

for the *journey* ASBURY UNIVERSITY

You've heard it said that life is a journey—but at Asbury University, when we invite you into the journey of a lifetime, we mean something different. Something more daring, more challenging, and more rewarding than you can imagine. Because your journey is the story of God's incredible plans for your life, unfolding right before your eyes.

Whether you're interested in undergraduate, graduate or high school dual enrollment programs, Asbury offers a wide range of majors, minors and emphases – more than 150 combined! Our in person and online options can accommodate all of your needs.
