WORSHIP ARTS MAJOR, B.A.

Christian Ministry Department; School of Christian Studies

The Worship Arts major at Asbury University is dedicated to equipping young men and women in using the arts to engage their culture with the truth and love of Jesus Christ. It is a program where passion runs alongside excellence in practice, where classes are designed to lead your heart as well as train your mind. We want to use music and the creative arts to lead people who don't know Jesus to Him and to lead those who do know Him closer to Him.

To graduate must complete all major requirements, foundational requirements, and additional electives needed for 124 hour minimum degree requirement.
