LECOM campus of their choice (dependent upon space availability). Each academic year a maximum combined total of 5 students will be accepted by LECOM from Asbury University. See the Health Professions Advisor for eligibility information.

B. University of Kentucky College of Medicine – Northern Kentucky Campus – The Early Assurance Program (EAP) is designed to provide students from Northern and North Central Kentucky early assurance of admission to medical school. Students apply to the EAP during the spring semester of their sophomore year at Asbury University. An indicated clear interest in establishing medical practice in the Northern / North Central region of Kentucky, and commitment to participate in all elements of the EAP are required. See the Health Professions Advisor for eligibility information.

C. LECOM – School of Dental Medicine – The Early Acceptance Program (EAP) is designed to facilitate the admission of Asbury students into LECOM's Doctor of Dental Medicine (D.M.D.) program. LECOM will interview students prior to their enrollment at Asbury or within the first two years of study at Asbury. Students interviewing successfully will be offered a provisional acceptance to LECOM's Doctor of Dental Medicine program. Upon meeting the criteria for final acceptance, they will matriculate at the LECOM Bradenton, FL campus. Each academic year a maximum combined total of 5 students will be accepted by LECOM from Asbury University. See the Health Professions Advisor for eligibility information.

D. LECOM – School of Pharmacy – The Early Acceptance Program (EAP) is designed to facilitate the admission of Asbury students into LECOM's Doctor of Pharmacy (Pharm.D.) program. LECOM will interview students prior to their enrollment at Asbury or within the first two years of study at Asbury. Students interviewing successfully will be offered a provisional acceptance to LECOM's Doctor of Pharmacy program. Upon meeting the criteria for final acceptance, they will matriculate at the LECOM campus of their choice. Each academic year a maximum combined total of 5 students will be accepted by LECOM from Asbury University. See the Health Professions Advisor for eligibility information.

Other Undergraduate Opportunities

INTERCULTURAL AFFAIRS

Esther Jadhav, Assistant Vice President for Intercultural Affairs

GLOBAL ENGAGEMENT OFFICE

The University seeks to expand students' horizons outward to understand the history and value of other peoples and cultures and prepares them for involvement in a complex and changing global reality. The Global Engagement Office (GEO) offers curricular and co-curricular opportunities that will challenge students to an increased cultural sensitivity and awareness as they develop cross-cultural competencies to effectively serve Christ in a global society. [www.asbury.edu/geo]

The Global Engagement Office administers the Cross-Cultural Engagement (CCE) requirement, which is an academic requirement that all students seeking a Bachelor's must complete in order to graduate. Through GEO students can also register for Study Abroad and Off-Campus Programs. Lastly, the English Language Center (ELC) is also housed within the Global Engagement Office. The ELC is a residential program for select incoming freshmen students with strong academic records but requiring additional support to increase their English proficiency level.

CROSS-CULTURAL ENGAGEMENT

POLICY SUMMARY

All traditional undergraduate students seeking an Asbury University Bachelor's degree (including transfer students with less than 60 transferred credits at the time of matriculation) will be required to satisfy the Cross-Cultural Engagement. AP and college credits earned prior to high school graduation do not count towards the 60 credits.

International students or those who have lived extensively outside of the US and Canada may not have to travel to complete their CCE requirement, but they must satisfy the CCE paperwork and academic requirements.

Students with an Asbury Associate's degree who continue for a Bachelor's degree must complete the Cross-Cultural Engagement.

Graduation Requirement

A student cannot graduate until the Cross-Cultural Engagement has been completed. CCE travel/experience, and all CCE assignments & final paper must be completed before the end of the term to be eligible for that term's graduation date. Students completing CCE travel or final assignments/paper after the May commencement date are not eligible for May graduation. Students should complete all CCE assignments by end of term to allow time for GEO to submit CCE approval forms to the Registrar's Office within 30 days of the official graduation date to meet graduation deadlines. Late CCE assignments/paper will cause the student's graduation to be moved to the next term.

Intention

The intention of the Cross-Cultural Engagement (CCE) is to strengthen students' abilities to interact with the world community, to expand their worldview, and to increase their cultural sensitivity with the ultimate goals of a broadened awareness as to how they might fit into God's plan of redemption in other cultures, and a developed competency to effectively serve Christ in a global society.

Basic Description

A Cross-Cultural Engagement is defined as an *immersion* into another culture, engaging the student in a variety of life-spheres (family, education, religion, art, media, economics, and government). Most experiences will expose the student to cultural dynamics outside of the United States. The experience

must satisfy one of the options listed and must be of sufficient length and intensity to have an adequate impact upon the worldview of the participant.

Criteria Considered for a Cross-Cultural Engagement Requirement

1. Geographic location: Can be completed either on the Stateside or Abroad – must be a cross-cultural immersion for the student.
2. Exposure to various levels of ethnic and cultural diversity: such as language, customs, and worldviews
3. Time frame: May be completed as early as the summer preceding the senior year of high school
4. Length: Minimum of six nights and seven days in context

Options for Satisfying the Cross-Cultural Engagement Requirement

1. Off-Campus Programs and Study Abroad Programs that are semester/summer-long and approved by the Office of Academic Affairs. Please see the AU Study Abroad Programs and international programs listed under “Study Abroad and Off-Campus Programs”
2. Participation in an approved cross-cultural, short-term travel course, sponsored by an Asbury University faculty member and/or department
3. Participation in an approved cross-cultural mission related or volunteer trip with an Asbury University faculty member and/or staff member
3. Participation in an approved non-Asbury University program that meets the Cross-Cultural Engagement criteria and is sponsored by groups such as: a mission agency, a local church, a denomination, a para-church group, or nonprofit organization
4. Participation in the Asbury Initiative Program
5. Individual travel, course substitutions, programs, or projects and state-side proposals to be considered on a case-by-case basis.

Procedures & Process to Complete the CCE Requirement

1. Prior to traveling, every student must submit attend CCE Orientation and submit a CCE proposal with the GEO Office and it must meet approval.
2. Asbury University reserves the right to exclude from off-campus participation any student who is involved in conduct leading to disciplinary action or who may have a disability which cannot be accommodated.
3. Depending on the type of travel, students may need to fill out travel and liability forms with Asbury University.
4. All students traveling abroad under Asbury University authority must obtain travel and health insurance, which is available directly through the GEO Office.
5. Before departing, students must meet all paperwork and academic requirements.
6. Upon returning, students must complete their CCE academic requirements and evaluations within 30 days after returning from the trip.
7. Credit for completing the requirement is listed on student’s academic audit with the course designation: CCE 073.

Refunds for University Sponsored Trips Travel Costs

1. If an Asbury University class trip is cancelled due to low enrollment or United States Travel Warning a refund may be requested.
2. Asbury University assumes no responsibility for cancellation or changes in travel and trip schedules or adjustments in announced fees caused by changes in air tariffs, lodging rates, or airfare charged by those engaged for such services.
3. In the event of an act of war, terrorism, strikes, acts of God, or other emergency that causes a trip to be cancelled in whole or in part, any refund due will be determined by Asbury University at its sole discretion.

OFF CAMPUS STUDY & STUDY ABROAD

GENERAL POLICY

Participation in all Off-Campus/External programs requires two applications. Successfully completing the application process through Asbury gives the student approval to participate in an approved Off-Campus Program. Students who participate in outside programs without this approval will not be enrolled as a student for the period of the off-campus program and will jeopardize any credits earned. The student must also be formally accepted through the specific program. Registration will take place only upon final approval by the Academic Dean, or designee, and confirmation from the host agency of acceptance into their program.

ELIGIBILITY

Asbury Students:

1. Students participating in Study Abroad and Off-Campus Programs are required to have completed at least two semesters of college coursework at Asbury. Transfer students must have at least one of the semesters completed at Asbury.
2. Generally, study abroad is not approved for a student's final semester of study prior to graduation.
3. Students must have a cumulative GPA of at least 2.75 (please note that some programs have higher GPA requirements).
4. Students must maintain good standing in all areas up to and during participation in the program. Any probation, including chapel probation, will make the student ineligible for participation.
5. Additional fees apply (\$200 for summer; \$500 for fall or spring). Additional tuition rates may apply.
6. Tuition waiver cannot be applied to Off-Campus Program charges. The only exception is made for Asbury University Study Abroad programs (i.e. Paris or China). Tuition waiver may only be applied to one such study abroad opportunity; requires approval by Human Resources.
7. Students will pay all charges (except specific program deposits) to Asbury University. All charges must be paid in full by the first day of the semester.
8. Students may not be enrolled in independent/directed studies or online courses through Asbury while participating in a non-Asbury Off-Campus Program. However, Asbury University Study Abroad programs may have online course(s) accounted into the curriculum.
9. Students may not participate in the same program more than once and may not participate in more than two fall/spring semester programs.
10. Academy students are not eligible to participate in the Off-Campus Programs or Asbury University Study Abroad programs.
11. Students are responsible to make necessary arrangements to have transcripts sent to the Registrar's Office so that transfer credit can be received for the off-campus coursework. Any

applicable fees are also the responsibility of the student. If transcripts are not requested and received by 60 days after the close of the term, all grades will revert to 'W' (withdrawn).

12. For further information regarding any of these programs contact the Global Engagement Office.

Visiting Students:

1. Students visiting for the purpose of participating in off-campus programs are required to have completed at least two semesters of college coursework at their respective institution and to have a cumulative GPA of at least 2.75 (please note that some programs have higher GPA requirements).
2. Students will be required to submit the appropriate paperwork including the Home Institution Permission Form, Letter of Good Standing from their home institution, and signed Principles and Expectations of Community Life. Contact the Global Engagement Office for complete details and instructions.
3. Students will submit the appropriate deposits to Asbury University.
4. Because the visiting student technically remains a student at the home institution, except for the initial deposit required by the program, payment for participation is handled through the Business Office of the home campus. All charges must be paid in full by the first day of the semester.
5. For further information contact the Global Engagement Office.

APPLICATION PROCESS

For Asbury students, the application process begins in the Global Engagement Office. Students will be required to submit the appropriate paperwork along with necessary travel forms. For visiting students, the application process begins first in the Admissions Office where they will apply to be a "Visiting Student" and be accepted before continuing their application with the Global Engagement Office. Visiting students will be required to submit the appropriate paperwork including the Home Institution Permission Form, Letter of Good Standing from their home institution, and signed Principles and Expectations of Community Life. For application materials, please contact the Global Engagement Office.

When not in class session, the group engages in weekend excursions, outreach opportunities, and visiting iconic historical sites. Students live in community and earn a full semester of credit in language studies, China history/culture, and topics related to cross-cultural ministry and Christianity in China. Prior Mandarin language is not required for the China semester. The program will be led and taught by an Asbury faculty member, who will travel alongside the students and will also disciple them for the semester. Living, learning, and interacting amongst the locals will allow students a unique perspective on this rising global superpower.

ENGLISH LANGUAGE CENTER - INTENSIVE PROGRAM

The mission of the English Language Center's (ELC) Intensive Program is to prepare international students for academic course work toward an undergraduate degree at Asbury University. The Intensive Program (IP), housed within the Global Engagement Office, is a semester-long residential program for freshmen with a strong academic record but who require additional support with English language skills. Students are conditionally admitted and must earn passing grades in four IP courses in order to advance to full admission to Asbury University.

Admission Requirements

- Application
- TOEFL – 68-79, or IELTS – 6-6.49
- High School Transcript, GPA 2.5 or higher
- Statement of Financial Responsibility

Pre-Assessment Exam

Upon arriving on campus, all IP students must take a pre-assessment exam. This test helps to determine the international students' academic English language proficiency and places them in the appropriate levels. It also allows for post-assessment to see how students have progressed.

Costs

Asbury University full-time tuition and fees apply. Financial aid may be available. Rates for room and board are the same as full-time students; there are no additional housing costs. Please check asbury.edu for the most updated tuition rate.

Curriculum (See Undergraduate Course Catalog for course descriptions)

First Semester

IP students will complete a two-week intensive before New Student Orientation week. Following which, they will join the rest of the freshman student body for orientation programs. In the course of the 16-week semester, IP students will have 17 hours of weekly classroom instruction. Outside of the IP classroom, IP students will attend Chapel, meals, activities and campus programs, as well as live in the residential halls alongside all of the other undergraduate students. The English Language Center faculty and staff will intentionally make sure that IP students are integrated into campus life with the rest of the student body.

- ELC 092 Written Communication
- ELC 093 Oral Communication
- ELC 094 Integrated Skills: Learning the English Language through Mass Media
- ELC 091 Integrated Skills: Faith, Culture & the University
- ELC 095 English Language Center Supportive Workshop

Completion of IP Semester

Students' class performance will be used to determine whether or not they are eligible to move on to their transitional semester and begin taking college level courses. In order to successfully complete an IP semester, students must receive a grade of 'C' or above in all of their IP classes and a positive recommendation from the IP faculty member. Without passing grades, students will have to repeat the semester. Though the IP semester grades will not contribute to a student's overall GPA since these classes are only on a pass/fail basis, students will receive grades for their assignments and an overall class grade so that the instructor(s) can assess their progress and determine whether they have successfully completed their course. Credits earned during the IP Semester are in addition to the minimum 124 credit degree requirement.

Second Semester

Upon successful completion of their IP Semester courses, students will continue on to a second semester where they take an advanced IP course (ELC 101) along with ENG 100 (first semester college level composition course), LA 100 Engaging the Liberal Arts, and two Foundations general courses, which will count towards the student's degree. Students will be required to continue their weekly IP Supportive Workshops (ELC 095). Students will no longer be considered an IP student, but will still receive the extra support they need as they transition and settle into their college level courses.

Attendance

An integral part of success in an intensive language learning program is regular class attendance. It is required that all students arrive to class on time and attend on a daily basis. As an Asbury student, all IP students must also adhere to University policy on attendance: "In order to assure maximum benefit from class instruction, it is important for students to attend class and complete readings and assignments. Instructors will explain to students at the beginning of each course their attendance expectations and grading policies with respect to absences from class sessions. Students are personally responsible for class attendance, including punctuality, participation, collegiality, etc. Instructors will report excessive absences to the Registrar's Office to allow the University time to determine if the school can render any assistance that can aid the student's academic success." (See Undergraduate Academic Policies > Attendance.)

Field Trips & Excursions

Each semester, particularly during the two-week intensive, IP students take field trips and off-campus excursions to fully experience local surroundings – Wilmore, Lexington, and the Commonwealth of Kentucky. These trips are designed to help students better understand their new home and educate them on American history and culture. Many of the local trips are scheduled in conjunction with students' Integrated Skills: Faith, Culture, & the University course. Once a semester, a large field trip is planned to neighboring cities, such as Louisville, Cincinnati, and Nashville. Students will also get to

experience unique features in this part of the country – the great outdoors (hiking/canoeing), outdoor recreation (sports) and adventure trips (camping) will also be planned.

AEROSPACE STUDIES (Air Force ROTC)

The Department of Aerospace Studies provides a campus education program through which qualified students can simultaneously earn an Air Force commission and a college degree. Faculty members are experienced, active duty Air Force officers with advanced degree.

Admission to the Program

- Non-scholarship freshmen and sophomores may register for Air Force Studies (AFS) courses without incurring a military commitment.
- Students with a minimum of five semesters of school remaining in a graduate or undergraduate status may qualify for Air Force ROTC. For more information, call (859) 257-7115.

Students may enroll in some Aerospace Studies courses without joining the Air Force ROTC cadet corps. For more information, call (859) 257-7115.

AFROTC Curriculum

The AFROTC curriculum consists of both academic classes and leadership laboratory or seminar classes.

- The General Military Course (GMC) is a two-year course normally taken during the freshman and sophomore years.

- The Professional Officer Course (POC) is a two-year course normally taken during the junior and senior years. Along with academic classes each semester, all cadets also take leadership laboratory classes.

In the GMC, there are four academic classes:

Freshman Semesters

AFS 111 offered in Fall semesters

AFS 113 offered in Spring semesters

Sophomore Semesters

AFS 211 offered in Fall semesters

AFS 213 offered in Spring semesters

These cover two main themes – the development of air power and the contemporary Air Force in the context of the U.S. military organization. The GMC academic classes are open to any UK student.

In the POC, there are four academic classes:

Junior Semesters

AFS 311 offered in Fall semesters

AFS 313 offered in Spring semesters

Senior Semesters

AFS 411 offered in Fall semesters

AFS 413 offered in Spring semesters

These cover Air Force management and leadership and national security studies.

NOTE: Entry into the POC years is competitive and is based on

- Air Force Officer Qualifying Test scores
- Grade-point average
- Evaluation by the AFROTC Detachment Commander
- Only physically qualified students in good academic standing may compete for entry into the POC.
- Typically, these courses are for those cadets who have already completed the courses in the GMC, but the courses are open to any UK students.

Students enrolled as cadets are required to be involved once a week in a **1-credit-hour course** in the cadet corps training program designed to simulate a typical Air Force organization and its associated functions. This course is known as **Leadership Laboratory**. A cadet (only), UK students taking the courses electively are not required to take Leadership Laboratory but are also welcome, but cadets only are required to take all of the Leadership Laboratories each semester (fall and spring only) concurrent with their AFS courses listed above. If there are questions, please refer to 859-257-7115 for further inquiries on the matter.

In the GMC Years:

Freshman Semesters

AFS 112 (Fall)

AFS 114 (Spring)

Sophomore Semesters

AFS 212 (Fall)

AFS 214 (Spring)

In the POC Years:

Junior Semesters

AFS 312 (Fall)

AFS 314 (Spring)

Senior Semesters

AFS 412 (Fall)

AFS 414 (Spring)

The leadership laboratories are largely cadet-planned and conducted under the concept that they provide leadership training experiences that will improve the cadets' capabilities as Air Force officers. This also involves three hours of physical training each week. Leadership laboratory is open to students who are members of the Air Force Reserve Officer Training Corps or are eligible to pursue a commission as determined by the Air Force ROTC Detachment Commander.

Field Training

Field training is offered at Maxwell Air Force Base in Alabama. Students receive officer training and leadership development with other students. Simultaneously, the Air Force has an opportunity to evaluate each student as a potential member of its officer corps. Field training courses include cadet orientation, survival training, officer training, aircraft and aircrew orientation, physical training, organizational and

functional aspects of an Air Force base, career orientation, small arms familiarization, first aid, and other supplemental training.

*Test optional policy - The test optional policy allows a student to choose whether to submit a standardized test score as a part of the application process. Applicants may be asked to submit additional documentation (such as admission essays) and/or interview with an admissions staff member. Test optional applicants will be evaluated for admission based on other available documentation, including the high school transcript, recommendations and essays. International students required to demonstrate English proficiency must still submit a TOEFL or IELTS exam. Students should provide standardized scores prior to enrolling for placement purposes. Students may still qualify for institutional grants based on their academic characteristics and financial need. However, if students wish to be considered for an academic scholarship they must still submit official test scores. Test scores are required for placement in English and Math classes. A student who has chosen not to submit test scores prior to start of classes will be placed in ENG 100 and MAT 118.

Variation from this scale is granted only when the transcript specifies a different evaluation. Weighted averages are taken into account for admission and for scholarships.

Home school Transcripts - Candidates to the freshman class or transfer students with fewer than 30 semester hours of university credit post high school graduation who have completed any portion of their secondary education through home schooling are required to provide certification of completion of a home schooling program and documentation of all course work completed. College Transcripts are evaluated on a four-point scale [A (4.0), B (3.0), C (2.0), D (1.0), F (0.0)]. The cumulative point standing based on this evaluation should be 2.50 or above.

ADMISSION DECISION

Each candidate for admission is reviewed individually with careful consideration given to academic records, test scores, application essays, references and the ability to benefit from and contribute to the opportunities offered at Asbury University. Asbury University does not discriminate on the basis of race, color, gender, age, national or ethnic origin, or handicap in the admission of students, in its educational policies or in its activities. In addition, Asbury University does not discriminate on the basis of religion in the admission of students and in student access to educational programs. Asbury University reserves the right to deny admission to any applicant when that decision is determined to be in the best interest of the student or the institution.

When a candidate has completed the application process, one of the following decisions will be made:

- Admission in Good Standing
- Conditional Admission. Applicants who fail to meet the minimum admission criteria may, in some instances, be granted conditional admission. Students granted conditional admissions are usually subject to provisions designed to promote academic achievement. These provisions may include a reduction in course load, and/or enrollment in specific classes or support programs.
- Provisional Admission. In some cases, students will be given provisional admission based on self-reported information or unofficial documents pending receipt of official documentation to complete their application file. If official documentation fails to arrive in the time period allowed, the student faces the potential of immediate suspension and, in any event, will not be allowed to register for the next semester.
- Denied Admission. The Director of Undergraduate Admissions may deny admission to any student whose academic records and/or standardized test scores indicate little likelihood of academic success at Asbury University. Asbury University also reserves the right to deny admission to any applicant when that decision is determined to be in the best interest of the student or the institution. An applicant who has been denied admission has the right to appeal that decision in writing to the

Admissions Review Committee provided the applicant can present relevant additional information in support of his or her application.

NOTIFICATION

Candidates for admission who have completed the application process will receive notification of their admissions status. Information on the next steps of the enrollment process will be included with this communication.

SERVICES & SUPPORT – Traditional Undergraduates

ASBURY COMMUNITY LIFE

Asbury University is a community of learners in the Christian liberal arts tradition with a mission to prepare students educationally, socially, and spiritually to impact their world for Jesus Christ. The community is committed to ten foundational principles (see the undergraduate *Handbook for Community Life*) which promote the development of a holy, holistic and honoring life. At the heart of this community are Jesus' two great commandments found in Matthew 22:37-40: "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind...And...you shall love your neighbor as yourself."

In order to develop a Christ-like higher education environment, the University has guidelines governing social life and conduct on campus, including the use of tobacco, alcoholic beverages and drugs. Students enrolled in the traditional undergraduate program can learn more from the *Handbook for Community Life*.

Whether you are a new or returning student, furthering your education will present opportunities for growth. Asbury University provides programs and support services to assist you as you pursue your educational goal. Go to asbury.edu/life/.

CENTER FOR ACADEMIC EXCELLENCE

The Center for Academic Excellence (CAE), located on the lower level of Kinlaw Library, exists to support students across all academic disciplines. Traditional undergraduate degree students are offered free academic support through the Center for Academic Excellence (CAE) writing support and tutoring services, and Academic Accessibility Resources. Fee-based tutoring is available for Academy students. Students can request tutoring and other academic support services at any time during a semester through the CAE website, asbury.edu/academics/cae or by emailing tutoring@asbury.edu. Call campus ext. 2196 for additional information. See also *Undergraduate Academics*, "Academic Support Services".

ACADEMIC ACCESSIBILITY RESOURCES

Academic Accessibility Resources (AAR) provides reasonable academic accommodations for students with disabilities in accordance with the ADA Amendments Act of 2008 (ADAAA). AAR offers academic accommodations on a case-by-case basis depending on student self-report, past history of need, and current need of academic accommodations. See more under *Undergraduate Academics*, "Academic Support Services". Students who would like more information about receiving academic accommodations can contact the AAR Director at academicaccessibility@asbury.edu or (859) 858-5283.

Students with physical limitations needing accommodations can be successful at Asbury University. Students with physical disabilities who are considering attending at the University must contact the Vice President of Student Development/Dean of Students (ext. 2116) to discuss their situation and accommodation needs.

CENTER FOR CAREER AND CALLING

The Center for Career and Calling exists to assist students in developing effective career decision-making and employment skills reflective of God's unique calling on their lives. The Career and Calling staff help students understand their interests, values, skills, and personalities while applying this knowledge to their choice of academic major, career exploration, and the job search process. The Center provides individual career counseling sessions and manages an online job/internship opportunity web page to assist Asbury University students in connecting with employers who are specifically seeking Asburians as job/intern candidates. On-campus recruiting events and off-campus job fairs are coordinated through the Center. Workshops and classroom presentations occur throughout the year to assist students in developing effective skills in areas such as resume writing, LinkedIn development, job

and internship searching, and interviewing. Go to asbury.edu/career for additional information and online resources or contact us at careerandcalling@asbury.edu or ext. 2401.

COMPLAINTS

The Asbury University Student Complaint Policy (SCP) is available to students who request to have a concern resolved about a person or process of the University community not covered by existing policies, such as the grading policy, residency policy, student code of conduct policy, sexual misconduct policy, etc. The objective of the SCP is to resolve concerns as quickly and efficiently as possible at the level closest to the student.

Informal Resolution

Occasionally, a student will encounter a problem on campus that he or she does not know how to resolve. When this happens, the student should always try to work out the problem by first discussing it with those most appropriately involved with the issue, whether it is faculty, staff member or another student. Dealing with concerns in the most direct and honest fashion should always be the first step toward resolution. Based on the Matthew 18 principle encouraging believers to first go to each other and work out an issue, it is the hope that most issues and complaints could be amicably resolved through a process of discussion and negotiation.

Formal Complaint Process

If the complainant is not satisfied or unwilling to address the issue with the individual, a formal process may be initiated. All formal complaints must be in writing using the official Asbury University Student Complaint Form, which is available online and in the Office of Student Development. For the most efficient and thorough response, complaints should be filed during the semester of occurrence or within 30 days after the end of the semester. Process and procedures for the complaint resolution are available in the Office of Student Development, online at asbury.edu/complaint-policy, or via email to DeanofStudents@asbury.edu.

CENTER FOR WHOLENESS AND WELLNESS

The Center for Wholeness and Wellness endeavors to equip and encourage Asbury University students toward greater personal and community health through the Health Services Clinic and Center for Counseling. The Center staff of licensed counselors, graduate level intern counselors, nurses and doctor work together toward developing the God-given potential of traditional undergraduate students.

Center for Counseling. The Center offers a broad range of professional counseling services including individual, group, couples, pre-marital, marital and crisis counseling. A variety of psycho-educational opportunities are also provided in residence halls, classrooms and special events on campus.

Integrating counseling practice with Christ-centered principles, the office seeks to prepare students for a lifetime of learning, leadership, and service. Services are free to students who are currently enrolled for at least nine hours per semester. Students registered for fewer than nine hours and online students pay a fee of \$50 per session (no insurance required). All counseling services other than consultation/referral

are provided on campus at the Center for Wholeness and Wellness. Visit asbury.edu/counseling for more information.

Health Services. The Health Services Clinic is dedicated to enhancing the educational process by modifying or removing health-related barriers to learning, promoting an optimal level of wellness, and enabling students to make informed decisions about health-related concerns. The University maintains a well-equipped Health Services Clinic with a competent staff of experienced registered nurses and a part-time physician. The Health Services Clinic is open weekdays during the traditional academic year (excluding summers). A nurse triage phone consultation is available for emergencies after hours. Students may see the physician or nurses by appointment at no additional expense, except for certain prescription medications, diagnostic tests, and immunizations. Excellent medical facilities exist in nearby Lexington in case of serious injury or illness. Visit asbury.edu/health for more information.

OFFICE OF SPIRITUAL LIFE AND CHAPEL

Spiritual Life. The Asbury University community is committed to the integration of faith, learning and living. The Office of Spiritual Life serves to nurture students in their spiritual journeys by intentionally encouraging worship, discipleship, community service and social justice. Many discipleship opportunities are offered, including Gather on the floors of every residence hall, covenant groups, Bible studies, and student-led worship events. Banded Discipleship is another opportunity to join a gender-specific group of 3 to 5 peers who intentionally commit to meeting around Scripture, prayer, and accountability questions. Opportunities to serve others include mission trips, weekly outreach ministries of service and justice, and ministry teams to churches and camps during the summer. Students have peer ministry opportunities to serve as discipleship leaders and in their residence halls as Spiritual Life Assistants. The Office of Spiritual Life is committed to equipping students for ministry and service on campus, in the community, and around the world to prepare a new generation of Christian leaders. Go to asbury.edu/spiritual-life or call ext. 2200 for additional information.

Chapel. One of the historic distinctives of Asbury University is the gathering of the traditional undergraduate student body in chapel three times a week. We hear amazing preaching and teaching that invites students into spiritual formation – into the ongoing process of being shaped by the Holy Spirit into the image of Christ for the sake of others. Exalting Jesus Christ as our Cornerstone, students leave Asbury with a greater understanding and experience of Scripture, holiness, stewardship and mission. This worship hour is sacred as students, faculty, and staff are challenged to listen, think, believe, and commit to the calling of Christ to be His people in a broken world, being transformed by the work of the Holy Spirit to live holy. See Undergraduate Academic Policies > Chapel Attendance section, visit asbury.edu/chapel, or call ext. 2200 for more information.

T.A.G. Leaders are prepared to work closely with the students in their group and provide information regarding campus services, programs, and personnel available to help students grow and develop personally and spiritually, manage academic challenges, and/or cope with personal issues, so that they can thrive while at the University and achieve their personal best. The T.A.G. Leaders also offer social opportunities for the students in their group through weekly dinners and monthly activities. Call ext. 2127 for additional information.

Complaints

The Asbury University Student Complaint Policy (SCP) is available to students who request to have a concern resolved about a person or process of the University community not covered by existing policies, such as the grading policy, residency policy, student code of conduct policy, sexual misconduct policy, etc. The objective of the SCP is to resolve concerns as quickly and efficiently as possible at the level closest to the student.

Informal Resolution

Occasionally, a student will encounter a problem on campus that he or she does not know how to resolve. When this happens, the student should always try to work out the problem by first discussing it with those most appropriately involved with the issue, whether it is faculty, staff member or another student. Dealing with concerns in the most direct and honest fashion should always be the first step toward resolution. Based on the Matthew 18 principle encouraging believers to first go to each other and work out an issue, it is the hope that most issues and complaints could be amicably resolved through a process of discussion and negotiation.

Formal Complaint Process

If the complainant is not satisfied or unwilling to address the issue with the individual, a formal process may be initiated. All formal complaints must be in writing using the official Asbury University Student Complaint Form, which is available online and in the Office of Student Development. For the most efficient and thorough response, complaints should be filed during the semester of occurrence or within 30 days after the end of the semester. Process and procedures for the complaint resolution are available in the Office of Student Development, online at asbury.edu/complaint-policy, or via email to DeanofStudents@asbury.edu.

SOCIAL WORK MAJOR

Social Work Department

Dr. Nick Placido, Psy.D., M.S.W., Chair

Sarah Bellew, M.S.W., Social Work Program Director

Social work is the professional activity of helping individuals, families, groups, organizations and communities to enhance or restore their capacity for social functioning and create societal conditions favorable to that goal. Social workers at the baccalaureate level are trained as generalist practitioners, this means the social worker has an eclectic theoretical base that utilizes a systems framework to assess a variety of points for possible intervention. If students are trained to understand that life is dynamically interwoven by historical, social, political, and economic forces, then students will be able to comprehensively assess conditions and be prepared to work in a variety of practice environments and levels of intervention, with specific awareness of vulnerable population groups. Areas of practice include, but are not limited to: work in child welfare/foster care/adoption, medical settings, addictions, mental health/counseling, school social work, community development organizations, non-profit management, homeless shelters, crisis intervention, developmental disabilities, grant writing, policy development, juvenile and adult incarceration, etc.

SOCIAL WORK

The mission of the Asbury University Undergraduate Social Work Program is to prepare graduates who are rooted in the liberal arts, the Christian and Wesleyan perspectives, social work values and ethics, and prepared for generalist social work practice as agents of change in a variety of settings. The Social Work Program is accredited by the Council on Social Work Education (CSWE).

NOTE: All undergraduate social work students are **required** to complete **BIOLOGY** (either BIO 100/101 or 201/203) as their choice of the various sciences listed under the Asbury University Core Requirements. In addition, it is **highly recommended** that students take a wide variety of courses in the areas of anthropology, economics, recent American history, political science, psychology, and sociology. The social work major generally requires a minimum of five semester to complete the sequence of courses. Continuance in the Social Work Program requires achieving a minimum grade of C- in all Social Work (SW) courses and maintaining a cumulative GPA of 2.5 or above.

In order to provide a quality, generalist social work education, the program's faculty has established the following goals for beginning generalist practitioners through the curriculum's knowledge, ethics, and practice with diverse populations.

1. Provide the knowledge, values, skills, and ethics to serve diverse client systems of all sizes and types, integrating knowledge about how individuals, families, groups, communities, and organizations grow and change, using a bio-psycho-social-spiritual perspective, and how these systems function together within the global context of their environment.
2. Develop generalist social work practitioners who are both knowledgeable and understanding of diverse client systems of all sizes including; minorities of color and ethnicity, socioeconomic status, women, mentally and/or physically disabled, LGBTQ populations, whether individuals, families, groups, or communities.
3. Based on the historical context of social welfare rooted in the Judeo-Christian heritage, prepare graduates to work with clients by infusing throughout the curriculum social work values and ethics, as stated in the NASW Code of Ethics, for professional generalist practice.
4. Prepare graduates who think critically about social work knowledge, integrate this knowledge and practice in an ethical manner, effectively communicate with clients, colleagues and supervisors using oral and written skills; and value the continuation of learning and avenues of both personal and professional development throughout their careers.

5. Develop practitioners who understand, integrate knowledge, and practice in evaluation of programs and client systems of all sizes.
6. Develop practitioners who will use their knowledge and practice base to work as advocates and agents of change at all levels of service within organizations and with diverse cultural groups, including policy analysis and social change strategies.
7. Develop generalist social work practitioners who are aware of the concerns of the poor and oppressed in American society and the world, as stated in the Bible; foster within the program an understanding of God's grace to all individuals; and teach students to demonstrate God's grace in the world by using generalist practice skills to protect the rights of the poor and oppressed.
8. Within a professional community of academic and professional excellence, prepare graduates for generalist social work practice through supportive and sustaining relationships with fellow students, faculty and field instructors, which leads to the development of a professional identity, and lifelong learning both personally and professionally.

ORGANIZATIONAL MANAGEMENT MAJOR

Dr. Michael Kane, Dean, Dayton School of Business

Dr. Paul Hamilton, Program Coordinator

The Organizational Management major in the APS program provides the student with a general overview and function of management within an organization. This program provides students with the core competencies in management, accounting, marketing, organizations, and decision-making, and does so from the standpoint of Christian virtues and ethics, such that students can be highly effective in their personal and professional lives. A particular advantage of this program is that non-traditional students bring a diverse array of life and work experiences to courses and the interaction of cohorts of students—this adds richness to the program. Encountering business from a Christian perspective provides students with a deeper understanding of the opportunities and challenges in the for-profit and nonprofit sectors of the economy and society.

ELEMENTARY EDUCATION GRADES P – 5 MAJOR

Dr. Sharon Bixler, Dean, School of Education

Dr. Tim Crook, Chair of Undergraduate Education

Dr. David Riel, Director of Clinical Experiences

The Elementary Education Grades P-5 certificate is intended to provide the working professional with a strong academic program that accommodates the demands of non-traditional students. The Elementary Education Adult Professional Studies Program prepares quality teachers who are committed to professional excellence and who positively impact student learning. This commitment is embodied in the School of Education's model: "Facilitators of Student Success," which seeks to prepare educators in response to the Kentucky Teacher Performance Standards for Educator Preparation and Certification who will be proficient in:

- Standard 1. Learner development.
- Standard 2. Learning differences
- Standard 3. Learning environments.
- Standard 4. Content knowledge.
- Standard 5. Application of content.
- Standard 6. Assessment.
- Standard 7. Planning for instruction
- Standard 8. Instructional strategies.
- Standard 9. Professional learning and ethical practice.
- Standard 10. Leadership and collaboration.

The curriculum is intended for working adults with one or two years of college credit previously obtained. The purpose for enrolling will be to complete the program with a P-5 Elementary Education certification in Kentucky. An integral facet of the program is education in a Christian context with preparation for service in various educational settings. Addressing a broad range of contemporary educational issues, many courses offer opportunities for working with school-age young people. Cooperating officials from nearby school systems, as well as the Kentucky Education Professional Standards Board, provide the Department staff and students access to practical experiences.

Another facet of this program is the opportunity for adults who already have an undergraduate degree in an area other than elementary education to earn licensure in elementary education. Adults who already hold an undergraduate degree and who are seeking licensure for elementary education are strongly encouraged to talk with an advisor in the Adult Professional Studies Program Elementary Education program.

Students who already hold a Bachelor's degree do not need to complete Foundations requirement, but only the major requirements and any specific Foundations courses needed to satisfy teacher certification requirements.

The School of Education preparation programs are approved and accredited by the Kentucky Education Professional Standards Board (EPSB) and accredited by the Council for the Accreditation of Educator Preparation (CAEP).

TEACHER EDUCATION PROGRAM

The Teacher Education Program is administered through a Performance Assessment System built on a continuous improvement cycle which includes four progress check points or "Gates":

- Gate 1—Admission to Teacher Education; admission to upper level courses at the end of the EDA 201 clinical semester
- Gate 2—Review a candidate's education program at the end of the EDA 301 clinical semester
- Gate 3—Admission to Student Teaching at the end of the EDA 401 clinical semester
- Gate 4—Program Exit; recommendation for certification

Students seeking a recommendation for a teaching certificate must be accepted into the Teacher Education Program (Gate 1) in order to complete required professional courses (300 or above). Receiving a "developing" rating at Gate 3 is required to pursue the professional semester and obtain a student teaching assignment. Fulfilling the requirements of Gate 4 (exit from program) results in a recommendation for certification. (Scoring rubrics for ratings, recommendations, interviews and dispositions are located in the current School of Education *Teacher Education Handbook*.) Student teaching, which is considered to be a full-semester of coursework, involves a two-day seminar (I-Steps) held on campus prior to candidates starting their 70-day student teaching experience and 7 on campus seminars throughout the student teaching semester. Students must obtain a minimum GPA of 2.75 on a 4.0 scale in the cumulative GPA (EPSB: or obtain a grade point average of 3.00 on a 4.0 scale on the last thirty (30) hours of credit completed) for admission into the Teacher Education Program. Certification

- The Teacher Education Program at Asbury University is approved by the Kentucky Education Professional Standards Board and accredited by the Council for the Accreditation of Educator Preparation (CAEP). Requirements for each teaching area at Asbury University are in compliance with the minimum regulations set forth by the Kentucky Education Professional Standards Board and are subject to change. Each program curricular design responds to the specific CAEP standards.
- Applicants for a Kentucky teaching certificate must complete state approved program requirements and all graduation requirements which provide for meeting the initial academic certification standards. To be recommended for certification, a candidate must complete a successful interview

at a “proficient” level with the Teacher Education Committee, and the portfolio review with a *Developing* rating, which includes a rating on candidate dispositions. For certification the candidate must also receive scores that meet or exceed the Kentucky established minimums on the PRAXIS II Specialty Area Assessment(s) and Principles of Learning and Teaching.

- When the approved teacher education program and Kentucky certification testing requirements have been met and when an application for Kentucky certification has been completed, a full standard professional certificate may be requested from the Kentucky Education Professional Standards Board.

When certification is desired in another state, keep in mind that most state Departments of Education request a copy of the teaching certificate obtained from the state in which the teacher education program was completed. Graduates can contact a state’s Department of Education to ask for an application for certification and can contact the Certification Specialist at Asbury University for assistance in interpreting individual state certification requirements.

Asbury graduates currently teach throughout the United States and in many foreign countries. Over 60% of the states, including Kentucky, belong to the Interstate Certification Compact.

Student Teaching Overseas - Asbury is affiliated with Interaction International/CCTECC (Christian College Teacher Education Coordinating Council). These organizations provide Asbury with an accredited framework to offer overseas student teaching. Dual placement is necessary, with candidates teaching stateside in a local school district with supervision by Education faculty during half of the professional semester and teaching overseas during the other half of the semester. Careful consideration needs to take place by anyone desiring to student teach overseas. There is an application and stateside training fee. **Candidates must apply at least one full calendar year in advance of student teaching placement.** Contact the Director of Clinical Experiences in the School of Education for details and application specifications.

All program requirements are in response to Kentucky Education Professional Standards Board and are subject to change.

The design of the Ministry Management Program allows for graduates of the Salvation Army College for Officer Training to complete a Bachelor of Science degree or the non-degree study program over a five-year period. Academic Affairs has the responsibility to monitor academic progress for all students enrolled in the University. The typical student in this program will complete one semester's worth of coursework during an academic year, therefore each student's progress will be measured on an annual basis. The following outlines this measurement for the Special APS Programs, Ministry Management-Nonprofit Management program.

The Academic Progress Scale for Ministry Management is as follows:

End of Year	CUM GPA	Status
1	2.0 or above	Good Standing
	Below 2.0	Probation for year 2
2	2.0 or above	Good Standing
	Below 2.0	Probation for year 3
3	2.0 or above	Good Standing
	Below 2.0	Suspension

1. At the end of each year a student with a cumulative GPA of 2.0 or higher will be considered in Good Standing.
2. At the end of each year any student with a cumulative GPA under 2.0 will be considered to be on academic probation under the following guidelines:
 - a. A student on probation who earns a cumulative GPA of 2.0 or higher at the end of the year will be considered to be in Good Standing.
 - b. A student who does not have a cumulative GPA of 2.0 will be permitted to continue on academic probation during year two.

- c. A student who does not have a cumulative GPA of 2.0 at the end of year three following year two on academic probation will be suspended and exited from the program.
- d. At the end of one year of academic suspension, the student may be permitted to return to the program by approval of the Salvation Army Coordinator, Dean of Adult & Online Learning, Registrar, and Academic Dean. If the student is permitted to return, they will return under academic probation status for that year following the aforementioned guidelines.
- e. A student who has been readmitted following a period of academic suspension, will remain eligible for continuation as long as his/her GPA for each semester is 2.30 or better, even though his/her cumulative standing may be below the academic progress scale.

UNIVERSITY STUDENT ACCOUNTS-UNDERGRADUATE

PAYMENT INFORMATION

- The academic year for the Traditional Undergraduate, Asbury Academy and Graduate Program is divided into three sessions: Fall, Spring, and Summer.
- For the Adult Professional Studies Program the academic year is divided into two sessions: Fall and Spring.

Registration is held prior to the beginning of each semester and a “Term Billing Summary” will be available on the Asbury Portal. The Term Billing Summary displays the following calculation, based on pending charges and financial aid to date:

$$\text{Amount Due} = \text{Total Pending Charges and Discounts} - \text{Total Financial Aid}$$

Student Employment, including work study, is not calculated in the Estimated Net Charges, which is the amount used to estimate the Payment in Full or payment plan contract amount. Student Loans and Outside Scholarships will be included in the calculation only if they have been confirmed and approval has been submitted to and processed by the Financial Aid Office.

Note: Checks for church match and scholarships are considered as financial aid and should be mailed to the Financial Aid Office.

The student is responsible for ensuring payment of tuition, fees and all other debts to the University is made in a timely manner. All miscellaneous charges should be paid at the location where incurred to avoid service charges.

PAYMENT OPTIONS

PAYMENT IN FULL – Payment in full of Term Billing Summary AMOUNT DUE is due on the first day of each semester. Any unpaid balance is subject to interest and late fees.

All students will be enrolled in the Payment in Full option unless they enroll in a CASHNet Installment Payment Plan (explained below) during the financial registration period.

PAYMENT PLAN – Students will receive email notification prior to each semester enrollment period with detailed instructions for enrolling in a CASHNet installment payment plan. The Term Billing Summary AMOUNT DUE, or any portion you choose, may be divided over 4 or 5 equal, monthly payments. Payments are due to CASHNet by the last business day of each month. CASHNet charges a non-refundable application fee of \$35 per semester to enroll in an installment payment plan.

The payment plan incurs no interest charge but may incur a late fee from CASHNet if payment is not received by the due date. After missing the second payment, the account will be removed from the CASHNet payment plan, and the balance will become due immediately to Asbury University. Any unpaid balance is subject to interest and late fees.

STUDENT FINANCIAL RESPONSIBILITY

Students must sign a Statement of Financial Responsibility each semester. It is expected that when a student electronically acknowledges a financial agreement to pay all tuition and fees, the student is pledging to faithfully fulfill all financial obligations to the University. The University reserves the right to take whatever steps are necessary for those who default on payment. Diplomas and official transcripts are not released until all academic and financial obligations to the University are satisfied.

POLICY ON UNPAID BALANCES

1. Students must pay all previous balances before registering for a subsequent semester.

2. If a student's account is unpaid at graduation, the diploma/transcript is withheld until such payment is made.
3. Academic transcripts and diplomas will be released to:
 - A. non-enrolled students only when (1) the student account is paid in full and (2) University loans are being paid on schedule.
 - B. currently enrolled students when either: (1) the student account is paid in full, or (2) the student is fulfilling the terms of their particular Payment Plan and all requirements of the Financial Aid Office have been fulfilled.
4. Late charges and Student Account registration holds will not be applied to students for the portion of charges covered by VA education benefits under Chapter 31 or 33. Students will not be required to borrow additional funds to cover a balance caused by delayed disbursement funding from VA under Chapter 31 or 33.

REDUCTION IN CHARGES RELATED TO WITHDRAWAL FROM THE UNIVERSITY

[For official withdrawal procedures, please see Undergraduate 'Academic Policies & Procedures' > 'Withdrawal from the University'.]

1. The Registrar's Office documents the student's official date of withdrawal and the remaining academic weeks registered in the semester based on the official withdrawal procedures. *(The official date of withdrawal is determined by the student's date of notification to the Registrar's Office.)*
 - Total 'ACADEMIC WEEKS' equals the count of weeks from the first class start date to the last class end date registered on the student's schedule for the semester.
 - The 'COMPLETED WEEKS' equals the count of weeks from first class start date through the week of the student's official withdrawal from the university.
 - **(ACADEMIC WEEKS - COMPLETED WEEKS) / ACADEMIC WEEKS x 100 = percentage of semester remaining.**
2. Students withdrawing from the University within the official Drop/Add period will be refunded all charges.
3. After the Drop/Add period any reductions to charges will be calculated using the criteria above for academic weeks and completed weeks.
4. Course fees, lab fees, student activity fees are not refundable after the Drop/Add period.
5. Student Accounts will use the percentage of semester remaining provided by the Registrar's Office to determine any reduction in tuition after the Drop/Add period.
6. Student Accounts will calculate any reduction to housing and meal charges on a pro-rata basis from the date at which the assigned room is vacated, the official checkout procedure is complete, and the key turned in to the resident director.
7. The student will be charged a withdrawal fee of 5% of total charges not to exceed \$100.00.
8. Financial Aid will base any reduction in aid on the date the student requested to withdraw or the midpoint of the enrollment/payment period if the student stopped attending without notification, which may differ from the official withdrawal date. Refer to "Financial Aid Refunds" in the following section for the policy used to return financial aid to the source.
9. Refunds cannot be made to the student until all awards are withdrawn, adjusted or applied to the account.
10. Students who withdraw or are dismissed from the University must complete an application for readmission and be readmitted before being permitted to register again.

FINANCIAL AID FOR UNDERGRADUATES

(Financial aid information is subject to change. Go to <http://www.asbury.edu/offices/financial-aid> for latest information.)

At Asbury University we want to partner with you in funding your education. It is most advantageous to think of funding your education as a partnership between **You** (the student and family), **the Government** (federal and state), **the Institution** (Asbury University) and **Outside Sources** (civic organizations, businesses, etc.).

Institutional and governmental financial aid is available to students who are pursuing a degree on a full-time basis (12 or more credits per semester). Part time governmental aid is available for students taking less than twelve hours each semester.

To receive need-based aid at Asbury University, students must complete the Free Application for Federal Student Aid (FAFSA) each year. It is available after October 1 of the year prior to enrolling and should be submitted before February 1 for optimum consideration.

Offers of financial aid will only be sent to students who have received official acceptance from the Admissions Office and have completed all necessary paperwork. It is the responsibility of the student to ensure that all the appropriate paperwork is turned in to the Financial Aid Office for processing. Students entering and applying for financial aid for the Fall semester (including those selected for verification) must have all paperwork completed and in the Financial Aid Office by September 1 of that term. For students entering in the Spring, the deadline is February 1 of that term.

The Financial Aid Partnership described in paragraph one is best defined by the following:

YOU (THE STUDENT AND FAMILY)

Expected Family Contribution (EFC) is determined by a need analysis as part of the Free Application for Federal Student Aid. You must submit financial and personal information from the most recently completed tax year when completing the FAFSA after October 1 of the year prior to the student enrolling. The EFC is deducted from Asbury's cost of attendance to determine student need. The Financial Aid Partnership functions most efficiently when families commit to paying their share of university costs as suggested by the expected family contribution. For those who are unable to pay, Direct PLUS and Alternative Loans are available.

THE GOVERNMENT (FEDERAL AND STATE)

FEDERAL GRANTS

Federal Pell Grant: The Pell Grant provides money to help high need undergraduate students pay for their education after high school. For many students, this grant provides a foundation of financial aid to which aid from other federal and non-federal sources may be added. Unlike loans, grants do not have to be paid back. The maximum award for the Pell Grant in 2019-2020 is \$6,195. The student must apply for this grant each year by completing the FAFSA and may not receive the grant until enrolled in an eligible program. The grant will be split with one-half being placed on the student's account at the beginning of each semester. The above regulations and provisions of the Pell Grant are subject to change by federal legislative action.

Federal Supplemental Educational Opportunity Grant (FSEOG): This grant is available to enrolled undergraduate students. The selection of applicants for this program is based upon financial need. Applicants with exceptional need and who receive Pell Grants will be given preference. Although federal guidelines state that grants of up to \$4000 per year may be awarded, most grants range from \$500 to

\$1000 per year because of limited funds at Asbury University. The above regulations and provisions of the Supplemental Educational Opportunity Grant are subject to change by federal legislative action.

Federal TEACH Grant: The U.S. Department of Education's TEACH Grant Program provides grant funds to postsecondary students who are completing or plan to complete coursework that is needed to begin a career in teaching, and who agree to serve for at least four years as a full-time, highly qualified teacher in a high-need field, in a school serving low-income students. Eligible full-time students may receive up to \$4,000 per year in TEACH Grant funds, up to a maximum of \$16,000 for undergraduate and post-baccalaureate study, and \$8,000 for graduate study.

If you receive a TEACH Grant, but do not complete the required four years of teaching service within eight years of completing the coursework for which you received the grant, or if you otherwise do not meet the requirements of the TEACH Grant Program, all TEACH Grant funds that you received will be converted to a Federal Direct Unsubsidized loan that you must repay in full, with interest, to the U.S. Department of Education. Once a TEACH Grant is converted to a loan, it cannot be converted back to a grant. For detailed information on this grant, please visit the federal government website:

<https://studentloans.gov/myDirectLoan/index.action>

FEDERAL LOANS AND WORK STUDY

Federal Direct Loan: The Direct Loan program enables a student to borrow directly from the U.S. Department of Education. The maximum a student may borrow per year is: Freshmen \$5,500, Sophomores \$6,500, Juniors and Seniors \$7,500. There are two types of Direct Loans: Subsidized and Unsubsidized. Graduate students may be able to borrow up to \$20,500 per year based on need; only Direct Unsubsidized loans are available to Graduate students. The above regulations and provisions of the Direct Loan are subject to change by federal legislative action. The interest rates on Subsidized and Unsubsidized loans may vary from year to year, but cap at 8.25%.

Federal Direct PLUS Loan: The PLUS is available to credit-worthy parents of dependent children attending college. The maximum amount is equal to the Cost of Attendance less any other financial aid for which the student has qualified. Students must complete a FAFSA, and parents must qualify with the U.S. Department of Education. If parents are denied the PLUS loan, the student is eligible for additional Direct Unsubsidized loan funds. The regulations and provisions of the PLUS loan are subject to change by federal legislative action.

The Direct PLUS Loan is also available to graduate students, if they are credit-worthy applicants. A graduate student may apply to borrow up to the total Cost of Attendance less any other financial aid for which the student has qualified. The student may borrow to help pay for educational expenses as long as he/she is enrolled at least half time in a degree program while meeting all basic eligibility requirements.

Federal College Work Study Program: Students are eligible for part-time employment under the Federal College Work Study program if they meet the requirements to receive federal aid. The selection of students will be made as follows: All students with financial need will be considered, but if funds are not sufficient to cover all requests, students demonstrating the greatest financial need will be given priority.

KENTUCKY GRANT AND SCHOLARSHIP PROGRAMS

Kentucky Tuition Grant (KTG): The Kentucky Tuition Grant is available to Kentucky residents who demonstrate need upon filing the FAFSA and enroll full-time at an eligible private Kentucky college or university.*

College Access Program Grant (CAP): The CAP Grant is available to Kentucky residents enrolled at least half-time at a Kentucky college or university who have Pell Grant eligibility demonstrated by the FAFSA.*

*Students are encouraged to file the FAFSA as soon as possible after October 1 of the year before they are planning to attend, as funds are available on a first-come, first-served basis.

Kentucky Educational Excellence Scholarship (KEES): Students who attend and graduate from certified Kentucky high schools can earn a scholarship based on their grade point average (GPA) for each year of high school and a bonus award based on their highest ACT/equivalent SAT score achieved before graduating from high school. Students must have an annual 2.5 or higher high school GPA for the base amount of the scholarship and a 15 or above ACT or equivalent SAT score for the bonus award. The scholarship is renewable for each year of college. Students who do not meet the minimum GPA requirements and/or are not on track to graduate at the end of an academic year will forfeit all or a portion of the scholarship for the next year. Students may regain eligibility by reestablishing the minimum GPA.

Depending on the type of benefits being used the student may be required to provide additional information necessary to the proper certification of enrollment.

R.O.T.C. Scholarships: In order to support provision for the common defense of the United States of America, Asbury University has established room and board waivers for Reserve Officer Training Corps (ROTC) scholarship recipients. If a full-time student is an ROTC full scholarship recipient from any branch of the United States armed forces, he/she will receive a 100% waiver of standard room and board charges at Asbury University. If a full-time student receives a partial or percentage-of-tuition ROTC scholarship from any branch of the United States armed forces, he/she will receive an equal and corresponding percentage waiver of standard room and board charges at Asbury University. Borrower must be an active, full member of a United Methodist Church for at least one year prior to application. Borrower must be at least 18 years of age to complete the application process. Borrower must be enrolled in an accredited school at least half-time. Borrower must have a cosigner for this loan. The cosigner will be contacted and required to complete a portion to the application. For service credit, a student must contact the National Office of United Methodist Student Loans.

Applications are available online at www.gbhem.org. Funds are available on a first-come, first-served basis.

Alternative Loans: Alternative loans are available for students to reduce any balance between the cost of education and financial aid. These loans are received through a lending institution, with several types being available. Financial Aid personnel will work with a student to determine the best type of loan option and will provide application information. Alternative loans will be counted as pending aid against the student's account for a period not to exceed 60 days after the loan has been originated. After that time such loans will automatically be removed from the student's pending aid. The alternative loan, however, may still be processed and applied to the student's account following the resolution of any issues.

APPLICATION FOR FINANCIAL AID

PROCEDURE: In order to be considered for financial aid, you must file the FAFSA each year (www.fafsa.ed.gov). For optimum consideration:

- Complete and submit a Free Application for Federal Student Aid (FAFSA) (www.fafsa.ed.gov) by October 1.
- Kentucky residents should file **as soon as possible** as state funds are limited and are available on a first-come, first-served basis.

GENERAL POLICIES & NOTES

1. Requests for financial aid award eligibility must be made during the academic year for which the aid is intended. Students pursuing a second bachelor's degree will receive federal or alternative loans based on remaining eligibility, and institutional aid. Unless otherwise noted the following rules apply to all institutional financial aid:
2. Students who enroll for fewer than 12 hours are not eligible to receive a scholarship, except in the case of last-semester-seniors who may receive scholarship and gift aid, but only in the appropriate percentage of the tuition charged.
3. Students are expected to complete their programs in four years (eight semesters). This means that students should carry an average of 16 hours per semester.
4. Home-schooled students are eligible for Presidential Scholarships and other University scholarships. Eligibility is based upon the student achieving a qualifying score on the ACT or SAT. Class rank and high school GPA will not be considered. Students must complete the home school requirements of their home state.
5. Students who enroll in an officially approved special/external program (see Special Programs: Off Campus Programs section of this Bulletin) may receive University financial aid for the program. However, University financial aid will not be given to repeat the same special program.
6. Students in the 3/2 Engineering program at the University of Kentucky (UK) will have aid processed by UK when attending that institution following Asbury enrollment.
7. Student course load for Financial Aid purposes: Undergraduate and Graduate students will be considered full-time, three-quarter-time, half-time, or less-than-half-time for any enrolled semester according to the following schedule of minimum semester hours:

	Full-time	Three-quarter time	Half-time	Less than half-time
Undergraduate Load	12	9-11	6-8	less than 6
Graduate Load	9	n/a	5-8	less than 5

8. In order to receive Asbury University institutional aid for the 2019-2020 school year, students enrolling in the Fall must have their files completed by September 1, 2019, and students enrolling in the Spring must have their files completed by February 1, 2020. A completed file includes: final FAFSA information, completed verification if selected, and completion of all information deemed necessary by the Financial

Aid Office. Students who complete their files after the deadline will be ineligible for aid until such time as their file is complete. Aid awarded after the deadline will be based on availability of funds.

REPAYMENT POLICY: A portion or the entire amount of the cash disbursement may have to be repaid to the awarding program(s) when a student has received a cash disbursement in the form of a check (or cash) from Title IV, Kentucky Higher Education Assistance Authority, or any other state or non-Title IV programs. Full repayments of the cash disbursement amounts will be required if:

1. The student was not eligible to receive the funds when they were disbursed.
2. The student officially or unofficially withdraws from or is expelled by the University before the first day of classes for a payment period.
3. The student unofficially withdraws from the University and the institution is unable to document the student's last day of attendance. In this situation, the midpoint of the semester will be used to assess return of aid.

FINANCIAL AID REFUNDS

A financial aid refund is different from a refund of tuition charges. For a discussion of a refund of tuition charges please refer to the "Expenses: Refunds" section that precedes the Financial Aid section. A financial aid refund is defined as unearned financial aid paid back to its source upon a student's withdrawal from the University. Official withdrawal means that the student has notified the proper offices before leaving school. Unofficial withdrawal occurs when a student simply leaves school without notifying the proper offices. In this scenario the financial aid refund is calculated based on the midpoint of the enrollment period.

RETURN OF TITLE IV (FEDERAL) FINANCIAL AID: When a student withdraws during a term, the amount of federal financial aid earned by the student is determined on a pro-rata basis up to the end of 60 percent of the term (as determined by federal calculations). For example, if the student has completed 30 percent of the term, he/she has earned 30 percent of the federal aid originally scheduled to be received. Once a student has completed more than 60 percent of the term, he/she has earned all of his/her federal financial aid. (Federal Work-Study funds are excluded from the return of Title IV funds requirements.)

If a student has received excess funds, the University must return a portion of the excess equal to the lesser of: The student's institutional charges multiplied by the unearned percentage of funds or the entire amount of excess funds.

If the aid to be returned is in the form of a loan that has been released to the student (or parent) borrower, the student (or parent) can repay the loan in accordance with the terms of the promissory note over a period of time. If the aid to be returned is in the form of grant funds, the law provides that the student must repay 50 percent of the grant rather than 100 percent.

ORDER OF FEDERAL FUNDS TO BE RETURNED: The funds must be credited to outstanding loan balances or to any amount awarded for the term in which a return of funds is required in the following order:

- Direct Unsubsidized Loans
- Direct Subsidized Loans
- Direct PLUS Loans received on behalf of the student
- Federal Pell Grants
- Federal SEOG Grants
- Other Title IV Assistance

Institutional financial aid will be refunded according to the schedule below.

REFUND OF INSTITUTIONAL FINANCIAL AID:

1. Calculation of financial aid refunds is made after notification of the student's official withdrawal from the University is made to the Financial Aid Office by the Office of the Registrar.
2. The date used in determining amount of aid earned will be the last date of attendance in an academically-related activity, or the midpoint of the period of enrollment if no notification is given.
3. The following calculations are used for refunds:
 - A. For calculating refunds, the 'ACADEMIC WEEKS' for a semester are calculated based on the official start and end dates of the student's registered courses.
 - B. Percentage of reduction in financial aid is based on percentage of semester attended before withdrawal or the midpoint of the period of enrollment if no withdrawal notification was given.

Reduction in amount of aid available to student based on:

Percentage of semester attended = $100\% - (\text{withdrawal date}/\text{total academic weeks})$

NOTE: percentage of reduction in tuition charges to student is based on percentage of semester enrolled through the date of withdrawal notification. Please refer to "Refunds" in the Student Accounts section, for the policy on tuition refunds.

REFUND OF PRIVATE SCHOLARSHIPS AND GRANTS: Unless otherwise requested by the donor, the refund of private assistance follows the pro-rata policy for the cancellation of institutional charges and financial aid.

REFUND OF KENTUCKY STATE AID: Kentucky Tuition Grant (KTG), College Access Program (CAP) grant, Kentucky Educational Excellence Scholarship (KEES), and the KHEAA Teach Scholarship follow the pro-rata policy for the cancellation of institutional charges and financial aid.

ACADEMIC PROGRESS AND FINANCIAL AID

SATISFACTORY PROGRESS FOR UNDERGRADUATE STUDENTS

The Higher Education Amendments of 1986 mandate that all students receiving federal student aid funds be required to make measurable academic progress toward a degree.

The awarding of financial aid is based upon Satisfactory Academic Progress (SAP). SAP is comprised of both Quantitative and Qualitative components; a successful passing rate of all academic hours attempted and adequate cumulative grade point average.

Quantitative: The Financial Aid Office monitors the semester hours of students receiving aid to ensure that students are **passing at least 67% of all hours attempted (registered hours, including withdrawn hours)**. Please see the chart below:

Academic Status	Required Minimum Semester Load	Must Earn at Least 67%
Full-time	12	8 hours
$\frac{3}{4}$ time	9-11	6 – 7 hours
$\frac{1}{2}$ time	6-8	4 – 5 hours

The quantitative element is cumulative as evidenced by the following example:

Fall Semester	Spring Semester	Total Attempted (cumulative)	Must Earn at Least 67%
1 st year – 12 hours	15	27 hours	$27 \times 67\% = 18$ hours
2 nd year – 15 hours	16	58 hours	$58 \times 67\% = 38$ hours
3 rd year – 17 hours	15	90 hours	$90 \times 67\% = 60$ hours

- A student considering dropping below 12 semester hours should contact the Financial Aid Office to discuss how such a change will affect financial aid.
- A student who drops below 12 semester hours per semester or fails a course is **REQUIRED** to contact the Financial Aid Office.
- The Registrar will regularly inform the Financial Aid Office concerning the enrollment status and academic progress of all students.

Courses with a grade of I, IP, F/FN, or W count as hours attempted, but not as hours earned. If a student subsequently receives a passing grade in place of one of these grades after academic progress has been evaluated, it is the student's responsibility to notify the Financial Aid Office. Please see the example below:

Hours Attempted Semester	Grades Received Semester	Credit Hours Successfully Completed
Fall - 15	A	3
(1 st year)	C	3
	B	3
	IP	0
	W	0
		9 Credit Hours Completed divided by 15 Hours Attempted = 60%
Spring - 17	B	3
(1 st year)	D	3
	A	3
	A	2
	C	3
	C	3
		26 Credit Hours Completed (cumulative) divided by 32 Hours Attempted (cumulative) = 81%

In this example, in the first payment period (fall semester), the student would receive a Financial Aid Warning for completing less than the required minimum of 67% but would still be eligible to receive aid in the spring semester. At the end of the second payment period (spring semester), as the student has completed more than 67% of his cumulative hours attempted, he has achieved SAP. If the student were still under 67% at the close of spring, he would be placed on Financial Aid Suspension and be considered ineligible for aid for the next payment period.

- Transfer credits count both as hours attempted and hours earned.
- All repeated courses count as hours attempted, but only one of the courses counts toward completed credits. The highest grade attained will be used in the GPA calculation.
- Undergraduates may receive aid for a maximum of 150% of the published length of the educational program. Students enrolled full-time in a four-year program will be eligible to receive aid for a maximum of 12 semesters. Students who are not on track to earn their degree within the maximum time-frame will be denied aid.

[NOTE: Financial Aid requirements may vary from Academic requirements. Students may be cleared academically to register and continue enrollment, but not be eligible for financial aid.]

Qualitative: The Registrar's Office monitors adequate cumulative grade point average (GPA) according to the following academic progress scale. Students who do not satisfy the academic progress scale outlined below are placed on academic probation for a semester.

ACADEMIC PROGRESS SCALE	
Semester hours Attempted	Cumulative Grade Point Average
1 — 24	1.70
25 - 37	1.80
38 — 59	1.90
60 or more	2.00

Students who fail to satisfy the academic progress scale after a semester of academic probation may be allowed to continue for an additional semester of academic probation if it is determined that they are making suitable academic progress, or they may be placed on academic suspension and not allowed to enroll for one semester (not including summer).

Students placed on academic suspension shall forfeit all financial aid until such time as they are again meeting the minimum standards.

Students placed on academic suspension who are re-admitted will have the status of “suspended with permission to enroll.” They may register and continue without financial aid. At such time as these students reach the minimum academic standards, they will again be eligible for financial aid.

Reinstatement of aid is also dependent on availability of funds.

Evaluation of Satisfactory Academic Progress will be at the end of each payment period, including summer. If a student has not achieved SAP at the end of the first payment period, he/she will be given a Financial Aid SAP warning but will be eligible to receive financial aid for the next payment period.

If a student fails to achieve SAP in the payment period following the one for which he/she received a Financial Aid SAP warning, the student will be placed on Financial Aid SAP suspension and will not be eligible for financial aid.

Any student placed on academic suspension by Asbury University will automatically be on Financial Aid SAP suspension.

Students may have their financial aid reinstated without an appeal in the payment period following their successful attainment of the 67% cumulative course completion percentage and/or their successful attainment of the necessary GPA requirements.

Appeals for Financial Aid SAP suspension: Asbury University recognizes that students on Financial Aid SAP suspension may have extenuating circumstances. Appeals are welcome, and every effort will be made to give careful consideration to each appeal. If an appeal is granted, the student will be placed on Financial Aid SAP probation. This will be for one additional payment period only (unless an acceptable Action Plan has been created by the student’s faculty advisor), during which time the student must attain SAP. Appeals should be in writing, designated “SAP Appeal,” and sent to the Financial Aid Office at Asbury University. Each appeal must include a minimum of:

- An explanation as to why the student did not meet Satisfactory Academic Progress.
- A plan of action that will allow the student to meet Satisfactory Academic Progress at the next evaluation.

Time Frame for Financial Aid – Undergraduate Programs

The maximum time frame a student can receive financial aid is equal to 150% of the normal expected time it takes to complete the academic program. The normal expected timeframe to complete Undergraduate degree programs at Asbury University is four years; therefore, a student may receive financial aid for a maximum of six years or 12 semesters at a full-time rate.

APPEALS PROCEDURE FOR FINANCIAL AID DECISIONS

There are occasions when a student may be denied financial aid. The reasons for denial may include one or more of the following:

- Annual income and assets of parents are sufficient to meet educational costs.
- Annual income and assets of student and/or spouse are sufficient to meet educational costs.
- Student is not making satisfactory academic progress toward a degree.
- Student owes a refund or repayment on previous aid and/or is in default on student loan payments.
- Student is taking less than a half-time load.
- Student is not a citizen or permanent resident of the United States (required for federal programs).
- Other resources listed by the student should be adequate to meet educational costs.
- Student has failed to provide sufficient information in order for an award to be made or has failed to provide requested documentation on reported information.
- Student is enrolled in a semester beyond his/her tenth semester.

There are also times when a family's financial resources may change after the original application is submitted and a review of aid awarded is in order.

A student who loses financial aid based upon the academic progress policy or concerning any of the items mentioned above may appeal the loss of funds to the Financial Aid Appeals Committee. The Financial Aid Appeals Committee will consist of the Director of Financial Aid, the Assistant Director of Financial Aid, the Assistant Vice President for Business Affairs, and the Academic Dean. Information regarding the appeal process may be obtained in the Financial Aid Office.

Any appeal for reconsideration must be made to the Financial Aid Committee in writing. An interview may also be needed to clarify new information, or the presentation of documentation may be required for verification of data. In all cases, a student will receive a written response to his/her appeal from the Financial Aid Committee.

Christian Ministry Scholarship: A Christian Ministry Scholarship of \$1000/year has been established for traditional undergraduate students who have at least one parent working in a paid, full-time Christian Ministry.

Alumni Recognition Scholarship: An Alumni Recognition Scholarship of \$1500/year has been established for traditional undergraduate students who have at least one parent who is an alumnus of Asbury University.

Out of State Scholarship: An Out of State Scholarship of \$2000/year has been established for traditional undergraduate students who reside anywhere in the world, but outside the Commonwealth of Kentucky.

International Student Scholarship: Each year the Scholarship Committee will select new international applicants to receive partial scholarships. Selection will be based upon academic standing and a statement of fiscal responsibility. The awarding of these scholarships to new recipients will be made in early spring each year. This scholarship is available only to persons who are not citizens or permanent residents of the United States.

- The purpose of this scholarship is to serve the international community through the education of young leaders, to provide qualified international students the opportunity of an education at Asbury University and to maintain an awareness of international concerns through the presence of students from other countries on campus.
- These scholarships may be renewed for a total of four years or eight semesters (excluding any summer terms) as long as the student maintains satisfactory academic progress. Failure to maintain acceptable academic progress will result in notification of scholarship non-renewal.

Asbury University Alumni Honors Award: Awards consisting of 5% of tuition will be given annually to entering freshmen who are the direct descendants of an Asbury University alumnus. These are one-time awards and are not renewable. The scholarships will be awarded to students who have outstanding high school records. A letter of application must be received by April 15 by the Alumni Relations Office, which selects the recipients. For detailed information, please contact the Alumni Relations Office.

Church Match Grant: The Church Match program was established to encourage churches to support students with scholarship aid. Asbury University will match scholarships awarded by churches up to \$1000 per academic year. The Church Match Grant is not dependent on need and students do not need to fill out a FAFSA to qualify. Gifts will be accepted from churches and mission agencies only and the annual gifts must be received at the University by the first day of classes of an award year. Students enrolling for the spring semester (who were not enrolled in the fall) need to have funds in by the first day of classes of the spring semester. The Church Match Grant will not be awarded for the Summer Term. Applications are required and are available online at <https://www.asbury.edu/offices/financial-aid/forms>.

Multiple Family Waiver: When more than one dependent sibling from a family is enrolled full-time at Asbury University as a traditional undergraduate student, a tuition waiver will be granted for each student (4% of tuition per student for two students and 5% of tuition per student for three or more students). This waiver also applies to husband and wife who are both enrolled full-time in the traditional undergraduate program at Asbury University.

Institutional Employment: Eligible students who have filed their employment application with the Human Resources Office may obtain on-campus employment in such areas as offices, laboratories, dormitories, the library, the cafeteria, the physical plant, or the tutoring services. Students may work up to twenty hours per week at the approved minimum wage level. Applications are required and are available in the Campus Employment Office.

Senior Citizen Waiver: Students enrolled in the traditional undergraduate program who are at least 62 years of age and who are U.S. citizens may receive a waiver of tuition for a maximum of 4.0 credit hours per academic semester (including summer). See Academic Policies > Class Registration > Other Registration Procedures for information.

GRADUATE ACADEMICS

Academic Policies Apply to All Graduate Programs. Some Programs May Have Stricter Policies.

OFFICIAL COMMUNICATION - ASBURY UNIVERSITY EMAIL ACCOUNT

The student's Asbury email is the official means of communication between students, and office representatives and faculty at Asbury University. An Asbury email account will be created for all students; the required log in identifies communications as being from the student. Students are responsible for reviewing and responding to emails in a timely manner. Students should pay close attention to email from the representatives of the offices of Registrar, Financial Aid, or Student Accounts; these are often time sensitive.

ACADEMIC CALENDAR AND CREDIT HOURS

Asbury University operates under a semester calendar. All course credit hours are in semester hours.

Definition Of Credit Hour

Asbury University has established the credit hour to be represented by minutes of guided faculty instruction and minutes of student work across all forms of instructional delivery resulting in equivalent learning opportunity.

Asbury University's definition of the credit hour observes the principles set forth in the federal definition and is the unit used in assigning course credits. Work represented in intended learning outcomes and verified by evidence of student achievement is equivalent to:

1. One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester hour of credit, or the equivalent amount of work over a different amount of time; or
2. At least an equivalent amount of work as required in point (1) of this definition for other academic activities as established by the institution, including laboratory work, internships, practicums, studio work, and other academic work leading to the award of credit hours.

GRADUATE PROGRAMS

Graduate admission is handled through the specific graduate program.

- In order to be an Asbury student with access to class registration students must have completed all admissions requirements and be confirmed as "accepted and final" by the appropriate graduate admissions office.
- Selection of a program determines admissions requirements, program costs, financial aid availability, and academic calendar, as well as availability of specific courses, and degrees.
- Students must submit all official transcripts and documents to be fully admitted.
- Graduate students are enrolled in and 'active' in only one graduate program at a time.
- When moving from one graduate program to another, student must apply to and meet all the requirements for acceptance into the new graduate program.
- Students who complete a graduate degree must reapply to take additional courses or to start a second graduate degree.
- If applying to move to an undergraduate program [Traditional, APS], the start and end dates of registered classes in the current program and the future program may not overlap.

Go to the Asbury university website for admissions information for the different programs:

ACADEMIC SUPPORT AND ADVISING

The role of the academic advisor is to aid students in the choice of courses as well as to provide general guidance. The academic advisor should normally be the person of first recourse for a student who needs help in any area of adjustment to graduate level studies. Prior to each semester's registration,

students should discuss a proposed schedule with a faculty advisor to review the semester's class choices. The purpose of this personal attention is to help students make successful academic progress toward graduation.

All graduate program students will be assigned an advisor within the program entered. All steps in the graduate program will be accomplished in consultation with the advisor. It is the responsibility of the graduate student to become thoroughly informed about the general regulations and policies governing the master's program. The graduate student is also responsible for completing all program requirements within the permitted time limit.

Center for Academic Excellence

The Center for Academic Excellence (CAE) exists to support students across all academic disciplines. Graduate students are offered free academic support through the CAE - writing support and tutoring services, and Academic Accessibility Resources. Students can request tutoring and other academic support services at any time during a semester through the CAE website, asbury.edu/academics/cae or by emailing tutoring@asbury.edu. Contact the CAE office, ext. 2196, or your program office for details.

Academic Accessibility Resources

Academic Accessibility Resources (AAR) provides reasonable academic accommodations for students with disabilities in accordance with the ADA Amendments Act of 2008 (ADAAA). AAR offers academic accommodations on a case-by-case basis depending on student self-report, past history of need, and current need of academic accommodations. Even though the AAR reserves the right to request supporting documentation for requested services, we encourage students to meet with our AAR Director as soon as possible because accommodations are not retroactive. Students who receive academic accommodations complete the same course requirements as all students, and accommodations will not interfere with the fundamental requirements or objectives of the course. Academic accommodations are meant to provide equal access to students. Students who would like more information about receiving academic accommodations can contact the AAR Director at academicaccessibility@asbury.edu or (859) 858-5283. Disability information will remain confidential unless permission is given by the student or where disclosure is required by law. Documentation is housed in the Academic Accessibility Resource office. Documentation will be kept five years past graduation and three years past transfer or withdrawal.

ACADEMIC INTEGRITY

Academic integrity, the embodiment of the moral and spiritual principles to which we adhere, is the essential basis of the Asbury University academic community. Integrity, as partially defined by the Student or Program Handbook on Community Life Expectations, is "both knowing the right thing to do and doing it regardless of the circumstances." This definition may be applied to all of the scholastic interactions of the academic community. Every member of the community shares responsibility for maintaining mutual trust, respect, and integrity. Violations of such trust and specific acts of academic dishonesty will be subject to disciplinary action.

Definitions of Academic Dishonesty:

Academic dishonesty can be defined as any type of cheating relative to a formal academic requirement. Academic dishonesty is typically thought of first as plagiarism. Plagiarism, whether intentionally or unintentionally, occurs when credit is taken for what someone else worked hard to discover and record if there is no clarification from where or from whom information is taken. Plagiarism is the use of another's ideas, words, thoughts, or organization without appropriate credit and documentation when used for a project, paper, presentation, or exam.

More examples of academic dishonesty include, but are not limited to: unauthorized collaborations, fabrications of data, unauthorized access to sources on an exam, excessive revision by someone other

than the student, re-use of previous work without permission, and other situations described by faculty for specific purposes.

Appeals Process

Students desiring to appeal a determination of academic dishonesty will follow the 'Academic Appeals Procedure' found in the Probation, Suspension, and Appeals section of the Asbury University Bulletin.

Determination of Academic Dishonesty and Consequences:

Faculty will address suspected occurrences of academic dishonesty as follows:

1. The faculty member will meet with the student individually to discuss the incident. At the faculty member's discretion, the department chair will either be notified of the meeting or be asked to be present for it. The student will be informed of the department chair's involvement.
2. At the faculty member's discretion the student will receive a lowered grade, an 'F' or 0% on the assignment in question.
3. The faculty member will report the incident in writing to the Registrar who will maintain a record of academic integrity violations.
 - a. If the incident is the student's second offense of academic dishonesty as verified by the Registrar, the student will meet with the Dean of the college or school where the most recent incident occurred. At the Dean's discretion, the student may be given an 'F' in the course.
 - b. If the incident is the student's third offense, the student will be suspended from Asbury University.

MASTER'S DEGREE GENERAL REQUIREMENTS

It is the student's responsibility to fulfill all degree requirements. Students must meet the following minimum degree requirements in all master's programs. Each graduate program may have additional or stricter requirements than outlined below.

1. Completion of required total credit hours of graduate level coursework (30 hours or more) as set by the program.
2. Minimum cumulative grade point average of 3.00 in all coursework.
3. Successfully complete all program requirements within 5 years from date of first enrollment.
4. Students are expected to graduate under the requirements of the Bulletin in effect at the time of first enrollment. (note exceptions)
 - Students may elect to graduate under new requirements placed in effect while enrolled.
 - Students who withdraw or become inactive must reenroll within two years of the last term attended to continue on the same year bulletin degree requirements. Students who reenroll after the two years become subject to all bulletin degree requirements in place at the time of reenrollment.
 - NOTE: Returning students may not reenroll in a degree program that has been discontinued. Returning students in such programs must declare a current active program at the time of readmission.
 - Graduate students with any break in enrollment may be subject to new requirements mandated by outside accrediting agencies upon reenrollment, even within the two year period.
5. Completion of all projects, portfolios, comprehensive examinations or assessment tests as required by individual graduate programs or the University administration.
6. Approval for graduation by the graduate program faculty.
7. Students must file a "Graduation Application" form in the Registrar's Office for the correct academic/commencement year of their expected graduation date by the posted deadline (generally, Oct. 15 for December graduation, and Feb. 15 for May or August graduation). Application information may be found online: www.asbury.edu/offices/registrar/graduation. If the expected graduation date must be moved to a new academic/commencement year, a new graduation application is required to be submitted by the next posted deadline.

GRADUATE ACADEMIC RESIDENCY REQUIREMENTS FOR A DEGREE

Definition: Academic Residency is the minimum number of semester hours/classes that must be completed as a student at Asbury University to be eligible to earn an Asbury University degree.

Requirements

1. Graduate students are expected to complete approximately 65% or more of all program course requirements as a student at Asbury University. See 'Graduate Transfer Credit'.
2. No more than 9.0 graduate credits may be shared and count towards a second master's degree.
3. A master's degree should be completed within five years from the date of first enrollment in the specific graduate program. Students taking longer must apply through their program director to request an extension of academic time.

GRADUATE ACADEMIC POLICIES

STUDENT FULL-TIME ENROLLMENT STATUS AND ACADEMIC LOAD

- 9 or more hours per semester is considered full-time for all graduate programs. The normal academic load varies by specific graduate program.
- 5-8 hours per semester is considered half-time.
- Under 5 hours per semester is considered less-than-half-time.

Class Attendance

In order to assure maximum benefit from class instruction, it is important for students to attend class and complete readings and assignments. Instructors will explain to students at the beginning of each course their attendance expectations and grading policies with respect to absences from class sessions. Students are responsible for class attendance, including punctuality, participation, collegiality, notifying instructors of absences in a timely manner, etc.

GRADUATE TRANSFER CREDIT POLICIES

OFFICIAL DOCUMENTATION OF CREDIT FROM OTHER INSTITUTIONS OR PROGRAMS

All official transcripts, presented to Asbury University for admissions and awarding of credit, must be sent directly from the other institution to Asbury University. Student delivered transcripts and scores may be used for advising; however, they are NOT acceptable as final, official transcripts the transfer of credit.

GENERAL POLICIES FOR TRANSFER CREDIT

- No more than 35% of required graduate hours may come from work outside the Asbury University graduate program. At least 65% of the credit for the graduate degree must be completed as a graduate student at Asbury University.
- Each individual graduate program may have stricter limits on the use of transfer credit from other institutions and outside sources.
- Graduate transfer credit is processed at the time of enrollment based on the recommendation of the specific graduate program director who will evaluate the official transcripts from the incoming student's prior institutions. The graduate program director forwards the recommendation to the Registrar for approval and processing by the end of the student's first semester.

Transfer Of Courses From Another Graduate Program

1. Only credits completed at a regionally-accredited graduate school may be transferred to the graduate program.
2. Outside credit can only be transferred from official transcripts mailed by the other institution or sent by official electronic transfer directly to Asbury University. Credit will not be accepted from faxed, copied, emailed or hand delivered transcripts.

3. Transfer courses must be equivalent to Asbury University courses and meet all accreditation requirements for the respective program.
4. Only graduate courses with a grade of 'B' or better may be transferred.
5. Any graduate level course older than 10 years at the time of program admission is ineligible for transfer and use towards any degree above the Bachelor's level.
6. No graduate courses may be pre-approved to take elsewhere for transfer after matriculation to the Asbury University graduate program.
7. A graduate level course recorded on the academic transcript in one program (at Asbury or at another institution) may be transferred and used only in one additional program, provided the course meets all other transfer conditions and degree requirements.

Graduate course work completed as an undergraduate at Asbury University

1. A limited number of graduate level courses may be completed while an undergraduate student at Asbury University that then may be considered to meet the requirements in a graduate program with certain stipulations.
2. Graduate courses used to satisfy the major requirements for another Asbury degree or credential may not be applied to a graduate program unless specifically indicated and approved by the Academic Dean. [The Dean of the School of Education approves all prior coursework for the education licensure credential.]
3. Limit of 9 graduate level credits for use in one graduate program may be completed prior to earning the bachelor's degree.
4. A graduate level course recorded on the academic transcript in the Asbury undergraduate program may be transferred and used only in one graduate program, provided the course meets all other transfer conditions and degree requirements.
5. The graduate course must have a minimum posted grade of 'B' to be used in one graduate program.
6. Graduate courses taken as an undergraduate will count only in the undergraduate GPA and will not factor into the graduate GPA.

Credit For Prior Learning - Specific Graduate Programs Only

Credit for Prior Learning (CPL) is not accepted in all graduate program offerings. Please refer to specific program advisors for details and eligibility.

Credit is potentially awarded for knowledge gained through employment, training, and life experiences as self-assessed and documented in a portfolio. Students write about what they learned in the work environment at a level that evidences graduate credit. Any credit awarded is academic recognition of graduate-level learning done outside the formal classrooms of Asbury University. There will be a cost to apply for CPL credit. The cost will vary by program area, faculty time required, and number of faculty involved in the learning assessment. A typical review takes 3 hours and is completed by 2 faculty members.

1. Consideration to award CPL is contingent upon applicant showing what learning occurred through the experience. The experience itself does not warrant credit. Faculty reviewers look for academic proficiencies (what was learned) and not for AU course equivalency:
 - Evaluators will look for acquired skills and competencies (what has been learned);
 - Evaluators will make recommendations to the respective school or college dean to award credit for competencies demonstrated by the student in the self-assessment and documentation.
2. Candidates can only use experiences which occurred within the previous seven years prior to starting in the graduate program, and after the completion date of their latest undergraduate degree.
3. No more than 25% of the degree (9 credits for a 36 hour program) – rounded to the lower credit amount – can be counted towards a master's degree through a combination of transfer credit and CPL. Specific graduate programs may have stricter limits on CPL usage.
4. Credit is awarded only for documented student achievement corresponding to academic proficiencies for specific courses within the Asbury's graduate curricular offerings. The award letter

identifies the specific competencies awarded, the credit hours for that competency, and the graduate level of the award.

5. CPL is granted by the school or college dean only upon the recommendation of appropriately qualified teaching faculty for the course. Persons whose responsibility is primarily recruitment are excluded from portfolio reviews intended for graduate CPL.
6. Credit granted for prior experiential learning appears on students' transcripts and may not duplicate other credit awarded to the student in fulfillment of degree requirements.
7. The institution makes no assurances regarding the number of credits to be awarded prior to the completion of the institution's full review process.

GRADUATE CLASS REGISTRATION PROCEDURES

It is the student's responsibility to verify the accuracy of their class schedule on the student portal (portal.asbury.edu) prior to the Drop/Add deadline for the term, and to make any necessary schedule adjustments prior to this deadline.

- All attendees of a course (student or auditor) are to be officially registered and on the class roster.
- Students will be expected to attend the classes on their schedule as of the close of Drop/Add (and only those classes) and will be billed and graded accordingly.
- Students will NOT receive a grade or credit for courses in which they are not properly registered.
- Courses may not be registered or added to the schedule after the fact.

NOTE: Asbury University reserves the right to change course offerings, and to cancel any course not elected by a sufficient number of students at the time offered.

REGISTRATION CHANGES DURING THE OFFICIAL DROP/ADD PERIOD

1. The official Drop/Add periods and the dates of the Last Day to Drop or Add a class are listed in the academic calendar found at the front of the Bulletin.
2. Classes starting on a date after the Official Drop/Add period closes may only be withdrawn or exchanged.
3. Classes must be registered before the end of the official Drop/Add period published for the program.
4. A student can unregister a class during the official Drop/Add period via online registration on the student portal and will have the class cancelled and will not be charged for that particular class.
5. If the student wishes to completely withdraw from all classes at the institution any time after the first day of classes, please see Withdrawal from the University to completely withdraw.
6. No class can be unregistered after the Drop/Add deadline. After the Official Drop/Add period the class can be withdrawn with a grade of 'W' up to the deadline for withdrawing a class. Withdrawing from a class must be officially completed through the Registrar's Office. See 'Withdrawal From A Class after the Drop/Add period' for official process.
7. Students in a graduate program which has classes scheduled to start after the drop/add period ends may be allowed to exchange later classes (for the same credit amount), or add a later class, **BEFORE THE CLASS START DATE**, at the discretion of the Registrar.
8. Students in the graduate program who wish to drop/withdraw from a modular course that meets early in the term but retain a modular course that meets later in the term, even if done during the drop/add period, must contact financial aid to ensure continuation of aid.

NOTE: Changing enrollment status from full-time – to half-time, or less – when unregistering or dropping a course may impact financial aid eligibility. It is the student's responsibility to contact financial aid to see if any change in registration will affect aid.

WITHDRAWING FROM A CLASS AFTER THE DROP/ADD PERIOD

The Drop/Add periods and Last dates to withdraw from a class are listed in the calendar.

1. **A student must contact the Registrar's Office to withdraw from any class.**
 - a. Email registrar@asbury.edu
 - b. The instructor cannot withdraw the student. Notifying the instructor or advisor does not constitute an official withdrawal from a class.
 - c. A student who stops attending a class without giving official withdrawal notice to the Registrar's Office will remain registered and receive a grade of 'F' at the end of the course.
 - d. The official date of withdrawing the class is determined by the student's date of notification to the Registrar's Office.
2. Students must withdraw before the Last day to withdraw without an 'F' set for their program and class session. The official **Last Date to Withdraw from the class sessions** for each program is listed in the academic calendars (Traditional Undergrad, APS, or Graduate) found at the front of this Bulletin. For classes with start and end dates that do not follow the official class sessions or modules listed in the calendar, the last date to withdraw without a grade of F is before the two-thirds point of the class. After the last date to withdraw or after two-thirds of the class sessions have passed, the student must receive the earned grade for the class.
3. Once a course ends or a grade is recorded the course may not be withdrawn.
4. **Students completing below full-time hours may have their financial aid reduced, and should, therefore, check with financial aid before making the decision to withdraw the course.**
5. A grade of 'W' is recorded on the transcript for any withdrawn course. The course will not factor into the calculation of the GPA but will factor into satisfactory progress for financial aid.
6. Students receive no refund of tuition and fees for an individual course which is withdrawn after the official Drop/Add date unless completely withdrawing from all courses at the institution.
7. Students may not unregister/cancel enrollment in a class after the Drop/Add period for the class has passed. The class and hours remain on the schedule as part of their original registered hours for billing and financial aid.
 - a. Classes that have started can only be withdrawn after the drop/add period.
 - b. Modular classes which have not yet started, but which will start after the official drop/add period, can be withdrawn, but may be exchanged for another class that has not yet started.
8. Students in programs with modular classes who wish to withdraw from the beginning or middle modular courses but continue with a class later in a semester should contact financial aid to insure continuation of aid in classes that follow the withdrawn class.

WITHDRAWAL FROM THE UNIVERSITY

1. A student may completely withdraw from the University any time before the end of their final class period of the semester.
2. **To completely withdraw from the University a student must complete the appropriate form with the Office of the Registrar.**
3. The official date of withdrawing the class is determined by the student's date of notification to the Registrar's Office.
4. A student who officially withdraws from the University after the end of the Drop/Add period is assigned the grade of 'W' in all scheduled courses in the current term that are in process or are still scheduled to start. The student will keep any final grades that were posted for classes that finished prior to the withdrawal date.
5. Courses registered for the next or future terms will be unregistered. This may affect future financial aid.

6. Tuition refund percentages for a student who withdraws from the University are described in the FEES AND EXPENSES > STUDENT ACCOUNTS section of the Bulletin. See also FINANCIAL AID REFUNDS.
7. Students who withdraw from the University are no longer Asbury University students and therefore a letter of good standing cannot be issued to another institution.
8. All students who withdraw from the University **must re-apply and be readmitted to register for any subsequent semester - even the next immediate semester.**
9. NOTE: Students who withdraw or become inactive must reenroll within two years of the last term attended to continue on the same year bulletin degree requirements. Students who reenroll after the two years become subject to all bulletin degree requirements in place at the time of reenrollment.
 - ALSO Returning students may not reenroll in a degree program that has been discontinued. Returning students in such programs must declare a current active program at the time of readmission. See "*Master Degree General Requirements*".
 - Graduate students with any break in enrollment may be subject to new requirements mandated by outside accrediting agencies upon reenrollment, even within this two year period.

ADMINISTRATIVE WITHDRAWAL

A student can be involuntarily withdrawn for academic reasons, including failure to act like a student, financial or administrative reasons, and for violation of regulations (disciplinary reasons).

Non-Returning Students:

Students who know they do not plan to return for the next regular semester (Fall or Spring) are asked to inform the Office of the Registrar of this fact. The Registrar's Office will inform the other campus offices of the student's decision not to return.

OTHER REGISTRATION PROCEDURES

REGISTERING TO REPEAT A COURSE

Registering to repeat a course requires assistance from the Registrar's Office. [See Repeat Course Policy under Grades section.]

REGISTERING FOR CONTRACT COURSES

Contract courses are defined as all non-classroom instruction for which credit is given including, but not limited to: Independent Studies, Directed Studies, Internships/Apprenticeships, and Theses/Creative Projects. Any course where the course description indicates 'Contract Course' will follow these procedures.

General Contract Course Procedures

1. All contract courses are subject to the same policies as regular classroom courses with reference to Drop/Add dates, tuition charges, and grading deadlines.
2. All contract courses require an appropriately approved contract created between student and instructor. The Non-classroom Course Contract form is available in the Registrar's Office.
3. The Contract form requires the signatures of the student, the instructor of record, the advisor(s), the department chair, and the dean of the appropriate college/school prior to submission to the Registrar's Office. It is the student's responsibility to secure these signatures.
4. To register for a contract course, the student must submit a fully approved contract form to the Registrar's Office by the Drop/Add deadline for the term.

Graduate Program Requirements and Limitations

1. Each graduate program determines if any contract courses are allowed in their program.
2. If allowed, contract courses used as requirements in a program should have specific pre-requisite and maximum credit limitations set by the program.
3. Contract courses can only be taken to fulfill a degree requirement at the graduate level and cannot serve as extra general electives.

Independent Study and Directed Instruction

1. **Independent Study** is individualized study on a topic of interest beyond the content of regular course offerings. Requires a minimum of 1 – 3 meetings with instructor during the semester. [Registered with course numbers ___ 591/691]
2. There are two forms of **Directed Instruction**:
 - a. **Directed Study** - a faculty-directed study on a topic of interest beyond the content of regular course offerings. Requires a minimum of 50 minutes per week with instructor during the semester. [Registered with course numbers ___ 592/692]
 - b. **Directed Course** - a faculty-directed individualized offering of a regular course not available in a semester, using the course's regular syllabus. Requires a minimum of 50 minutes per week with instructor during the semester. [Registered with the Asbury University Catalog course number, and *drs in course title.] The following factors will govern the approval decisions which will be made by the Department Chair and Dean: validity of need (i.e. required for graduation), inability to substitute an appropriate available course, availability of a teacher, and the student's ability and willingness to meet the demands of directed study.

INTERNSHIPS/APPRENTICESHIPS

Internships/Apprenticeships which are set up on an individual basis will require a Non-classroom Course Contract form to register for credit. These courses involve time spent in practical experiences and work. These are only available in specific graduate programs.

- Internship/Apprenticeships are subject to the same policies as regular classroom courses with reference to Drop/Add dates, tuition charges, and grading deadlines.
- Students should work with their program advisor to establish an apprenticeship's requirements in work hours, the work location, and required documentation for grading.
- Students are required to register for an internship/apprenticeship during the academic term within which the internship activity ends and the grades will be expected.

GRADUATE THESES/CREATIVE PROJECTS

Graduate thesis course [Registered course number 799] allows graduate students working on master's level research, theses or creative projects to remain enrolled until satisfactory completion of the requirement. Master's students must remain actively enrolled while writing or working on their thesis/project.

- Each graduate program will have set the minimum credits that will be required for that program's thesis/creative project.
- The thesis advisor works with the student to develop a plan of study to set the pace/terms in which the individual student should complete the required number of credits for the thesis/creative project.
- **IMPORTANT:** The plan of study must allow for all submission and review of the thesis/creative project by the graduate faculty to be completed before the end date of the final registered 799 class.
- If the thesis/creative project is not finished in the set time plan, the student will continue to register for the 1.0 credit in 799 each semester until 'passing' is reported to the registrar's office by the graduate faculty on the Thesis/Creative Project Approval Form.

Extended Enrollment To Complete The Thesis/Creative Project

- If the graduate faculty determines the thesis/creative project is not complete or is not ready for review before the class end date the student must register for 1.0 additional credit in 799 in the next semester.
- Student must register each semester in 799 until satisfactorily completed as determined by the graduate faculty (may skip summer term only).
- Students who sit out a fall or spring semester will have to apply for readmission to return and must register again for 1.0 credit 799 to continue the process to complete the thesis/creative project.

- The thesis/creative project must be finished within 5 years of starting in the degree program to meet the program graduation requirement. Shorter deadlines may be imposed by specific graduate programs.

Grading the Thesis/Creative Project/Research Project

- The 799 Thesis/Creative Project course will be assigned the letter grade of 'L' (load credit) by the Registrar, designating the course as in 'load' for the student.
- The 799 class may not be assigned an incomplete grade to finish work at a later date. If the submission and faculty review is not completed by the end date of the registered term, the student must register for an additional 1.0 credit thesis/project class. No late submissions are allowed.
- Upon successful completion of the thesis/creative project/research project review by the graduate faculty, the graduate department chair/program director completes the Thesis/Creative Project Approval Form and submits the final approval to the Registrar. The Registrar records a passing grade of 'P' in place of the 'L' recorded as the final grade for the last registered 799, indicating the student has satisfactorily completed the thesis/creative project for the program.

COURSE EXCHANGES

In the programs that have modular classes which have classes starting later in the term students may have the option to exchange future courses which have not yet begun.

1. The exchange must occur prior to the start date of both courses involved.
2. Both courses involved in the exchange must be worth the same number of credits.
3. Students must contact the Registrar's Office to make this adjustment to their official registration.
4. Students should not attend courses for which they are not officially registered.

UNDERGRADUATE STUDENT PERMISSION TO TAKE GRADUATE LEVEL COURSES

Qualified undergraduate seniors who demonstrate outstanding scholastic ability, may be permitted to enroll for a graduate course (500-level) simultaneously with undergraduate courses with permission from the graduate program. See Undergraduate Academic Policies > Class Registration > Other Registration Procedures.

GRADES

EXAMINATIONS

All assignments are to be due by and all examinations must be given by the posted last date of the class. Posted class end dates may not be extended. No final examination or academic activity can be scheduled after the class end date. Graduate courses typically schedule any final examination in the last few days of the class.

GRADE SCALE

The grades which are assigned to student performance in a particular course are listed below with their respective quality point values. Scholastic standing is defined as the ratio of total quality points to the total semester hour credits attempted, excluding transfer hours and non-graded credit hours (credit in a credit/no-credit course). For each hour of graded credit, quality points are assigned as follows:

Grade	Description	Quality Points
A	Excellent	4.00
A-		3.70
B+		3.30
B	Good	3.00
B-		2.70
C+		2.30
C	Average	2.00
C-		1.70
D	Passing	1.00

F	Failure	0.00
FN	Unearned F	0.00

["FN" – The grade of "FN" is awarded to a student who ceased attendance/participation and consequently failed to complete the course objectives.

'F' – The grade of 'F' is awarded for a student who completed the class but failed in accordance with syllabus standards, whether due to academic performance or irregular attendance/participation.]

The following grades are not counted in the calculation of the grade point average.

I	Incomplete
W	Withdrew
P	Passing credit/no credit course
N	Not passing credit/no credit course
L	Load credit for ongoing master's research
AU	Course set to an Audit (0.00 credit)

GRADING TIMEFRAME

All assignments are to be due by and all examinations must be given by the posted last date of the class. Posted class end dates may not be extended. No final examination or academic activity can be scheduled after the class end date. Grades are issued no later than one week after the posted last day of a class. Any perceived discrepancies should be reported to the course instructor. Changes must be reported by the instructor to the Registrar's Office in writing within 30 days of the posting of the grade.

CHANGE OF A GRADE

Final course grades may be changed only in the case of miscalculation of points. Re-evaluation of a student's work or late submission of work by a student is not normal grounds for changing a final course grade. Within 30 days of posting a final grade an instructor may change a final course grade by filing the appropriate form with the Registrar. This change must be submitted by the instructor and approved by the responsible department chair. After 30 days of posting a final grade an instructor desiring to change the grade must seek approval of the responsible dean over their department and file such a request with the Academic Dean. Decisions of the Academic Dean will be considered final. After the 30 day change of grade period, and after graduation has been posted, all grades of the student are final.

INCOMPLETE GRADE

1. A temporary grade of incomplete ('I') may be granted by the Dean of the appropriate college/school where the course resides. An incomplete may be granted, at the instructor's recommendation, due to extenuating circumstances that interrupt the semester, such as equipment breakdown or medical crisis. Quality of work or failure to meet deadlines is not a criterion for an incomplete and will not be granted on such basis. A student seeking an incomplete in more than one course may only be granted by the Academic Dean. The end date of a course may not be extended outside of an approved incomplete.
2. Faculty or students anticipating the need for an incomplete should contact the appropriate Dean of the college prior to the completion of the course. Once approved by the appropriate Dean, the faculty member submits the incomplete request to the Registrar.
3. An incomplete cannot be initiated by the student after the course's end date. Once an incomplete is granted the student is informed of the incomplete. It is then the student's responsibility to contact the instructor and make satisfactory arrangements to complete the outstanding work. A student who receives an 'I' grade must complete the work within 60 days of the course's end date. Once an incomplete is granted, a student may not request to be withdrawn from the incomplete. A final grade of 'F' will be recorded for students who do not complete the outstanding work by the deadline.

REPEAT COURSE POLICY

1. Registering to repeat a course requires assistance from the Registrar's Office.
2. Students in all Graduate programs may repeat a grade of 'C' or below.
3. No more than two graduate courses may be repeated by a student in a graduate program.

4. The repeated course must be repeated at Asbury University with a course deemed equivalent by the Registrar's Office.
5. The higher earned grade in any repeated course will count in the computation of the cumulative grade point average.
6. Credit hours in repeated courses will count only once academically. Financial Aid will count the both course attempts in total attempted credits for financial aid calculations.
7. Repeated courses will be indicated as such on the permanent record.
8. A Graduate level course taken as an undergraduate student counts for grade and GPA only on the undergraduate transcript. Therefore, repeats of graduate courses taken as an undergraduate will not affect the graduate GPA.

COMMENCEMENT ELIGIBILITY AND PROCEDURE

Graduation Application Form

All students who are in the final year of completing a degree must complete the graduation application (degree progress form) by the stated deadline. Application information may be found online:

MASTER OF BUSINESS ADMINISTRATION

Dr. Michael Kane, Dean, Dayton School of Business and Director of MBA

Sustainable, innovative wealth creation in the economy, as well as viable, effective social institutions in the nonprofit sector, require sophisticated management skills grounded in a robust understanding of ethics and Christian virtues. Asbury University's online MBA program educates men and women from around the world in a graduate management curriculum that will enable them to integrate their faith and work in a manner that leads to our distinctive focus on management of the triple bottom line – profit, people, and purpose. First, profit is important to sustain and grow the organization. This requires students to learn how to steward financial capital. Second, people are equally important; this principle necessitates that managers be stewards of social capital. Without trust and respectful treatment, employees and suppliers cannot create value for the customers. Third, a business needs a broader purpose. Students need to learn that spiritual capital can transform the community in which the business works. Students who complete our program will be poised to provide effective leadership in management, with integrity and conscience, across a broad range of careers and organizations.

GRADUATE PROGRAMS IN EDUCATION

Dr. Sharon Bixler, Dean, School of Education

Dr. Lewis Willian, Chair of Graduate Education

Dr. David Riel, Director of Clinical Experiences

GRADUATE EDUCATION PROGRAM MISSION STATEMENT

The Graduate Education Program of Asbury University is committed to preparing leaders for the schools of today and tomorrow. As part of the School of Education, the following mission statement applies to the Graduate Education Program: *Our mission as the School of Education is to facilitate the preparation of professional educators who embody world-class academic excellence, spiritual integrity, and servant leadership.*

To accomplish this end, the Graduate Education Program creates a community and learning environment conducive to individual professional growth while embracing an ever-widening educational partnership with schools both local and worldwide. As part of the clinical-based design in the School of Education, candidates in Graduate Education will focus on instructional design, student assessment, analysis of learning, diagnosis of student needs, and prescription of appropriate interventions. A Virtual Teaching School provides the foundation for delivering clinical preparation. To accomplish this, candidates will have specific and intentional clinical opportunities in each course and will have extended clinical school-embedded experiences integrated throughout the preparation process. The entire program is designed to facilitate education candidates entering a student-centered profession for the 21st century.

In keeping with the institutional commitment to evangelical Christianity in the Wesleyan-holiness tradition, a basic tenet of this program is the cherished preservation of our moral and ethical roots of educational inquiry and thought, content-specific and pedagogical knowledge, professional competence, and Christian caring with an intentional focus on preparation for educational leadership. Reflecting the institution's commitment to develop the professional, the Graduate Education instruction targets individual areas of anticipated development and provides models for professional growth, clinical experiences, and leadership to accommodate specific educational paradigms. Within a framework of moral stewardship and through diverse and exemplary models of teaching, the Graduate Education Program strives to enable its students to become leaders and facilitators of the educational community. Recognizing the influence of our Wesleyan holiness roots and the need for professionals with strong moral and ethical character, the School of Education endeavors to prepare individuals who are committed to a lifetime of learning and will model servant leadership in support of the profession, society, family and the Church.

Foundational to its philosophy, *Facilitators of Student Success*, the Graduate Education Program seeks to prepare graduate students in response to the Kentucky Teacher Performance Standards for all graduate programs granting a license to teach. The three leadership programs have their respective standards which include the International Reading Standards, the Professional Standards for Educational Leaders, and the Technology Standards for School Administrators. In addition, all candidates in graduate education programs must meet the expectations for the School of Education's Disposition Standard XI, "demonstrate *dispositions that facilitate student learning and success while fostering professional community.*"

The Graduate Education Program offers the Master of Arts degree with opportunity for study in a number of certification areas. Options and specific requirements within these areas are listed below.

Local graduate students are welcome to attend chapel on Monday, Wednesday and Friday at 10 a.m. as well as evening worship during our spiritual emphasis weeks in September and January. Complaints

The Asbury University Student Complaint Policy (SCP) is available to students who request to have a concern resolved about a person or process of the University community not covered by existing policies, such as the grading policy, residency policy, student code of conduct policy, sexual misconduct policy, etc. The objective of the SCP is to resolve concerns as quickly and efficiently as possible at the level closest to the student.

Informal Resolution

Occasionally, a student will encounter a problem on campus that he or she does not know how to resolve. When this happens, the student should always try to work out the problem by first discussing it with those most appropriately involved with the issue, whether it is faculty, staff member or another student. Dealing with concerns in the most direct and honest fashion should always be the first step toward resolution. Based on the Matthew 18 principle encouraging believers to first go to each other and work out an issue, it is the hope that most issues and complaints could be amicably resolved through a process of discussion and negotiation.

Formal Complaint Process

If the complainant is not satisfied or unwilling to address the issue with the individual, a formal process may be initiated. All formal complaints must be in writing using the official Asbury University Student Complaint Form, which is available online and in the Office of Student Development. For the most efficient and thorough response, complaints should be filed during the semester of occurrence or within 30 days after the end of the semester. Process and procedures for the complaint resolution are available in the Office of Student Development, online at asbury.edu/complaint-policy, or via email to DeanofStudents@asbury.edu.

The Health Services Clinic is dedicated to enhancing the educational process by modifying or removing health-related barriers to learning, promoting an optimal level of wellness, and enabling students to make informed decisions about health-related concerns. The University maintains a well-equipped Health Services Clinic with a competent staff of experienced registered nurses and a part-time physician. The Clinic is open weekdays during the traditional academic year (excluding summers) and offers local graduate students visits to the nurse or doctor on a fee-per-service basis. Since the Health Services Clinic does not participate with or bill any insurance, payment is due at the time of service. Visit asbury.edu/health for more information.

Housing

The University has a limited amount of housing for graduate students. Contact the Physical Plant (ext. 2443) at the earliest possible date, as there may be a wait list.

Intramural Sports

The intramural program is open to all local Asbury University students, alumni, faculty, and staff. A variety of sports, activities, and special events are available throughout the year. Visit asbury.edu/intramurals for more information.

UNIVERSITY STUDENT ACCOUNTS - GRADUATE

PAYMENT INFORMATION

The academic year for the Graduate Program is divided into three sessions: Fall Semester, Spring Semester and Summer Term.

Registration is held prior to the beginning of each semester and a "Term Billing Summary" will be available on the Asbury Portal. The Term Billing Summary displays the following calculation, based on pending charges and financial aid to date:

Amount Due = Total Pending Charges – Total Financial Aid

Student Loans and Outside Scholarships will be included in the calculation only if they have been confirmed and approval has been submitted to and processed by the Financial Aid Office.

Note: Checks for scholarships are considered as financial aid and should be mailed to the Financial Aid Office.

The student is responsible for ensuring payment of tuition, fees and all other debts to the University is made in a timely matter. We recommend that all miscellaneous charges be paid at the location where incurred to avoid service charges.

PAYMENT OPTIONS

Payment In Full – Payment in full of Term Billing Summary AMOUNT DUE is due on the first day of each semester. Any unpaid balance is subject to interest and late fees.

All students will be enrolled in the Payment in Full option unless they enroll in a CASHNet Installment Payment Plan (explained below) during the financial registration period.

Payment Plan – Students will receive email notification prior to each semester enrollment period with detailed instructions for enrolling in a CASHNet installment payment plan. The Term Billing Summary AMOUNT DUE, or any portion you choose, may be divided over 4 or 5 equal, monthly payments. Payments are due to CASHNet by the last business day of each month. CASHNet charges a non-refundable application fee of \$35 per semester to enroll in an installment payment plan.

The payment plan incurs no interest charge but may incur a late fee from CASHNet if payment is not received by the due date. After missing the second payment, the account will be removed from the CASHNet payment plan, and the balance will become due immediately to Asbury University. Any unpaid balance is subject to interest and late fees.

STUDENT FINANCIAL RESPONSIBILITY

Students must sign a Statement of Financial Responsibility each semester. It is expected that when a student electronically acknowledges a financial agreement to pay all tuition and fees, the student is pledging to faithfully fulfill all financial obligations to the University. The University reserves the right to take whatever steps are necessary for those who default on payment. Diplomas and official transcripts are not released until all academic and financial obligations to the University are satisfied.

POLICY ON UNPAID BALANCES

1. Students must pay all previous balances before registering for a subsequent semester.
2. If a student's account is unpaid at graduation, the diploma/transcript is withheld until such payment is made.
3. Academic transcripts and diplomas will be released to:

- A. non-enrolled students only when (1) the student account is paid in full and (2) University loans are being paid on schedule.
 - B. currently enrolled students when either: (1) the student account is paid in full, or (2) the student is fulfilling the terms of their particular Payment Plan and all requirements of the Financial Aid Office have been fulfilled.
4. Late charges and Student Account registration holds will not be applied to students for the portion of charges covered by VA education benefits under Chapter 31 or 33. Students will not be required to borrow additional funds to cover a balance caused by delayed disbursement funding from VA under Chapter 31 or 33.

REDUCTION IN CHARGES RELATED TO WITHDRAWAL FROM THE UNIVERSITY

[For official withdrawal procedures, please see Graduate 'Academic Policies & Procedures' > 'Withdrawal from the University'.]

1. The Registrar's Office documents the student's official date of withdrawal and the remaining academic weeks registered in the semester based on the official withdrawal procedures. *The official date of withdrawal is determined by the student's date of notification to the Registrar's Office.*
 - Total 'ACADEMIC WEEKS' equals the count of weeks from the first class start date to the last class end date registered on the student's schedule for the semester.
 - Total 'COMPLETED WEEKS' equals the count of weeks from first class start date through the week of the student's official withdrawal from the university.
 - **(ACADEMIC WEEKS - COMPLETED WEEKS) / ACADEMIC WEEKS x 100 = percentage of semester remaining.**
2. Students withdrawing from the University within the official Drop/Add period will be refunded all charges.
3. After the Drop/Add period, any reduction in charges will be calculated using the criteria above for academic weeks and completed weeks.
4. Course fees, lab fees, and student activity fees are not refundable after the Drop/Add period.
5. Student Accounts will use the percentage of semester remaining provided by the Registrar's Office to determine any reduction in tuition.
6. The student will be charged a withdrawal fee of 5% of the total charges, not to exceed \$100.00.
7. Financial Aid will base any reduction in aid on the date the student requested to withdraw or the midpoint of the enrollment/payment period if the student stopped attending without notification, which may differ from the official withdrawal date. Refer to "Financial Aid Refunds" in the following section for the policy used to return financial aid to the source.
8. Refunds cannot be made to the student until all awards are withdrawn, adjusted, or applied to the account.
9. Students who withdraw or are dismissed from the University must complete an application for readmission and be readmitted before being permitted to register again.

GRADUATE FINANCIAL AID

(Financial aid information is subject to change. Go to www.asbury.edu/offices/financial-aid for latest information.)

At Asbury University we want to partner with you in funding your education. It is most advantageous to think of funding your education as a partnership between: **You, Federal and State Governments, and Outside Sources.**

Federal financial aid is available to students who are pursuing a degree on at least a half-time basis (five or more credit hours per semester).

To be considered for federal aid at Asbury University, students must complete the Free Application for Federal Student Aid (FAFSA) and the Graduate Aid Application each year. The FAFSA is available after October 1 of the year prior to planned enrollment.

Offers of financial aid will only be sent to students who have received official acceptance from the Admissions Office and have completed all necessary paperwork. It is the responsibility of the student to ensure that all the appropriate paperwork is turned in to the Financial Aid Office for processing. Students entering and applying for financial aid for the Fall semester (including those selected for verification) must have all paperwork completed and in the Financial Aid Office by September 1 of that fall term. For students entering in the Spring semester, the deadline is February 1 of that spring term.

THE GOVERNMENT (FEDERAL AND STATE)

FEDERAL GRANTS

Federal TEACH Grant: The U.S. Department of Education's TEACH Grant Program provides grant funds to postsecondary students who are completing or plan to complete coursework that is needed to begin a career in teaching, and who agree to serve for at least four years as a full-time, highly qualified teacher in a high-need field, in a school serving low-income students. Eligible full-time students may receive up to \$4,000 per year in TEACH Grant funds, up to a maximum of \$8,000 for graduate study.

If you receive a TEACH Grant, but do not complete the required four years of teaching service within eight years after completing the coursework for which you received the grant, or if you otherwise do not meet the requirements of the TEACH Grant Program, all TEACH Grant funds that you received will be converted to a Federal Direct Unsubsidized loan that you must repay in full, with interest, to the U.S. Department of Education. Once a TEACH Grant is converted to a loan, it cannot be converted back to a grant. For detailed information on this grant, please visit the federal government website:

<https://studentloans.gov/myDirectLoan/index.action>

FEDERAL LOANS AND WORK STUDY

Federal Direct Loan: The Direct Loan program enables a student to borrow directly from the U.S. Department of Education. Graduate students may be able to borrow up to \$20,500 per year based on eligibility; only Direct Unsubsidized loans are available to Graduate students. The above regulations and provisions of the Direct Loan are subject to change by federal legislative action. The interest rates on Unsubsidized loans may vary from year to year, but cap at 8.25%.

Federal Direct PLUS Loan: The Direct PLUS Loan is available to graduate students, if they are credit-worthy applicants. A graduate student may apply to borrow up to the total Cost of Attendance less any other financial aid for which the student has qualified. The student may borrow to help pay for educational expenses as long as he/she is enrolled at least half time in a degree program while meeting all basic eligibility requirements. Students must complete a FAFSA and qualify with the U.S. Department

of Education. The regulations and provisions of the PLUS loan are subject to change by federal legislative action.

Federal College Work Study Program: Students are eligible for part-time employment under the Federal College Work Study program if they meet the requirements to receive federal aid. The selection of students will be made as follows: All students with financial need will be considered, but if funds are not sufficient to cover all requests, students demonstrating the greatest financial need will be given priority.

OUTSIDE SOURCES

Veteran's Benefits: Veterans, their spouses, or dependents may qualify for VA Education and Training Benefits. Eligibility is determined by the VA. For more details and to apply for education benefits, visit www.gibill.va.gov or call 1.888.442.4551 (request to speak with an educational benefits counselor).

To use VA benefits at Asbury University students must submit a written request to use their VA education benefits, and their Certificate of Eligibility (COE) for educational benefits. These items are due no later than the first day of classes. Depending on the type of benefits being used the student may be required to provide additional information necessary to the proper certification of enrollment.

Alternative Loans: Alternative loans are available for students to reduce any balance between the cost of education and financial aid. These loans are received through a lending institution, with several types being available. Financial Aid personnel will work with a student to determine the best type of loan option and will provide application information. Alternative loans will be counted as pending aid against the student's account for a period not to exceed 60 days after the loan has been originated. After that time such loans will automatically be removed from the student's pending aid. The alternative loan, however, may still be processed and applied to the student's account following the resolution of any issues.

APPLICATION FOR FINANCIAL AID

PROCEDURE: In order to be considered for financial aid, you must file the FAFSA each year (<https://studentaid.ed.gov>), and complete a Graduate Aid Application (www.asbury.edu/offices/financial-aid/forms).

GENERAL POLICIES & NOTES

1. Requests for financial aid award eligibility must be made during the academic year for which the aid is intended.
2. Student course load for Financial Aid purposes: Graduate students will be considered full-time or half-time for any enrolled semester according to the following schedule of minimum semester hours:

	Full-time	Half-time
Graduate Enrollment	9+	5-8
3. In order to receive financial aid for 2019-2020 students enrolling in the Fall must have their files completed by September 1, 2019, and students enrolling in the Spring must have their files completed by February 1, 2020. A completed file includes: final FAFSA information, completed verification, if selected, and completion of all information deemed necessary by the Financial Aid Office. Students who complete their files after the deadline will be ineligible for aid until such time as their file is complete.

REPAYMENT POLICY: A portion or the entire amount of the cash disbursement may have to be repaid to the awarding program(s) when a student has received a cash disbursement in the form of a check (or

cash) from Title IV, Kentucky Higher Education Assistance Authority, or non-Title IV programs. Full repayments of the cash disbursement amounts will be required if:

1. The student was not eligible to receive the funds when they were disbursed.
2. The student officially or unofficially withdraws from or is expelled by the University before the first day of classes for a payment period.
3. The student unofficially withdraws from the University and the institution is unable to document the student's last day of attendance. In this situation, the midpoint of the semester will be used to assess return of aid.

RETURN OF TITLE IV (FEDERAL) FINANCIAL AID: When a student withdraws during a term, the amount of federal financial aid earned by the student is determined on a pro-rata basis up to the end of 60 percent of the term (as determined by federal calculations). For example, if the student has completed 30 percent of the term, he/she has earned 30 percent of the federal aid originally scheduled to be received. Once a student has completed more than 60 percent of the term, he/she has earned all of his/her federal financial aid. (Federal Work-Study funds are excluded from the return of Title IV funds requirements.)

If a student has received excess funds, the University must return a portion of the excess equal to the lesser of: The student's institutional charges multiplied by the unearned percentage of funds or the entire amount of excess funds.

If the aid to be returned is in the form of a loan that has been released to the student borrower, the student can repay the loan in accordance with the terms of the promissory note over a period of time. If the aid to be returned is in the form of grant funds, the law provides that the student must repay 50 percent of the grant rather than 100 percent.

ORDER OF FEDERAL FUNDS TO BE RETURNED: The funds must be credited to outstanding loan balances or to any amount awarded for the term in which a return of funds is required in the following order:

Direct Subsidized Loans

Direct PLUS Loans

Other Title IV Assistance

Institutional financial aid will be refunded according to the schedule below.

REFUND OF INSTITUTIONAL FINANCIAL AID:

1. Calculation of financial aid refunds are made after notification of the student's official withdrawal from the University is made to the Financial Aid Office by the Office of the Registrar.
2. The date used in determining amount of aid earned will be the last date of attendance in an academically-related activity, or the midpoint of the period of enrollment if no notification was given.
3. The following calculations are used for refunds:
 - A. For calculating refunds the 'ACADEMIC WEEKS' for a semester are calculated based on the official start and end dates of the student's registered courses.
 - B. Percentage of reduction in financial aid is based on percentage of semester attended before withdrawal or the midpoint of the period of enrollment if no withdrawal notification was given.

Reduction in amount of aid available to student based on:

Percentage of semester attended = $100\% - (\text{withdrawal date}/\text{total academic weeks})$

NOTE: percentage of reduction in tuition charges to student is based on percentage of semester enrolled through the date of withdrawal notification. Please refer to "Refunds" in the Student Accounts section for the policy for tuition refunds.

REFUND OF PRIVATE SCHOLARSHIPS AND GRANTS: Unless otherwise requested by the donor, the refund of private assistance follows the pro-rata policy for the cancellation of institutional charges and financial aid.

REFUND OF KENTUCKY STATE AID: THE KHEAA Teach Scholarship follows the pro-rata policy for the cancellation of institutional charges and financial aid.

SATISFACTORY ACADEMIC PROGRESS - GRADUATE STUDIES

See Academic Policies-Probation and Suspension to see the Academic Standards calculations for Graduate Students.

Quantitative: The Financial Aid Office monitors semester hours of graduate students receiving aid to ensure that an appropriate course load is maintained according to the following chart:

Aid status	Required semester load	Required annual hours completed to continue receiving aid
Full-time	9	18
Half-time	5-8	10

All students, including graduate students, are subject to the Academic Progress and Financial Aid policy described above except as more specifically delineated below.

All students, including graduate students, are subject to the Appeals Procedure for financial aid as follows.

All students, including graduate students, are subject to the Appeals Procedures-Academic as delineated in the Graduate Academic Policies and Procedures: Probation & Suspension.

In order to be eligible for financial aid (i.e., loans), graduate students must be enrolled for a minimum of 5 semester hours in any given semester (summer, fall, and/or spring) and be making satisfactory progress toward the completion of the master's degree or completion of other degree programs. The pace of completion varies by specific academic program. Normally, a graduate student should be completing at least 10 semester hours per academic year.

Graduate students receiving financial aid must complete a minimum of five hours per semester and, therefore, will be making satisfactory progress as described above. At the end of each semester (including summer), all graduate students will be reviewed by the Academic Dean with regard to: (1) academic status (scholarship standards) and (2) satisfactory progress. Students found not be meeting the *scholarship standard* of a 3.00 cumulative grade point average will be handled as outlined above. Students found not to be making *satisfactory progress* (failure to complete all hours attempted) will be reported to the Director of Financial Aid. The Academic Dean together with the Director of Financial Aid will make a decision regarding the appropriateness of continued aid. Such a decision may be the termination of further aid or the continuation of aid under specified conditions.

Time Frame for Financial Aid –Graduate Programs

The maximum time frame a student can receive financial aid is equal to 150% of the normal expected time it takes to complete the specific academic program. The various graduate degree programs require in the range of 32 to 60 semester hours to complete. The pace of completion varies by specific academic program. Normally, a graduate student should be completing at least 10 semester hours per academic year.

APPEALS PROCEDURE FOR FINANCIAL AID DECISIONS

There are occasions when a student may be denied financial aid. The reasons for denial may include one or more of the following:

- Annual income and assets of student and/or spouse are sufficient to meet educational costs.
- Student is not making satisfactory academic progress toward a degree.
- Student owes a refund or repayment on previous aid and/or is in default on student loan payments.
- Student is taking less than a half-time load.
- Student is not a citizen or permanent resident of the United States (required for federal programs).
- Other resources listed by the student should be adequate to meet educational costs.
- Student has failed to provide sufficient information in order for an award to be made or has failed to provide requested documentation on reported information.
- Student is enrolled in a semester beyond 150% of program length.

There are also times when a family's financial resources may change after the original application is submitted and a review of aid awarded is in order.

A student who loses financial aid based upon the academic progress policy or concerning any of the items mentioned above may appeal the loss of funds to the Financial Aid Appeals Committee. The Financial Aid Appeals Committee will consist of the Director of Financial Aid, the Assistant Director of Financial Aid, the Assistant Vice President for Business Affairs, and the Academic Dean. Information regarding the appeal process may be obtained in the Financial Aid Office.

Any appeal for reconsideration must be made to the Financial Aid Committee in writing. An interview may also be needed to clarify new information, or the presentation of documentation may be required for verification of data. In all cases, a student will receive a written response to his/her appeal from the Financial Aid Committee.

Asbury University does not discriminate on the basis of race, color, gender, age, national or ethnic origin, or disability in the admission of students, educational policies and programs, employment policies, and activities. In addition, Asbury University does not discriminate on the basis of religion in the admission of students and student access to educational programs. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Director of Human Resources, Asbury University, Wilmore, KY 40390; 859-858-3511, ext. 2357.

In conformity with the pertinent requirements of **Title IX of the Education Amendments of 1972** enacted by the Congress of the United States, Asbury University does not within the context of its religious principles, its heritage, its mission and its goals discriminate on the basis of sex in the areas of employment, admission, educational programs, or other activities. Inquiries concerning the application of Title IX to Asbury University may be addressed to a Title IX Coordinator. A listing of Title IX Coordinators may be found in the Sexual Misconduct policy located on the Asbury University website (www.asbury.edu/student-life/resources/handbook-community-life/general-policies-and-procedures), and as an addendum to the Student, Employee and Faculty Handbooks.

ANNUAL NOTIFICATION OF RIGHTS UNDER FERPA

Asbury University complies with the Family Education Rights and Privacy Act, 20 U. S. C. § 1232g (FERPA), which affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) Asbury University students are considered to be in attendance once they have registered for courses for their initial term of enrollment.

These rights include:

1. **The right to inspect and review the student's education records** within 45 days after the day Asbury University receives a request for access. A student should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. **The right to request an amendment of the student's education record/s that the student believes are inaccurate or misleading**, or otherwise in violation of the student's privacy rights under FERPA.
A student who wishes to ask the University to amend a record that they believe is inaccurate or misleading should write the school official responsible for the record, clearly identify the part of the record the student wants changed and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. **The right to provide written consent before the university discloses personally identifiable information (PII)** from the student's education records, except to the extent that FERPA authorizes disclosure without consent. Asbury University discloses education records without a student's prior written consent under

the FERPA exception for disclosure to school officials with legitimate educational interest. School officials are those persons employed by Asbury University in administrative, supervisory, academic, research, instructional, advisory, governance, and support staff functions of the University (including law enforcement unit personnel and health staff). They do not necessarily need to be paid employees of the University; school officials may include students serving on official committees or assisting a school official in performing his or her tasks; contractors, consultants, volunteers or other parties outside of Asbury University to whom Asbury University has outsourced institutional services or functions (such as an attorney, auditor, or collection agent). A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Asbury University. Education records can be released without written consent to Local, State, and Federal agencies as well as contracted agencies that qualify as Asbury University school officials.

4. **The right to file with the U.S. Department of Education a complaint concerning alleged failures by Asbury University to comply with the requirements of FERPA.**

The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202

Directory Information

Asbury University may release, without the written consent of the student, the following items which have been specified as public or “directory

information” for students: name, address(es), email address(es), telephone number(s), fields of study, level and classification, enrollment status, dates of attendance, actual and expected graduation date, degree(s) conferred, including dates, honors, scholarships and awards, previous institution(s) or agency attended, past and present participation in officially recognized activities and sports, and weight and height of athletic team members, and photograph or video image.

Asbury works hard to protect each student’s privacy and does not automatically release directory information to all requestors. Information that is NOT classified as directory information and is therefore not released without advance student permission or applicable exception under the Act includes: specific course grades, grade point averages, race or ethnic group, or parent names.

However, a currently enrolled student may request under the provisions of the Family Educational Rights and Privacy Act of 1974, that the University not release any directory information by completing the FERPA Block Form available from the Office of the Registrar by the end of the drop/add period of the fall semester. Requests for non-disclosure will be honored until the student releases the hold on disclosure or until the end of the last term of the student’s enrollment, whichever comes first. The student accepts all consequences of having his or her directory information withheld, and the institution assumes no liability for honoring the student’s instructions that such information be withheld.
