STUDENT PARKING REGULATIONS

I. Purpose

Operating and maintaining a vehicle at Asbury University is a privilege, which entails certain responsibilities. It is the student's responsibility to know the University's vehicle regulations, as well as state and local laws. The following regulations have been established to educate and inform students, and ensure the proper maintenance, control, and use of all University parking facilities by valid parking permit holders.

II. General Regulations

- A. Regulations are in effect 365 days a year, including holidays and weekends.
- B. All students with a vehicle must register their vehicle within 48hrs of being on campus.
- C. Students are limited to one (1) permit per academic year, barring unforeseen or extenuating circumstances. **Any additional permits may incur a \$10 charge to the student's account.**
- D. Loading zones are for active loading and unloading only. Please use flashers to indicate that you are actively loading/unloading. Use of Loading Zones is limited to a maximum of 20 minutes.

III. Vehicle Registration

- A. Student vehicles must be registered within 48 hours of being on campus.
- B. Students must provide the vehicle's state registration at the time the student receives their parking permit.

- v. IF students share a vehicle with a family member who is an Employee of Asbury University, the vehicle must abide by the **Employee Parking Regulations** which prohibit overnight parking.

A. There are 5 general categories of parking violations:

- i. No Parking Permit – a vehicle has been on campus for more than 48 hours and has not been registered.

STUDENT PARKING REGULATIONS

- ii. Improper or no display of permit – a vehicle has been registered to park on campus, but the permit has either been placed on the vehicle improperly or it has not been placed at all.
 - iii. Parked in Fire Lane – a vehicle is parked in a designated fire lane, designated by signage and/or curb paint. This violation is subject to possible citation from Law Enforcement which also may include fines and court costs.

- B. Citations – All citations will be received via email. When a Campus Safety Officer writes a citation it will automatically be emailed to the registered user of the offending vehicle.
- i. All violations are the responsibility of the student registered to the vehicle; for vehicles not initially registered, the student associated with the vehicle becomes the responsible party.
 - ii. Any violation may result in a warning or administrative policy citation (a.k.a. ticket), at the discretion of the safety officer issuing the citation.
 - iii. All fines will be doubled if not paid within fourteen (14) days from the date of the citation unless an appeal is submitted.

STUDENT PARKING REGULATIONS

iv. All fines are to be paid online through the AU Parking App.

Students will receive a receipt as proof of payment.

v. After receiving three (3) administrative citations during a semester:

1. The Director or Assistant Director of Campus Safety will

contact the student and offer to set up a meeting to discuss the reasons the student has two or more citations within a semester.

2. At the fourth citation, the vehicle will be towed, regardless of appeals status and/or without additional notice to the student.

vi. All delinquent citations will have fines doubled and recorded on the student's account, there will also be a \$5 processing fee.

vii. If a student has fines and can prove financial hardship, alternate methods of payment through coordinated community service may be possible at the discretion of the Director of Campus Safety. If this applies to you, please contact parking@asbury.edu.

viii. If a vehicle is disabled, it is the responsibility of the student to immediately contact Campus Safety via phone (859) 858-5700 or via email Parking@asbury.edu prior to receiving a citation.

D. Citation Appeals

- i. Valid appeals must be received within fourteen (14) days of a citation being written. Appeals should be submitted electronically via the link embedded in the citation email. While the citation is in the appeal process, it is exempt from the doubling of the fine(s) associated with the citation.
- ii. The Parking and Safety Committee, as part of Asbury's Student Governance Association, will review appeal(s), grant or deny the appeal(s), and notify the student of the decision(s). Appeals are not to be considered "granted" until an e-mail notification is received from the committee chair declaring it to be "granted". Just because a citation has been appealed does not necessarily mean the fines associated with the citation will not have to be paid.
- iii. Once a citation has been reviewed AND a decision has been made, the student has fourteen (14) days to pay any remaining fine(s); after which the fine(s) will double per the List of fines (Section VI: C.)
